MEMO

TO: Albany City Council

VIA: Peter Troedsson, City Manager *PT 2/22*

FROM: Chris Bailey, Public Works Director *CB*

DATE: February 14, 2024, for the February 26, 2024, City Council Work Session

SUBJECT: Mid-Period Strategic Plan Review

Action Requested:

Information only.

Discussion:

This work session will be the first mid-period review of the City's Strategic Plan. As a reminder, the council discussed the process to review and update the City's Strategic Plan during the comprehensive 2021-2022 Strategic Plan update. The decision was made at that time to conduct a plan review every two years. As part of this process, the council will review the annual Strategic Plan progress report delivered to you last fall and the results of the recent community survey. Both of these should provide information on the progress toward Strategic Plan goals and objectives to date.

To prepare for the work session, staff is requesting each councilor review your copy of the Annual Report presented at the November 27, 2023, City Council Work Session. Please keep in mind that the intent of this Strategic Plan review is to discuss and decide on refinements to the existing goals and objectives. For example, if an objective has been accomplished, that should be noted so that it can be removed with the next Strategic Plan update. Ideas or suggestions that would modify, add, or remove a Strategic Plan theme or goal will also be noted for further consideration during the 2026 update but are not the primary focus of this mid-period review.

Budget Impact:

None.
