# Budget Message

## 2019-2021 Biennium

---

This budget marks a milestone for the City of Albany. It is the City's first biennial budget and, as such, represents a significant process improvement. At its heart, however, it continues to represent the City Council's policy decisions and priorities. It allocates the limited resources available to the City to provide the framework for government operations.

Looking into the future to anticipate the City's needs and to plan for its growth is an essential responsibility of the City Council and their City staff. The Mayor and Councilors met in October 2018 to kick off the annual process of updating our Strategic Plan – a five-year look into the future – and in November 2018, department directors gathered to collectively consider how to implement the Council's direction. The Strategic Plan and Capital Improvement Plan are revised annually, and that process helps to guide and inform the development of the City's budget. Using forecasted revenues and predicted operating costs, departments under the leadership of their directors, crafted a budget that seeks to maintain current service levels to the extent possible. The City's Budget Committee reviewed the Strategic Plan, heard from City staff, and provided guidance and oversight.

One of the benefits of a two-year budget is that it guides staff toward a longer-term approach to budgeting. When that long view is considered, the difference between one-time funds and recurring funds becomes readily apparent. One-time funds such as grant monies, proceeds from the sale of property, etc., cannot be relied upon for continuous revenue. The continued operations of the City must be funded with recurring funds. When the use of one-time funds is required to fund current operations, it's indicative of a structural problem and is a practice that should be avoided.

With the Council's direction, staff have used the following guidance to build this budget:

1. Replenish reserves
2. Maintain appropriate levels of service
3. Reorganize and adjust

The slow withering of the City's General Fund contingency has been reversed, and with a modest incremental increase, we have begun the process of rebuilding it to an appropriate level. The City must look out for its long-term viability. We weathered the last recession largely because we had a substantial reserve. Doubts surround the timing and magnitude of the next recession, but fiscal prudence dictates that we make an effort to restore our ability to withstand a similar economic downturn. The imperative to restore our reserves competes directly with the need to continue providing quality public services; and, consequently, we can make only modest progress toward this goal.

The cost of providing existing levels of service continues to grow. PERS costs now average 33 percent across the City government. We have been able to limit the increase of one of our health insurance plans to "only" 4 percent, but the other will increase by 17.8 percent. These are the biggest contributing factors to the rise in operating costs.

Our Finance Director's estimates have indicated that we can anticipate an approximate 3.5 percent increase in property tax assessed. In keeping with the City's fiscal policy, City departments were directed to limit budget increases within the General Fund to 3 percent or less.

However, when operating costs increase at a rate that exceeds the growth of revenues, this poses a problem. We noted last year that this trend is not sustainable over the long run and that it will force reductions in service levels. Again this year, some departments' asset replacement funds have been used to offset the costs of maintaining service levels to the extent possible, but current service levels are not possible in the long run without an increase in revenue. The problem must be addressed; and, with this budget, the City is making restructuring decisions that have the effect of reducing FTE in several departments. Unfortunately, this equates to reductions in service levels in police, fire, parks and recreation, and library.

PERS rates are state-mandated; they cannot be controlled or changed at the city level; and solutions must come from the state legislature. Similarly, property tax revenues are limited by state law. Exacerbating the problem are many other costs that drive the cost of service upward. Within the City's enterprise funds, aging pipes and new stormwater regulations will add pressure to rates in our stormwater utility. Water and sewer utilities continue to be closely monitored to ensure their long-term viability, and they too require capital improvements and face comparable challenges. However, these older utilities have the advantage of larger and better developed base funding.

Every line item of this biennial budget supports the Council's strategic intent. It is the result of the hard work of staff not only within the Finance Department, but also within each of the City's departments. The serious financial constraints within which it was developed tend to overshadow the hard work that was required to transition from an annual budget to a biennial budget...while simultaneously implementing a new financial system. We're grateful to our Council and Budget Committee for their guidance and oversight, and I am very appreciative of our staff who have worked tirelessly to create this first-ever biennial budget for Albany. We will always exercise sound stewardship of the funds we have to provide quality services and maintain the finances of the City in sound shape.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Peter Troedsson", with a long horizontal flourish extending to the right.

Peter Troedsson  
City Manager

## EXECUTIVE SUMMARY

---

### Overview

This budget represents this City's move to a biennial budget. This change is intended to gain efficiencies and to evaluate and challenge the budget process.

The budget for the 2019-2021 biennium reflects moderate growth. General property tax revenues are expected to increase approximately 3.5 percent, while franchise fees and privilege tax revenues are expected to remain flat. Water and sewer revenues reflect scheduled rate increases but are tempered by conservation. The ambulance, fire, and police operating levy was increased by voters in 2012 and is seeing improvement as the effects of property tax compression decrease. Expenditure increases are directly correlated to growing personnel costs. At the same time, City policy mandates contingencies of 5 to 15 percent of operating revenues. The result is a balanced budget that reflects a slight growth in reserves, deletes positions, and allocates available resources to maintain targeted levels of service.

This year's approach to developing the budget continues the practice of identifying available resources and then allocating departments an appropriate target within which to build their operating budgets. Two very favorable dynamics continue to characterize this approach. First, operating budgets are funded within projected resources. Second, department directors have the ability to evaluate needs and allocate scarce resources to priority programs and activities. The challenge in future budgets will continue to be increases in expenditures growing faster than revenues.

### Economic Conditions

The slow growth out of the global economic downturn is continuing in Albany. A couple of key indicators are described below.

*Unemployment.* As of February 2019, the Albany MSA seasonally adjusted unemployment rate of 4.9 percent reflecting an increase of 0.02 percent over the past 12 months. Linn County's rate showed the same results, while Benton County's rate increased to 3.3 percent in February from its revised rate of 3.1 percent in the prior fiscal year. Oregon's statewide unemployment followed the same trend, increasing 0.2 percent to 4.4 percent.

*Development.* Albany's Building Inspection Division reports that permits for new residential construction and total permits were up over previous years as indicated in the following table:

<b>February Fiscal YTD</b>	<b>2015</b>	<b>2016</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>
New Residential Permits	92	98	94	145	140
New Commercial Permits	5	12	6	10	15
Total Number of all Permits	1,492	1,723	1,630	2,172	2,800

The increased activity over the past two years contributes to growth in revenues for the Building Inspection Division and may suggest gradual growth in other revenues such as property taxes and franchise fees.

### Population Growth

Many of the services provided by the City are more closely tied to population growth than to economic conditions. A slowdown in the economy does not reduce the need for police, fire, library, utility and many other municipal services. An increase in population, however, often entails a corresponding increase in demand for the same services.

*Budgeted FTEs per 1,000 Population.* The number of budgeted full-time equivalent (FTE) City employees per thousand of population has decreased by over 4 percent during the past 10 years. In past years, a distinction was made between authorized positions and budgeted positions. Authorized positions were those that had previously been approved by the City Council but may or may not have been funded in the budget. Budgeted positions were authorized positions that were actually funded. The expectation was that authorized positions

that were not funded in the budget could be filled as funding sources became available or other expenditures were reduced. Continued budget constraints have eliminated the anticipated benefit of the two designations. Therefore, the distinction between authorized and budgeted has been dropped.

The following table presents the population for the city of Albany as provided by Portland State University’s annual population estimate, except for the final year, which is an estimate based on growth trend. Budgeted FTEs and budgeted FTEs per 1,000 of population are also shown in the corresponding budget year.

<b>Budgeted FTEs per 1,000 Population</b>											
FY ending June 30	2012	2013	2014*	2015	2016	2017	2018	2019	2020	2021	10-Year % Change
Population	50,325	50,520	50,710	50,720	51,270	51,670	52,540	52,710	53,145	53,433	6.18%
Budgeted FTEs	424.925	388.825	389.775	385.875	399.508	406.558	424.118	438.493	427.400	420.213	-1.11%
Budgeted FTEs per 1,000 pop.	8.44%	7.70%	7.69%	7.61%	7.79%	7.87%	8.07%	8.32%	8.04%	7.86%	-6.86%

\*Includes six firefighter positions partially funded through the SAFER grant.

Population has increased over the last 10 years by 6.18 percent while the number of budgeted FTEs has decreased by 1.11 percent. The number of FTEs per thousand declined by 6.86 percent over the same timeframe. The lesser number of FTEs per thousand in the next two years reflects an environment where personnel and other costs are outpacing revenues. Careful consideration of staffing must continue in order to stay within available resources.

### Cost-Saving Strategies

Department budgets for 2019-2021 were compiled in the context of current economic conditions, increasing costs, and sustainability of programs and services in future years. A lot of effort and analysis has been done to keep expenditures within estimated available resources. The following outline presents several of the previous and current cost-saving strategies that have been used to contain costs.

*Voluntary Separation Incentive Program.* Three different Voluntary Separation Incentive Programs were offered to employees between 2009 and 2012 to create vacancies and reduce staffing. The primary objective of the programs was to reduce staffing in a way that avoids the dislocation of employees and families typically associated with layoffs. Fifty employees participated in the incentive programs, resulting in several vacancies and significant budget savings.

*Hiring chill.* A hiring chill was imposed for all departments. No vacancies are filled without careful review of the timing and the need to fill the position by the relevant department director and the city manager. Savings associated with the hiring chill depend on the vacancies that occur.

*Cost-of-living adjustments (COLAs).* Non-represented employees and all bargaining units were asked to forgo COLAs in previous budget years. This had a compounding effect that resulted in savings in subsequent years.

*Leave buy-back.* Non-represented employees no longer have the option to buy back up to forty hours of administrative leave time.

*Sick leave incentive.* Police employees no longer receive an annual award of unused sick leave accrual.

*Reserves and replacement funds.* Reserve accounts are being drawn down and contributions to vehicle and equipment replacement funds are still below desired funding levels.

*Materials and services.* Expenditures for contracted services, minor equipment, office supplies, and other materials and services continue to be reviewed very closely.

## **Closing Statement**

It is the goal of City staff to produce a sustainable budget. Although staff has succeeded in the FY 2019-2021 budget, the issue of resources being outpaced by expenditure growth remains a concern. During the budget process, positions were deleted, and a program was cut. Departments must continue to give careful consideration to expenditures, as well as work with the city council to find new funding sources, in order to maintain appropriate levels of service in future years.

## Strategic Plan and Program Budgets

Albany's strategic plan was first implemented in the 2005-2006 Adopted Budget. In that document, the plan was characterized as a way of taking traditional goal-setting to the next level. The plan continues to evolve but has in a very meaningful way fulfilled that expectation by becoming the standard against which goals, objectives, strategies and activities are measured. Each succeeding budget has to a greater degree incorporated references to the themes and objectives of the strategic plan.

The City Council has maintained the policy direction and leadership role in the strategic planning process by reviewing the plan on a regular basis. The most recent revisions were adopted on January 23, 2019. The direction provided in the strategic plan is followed by the City Manager and department directors in developing the proposed budget that is presented to the Budget Committee. Through this process, the adopted budget effectively becomes the implementing document for the strategic plan.

Presented below are examples of objectives and actions in the strategic plan for various operating programs.

### **Community Development Department**

Strategic Plan Theme – Great Neighborhoods

- Objective GN-1a: Monitor and apply for grants that further advancement of Strategic Plan objectives and department goals.
- Actions: Apply for State Historic Preservation Office grants. Make rehabilitation loans and track completions.

Strategic Plan Theme – Great Neighborhoods

- Objective GN-3: Ensure that public buildings, sidewalks, and public transportation are accessible to all.
- Actions: Develop a plan and prioritization system for making accessibility improvements when funding is identified and available.

### **Library Department**

Strategic Plan Theme – Great Neighborhoods

- Objective GN-10: By the end of 2022, increase library visits to 325,000.
- Actions: Add five new programs across all service areas. Increase the percentage of operating dollars spent on collections to Oregon state median (ten percent).

### **Police and Fire Departments**

Strategic Plan Theme – A Safe City

- Objective SC-1: Participate in the FEMA National Flood Insurance Program and maintain the City's Community Rating System (CRS) rating.
- Actions: Form and maintain a cross-department team in Community Development in order to continuously improve the City's floodplain management. Participate in FEMA's CRS program.

Strategic Plan Theme – A Safe City

- Objective SC-5: Achieve at least a 60 percent clearance rate for violent crimes and a 20 percent clearance rate for property crimes annually.
- Actions: Achieve this objective through maintaining current staffing levels in patrol and detectives with an emphasis on solving crimes.

#### Strategic Plan Theme – A Safe City

- Objective SC-9: Collaborate with neighboring fire departments and communities to improve emergency response reliability and provide a consistent level of emergency and life safety services.
- Actions: Collaboratively staff and maintain a single-role medic unit with other emergency response agencies; train with mutual aid partners; explore opportunities to provide equivalent emergency services irrespective of geographic boundary.

#### **Public Works Department**

#### Strategic Plan Theme – A Safe City

- Objective SC-15: Optimize the use and management of the Vine Street and Albany-Millersburg Water Treatment Plants to meet regulatory and demand needs for the City's drinking water supply.
- Actions: Improve Vine Street WTP chemical delivery, storage, and injection systems.

#### Strategic Plan Theme – A Safe City

- Objective SC-17: Effectively manage biosolids waste at the Albany-Millersburg Water Reclamation Facility.
- Actions: Maximize efficiencies and cost-effective management and disposal of solids at the Albany-Millersburg Water Reclamation Facility. Continue the solids improvement project work with the goals of decreasing landfill disposal and increasing beneficial reuse of WRF solids.

#### **Parks and Recreation**

#### Strategic Plan Theme – An Effective Government

- Objective EG-1: Reduce the percentage of total annual Parks & Recreation Fund expenditures subsidized with property tax revenues to 55 percent by 2020.
- Actions: Achieve this objective through a combination of nontax revenue increases and expenditure reductions.

#### **Finance Department**

#### Strategic Plan Theme – An Effective Government

- Objective EG-12: Continue recognition from the Government Finance Officers Association for excellence in budgeting and financial reporting. Maintain audit results establishing conformance to requirements and generally accepted accounting principles.
- Actions: Receive the GFOA “Excellence in Financial Reporting” and “Distinguished Budget Presentation” awards. Achieve annual audit with no reportable findings of noncompliance.

Great Neighborhoods

A Safe City

FY 2019 – FY 2023

# STRATEGIC PLAN

Healthy Economy

Effective Government

Adopted 1/23/2019

## OUR MISSION

“Providing quality public services for a better Albany community.”

## OUR VISION

“A vital and diverse community that promotes a high quality of life, great neighborhoods, balanced economic growth, and quality public services.”

# Our Values

The City of Albany's Strategic Plan is guided by three fundamental elements: our mission, our vision, and our core values. Our Mission Statement is based on the principles of high quality and continuous improvement. Our Vision Statement presents a compelling future toward which our Strategic Plan is directed. Both our mission and our vision are founded on the following basic values that guide all of our actions and that reflect what we expect from our employees and our elected officials:

**Transparent, Open, and Honest Government.** This value reflects our first and most important responsibility. Our competence is measured and, in fact, reinforced through active engagement of those we serve. We maintain an organizational reputation for openness, honesty, and integrity.

**Dedication to Service.** Our primary duty is to the people we serve. We are accessible, responsive, consistent, and understanding. We provide assistance beyond our customers' expectations, and we find effective solutions to problems that they bring to our attention.

**Fiscal Responsibility.** Proper use of public resources is a trust which we continually guard. In our management of this trust, we must avoid even the appearance of impropriety. In our management of public funds, we constantly strive for the greatest possible efficiency and effectiveness to sustain affordable services.

**Personal Honesty and Integrity.** Each of us demonstrates the highest standards of personal integrity and honesty in our public activities to inspire confidence and trust in our government.

**Excellence.** We continually pursue excellence by being creative and professional, taking risks, showing initiative, and being committed to our community and team. In this pursuit, we support continuing education and training for all team members.

**Teamwork.** We are a team that emphasizes high levels of trust and cooperation and a commitment to excellent communications within the organization. We encourage employees to exercise independent judgment in meeting customer needs through professional behavior that is consistent with our values.

**A Humane and Diverse Organization.** We are a humane organization that honors diversity and protects individual rights. Open communication, respect for others, compassion, and a sense of humor contribute to our positive work environment. We make it possible for every employee to achieve his or her full potential. We value the cultural and social diversity that is reflected in our community, and we welcome the changes and new perspectives that this diversity brings to us. We protect those individuals whose basic rights are placed in jeopardy.

## Why Do Strategic Planning?

If our Mission and Vision Statements are to have any meaning, they must be accompanied by deliberate planning efforts to move the organization and the community toward a desired future. This requires clearly defined goals, proactive objectives, committed leadership, and effective management. Above all, it requires managing the forces of change. Those forces include community demographics, state and federal mandates, fiscal constraints, economic conditions, emerging technologies, and many other influences on our service delivery efforts. High performing organizations are those that learn to anticipate and adapt to change by creating value for those we serve, and motivation and meaning for those who serve them. The best tool for accomplishing these objectives is strategic planning.

# Strategic Plan Themes

Our Strategic Plan has four primary themes that reflect our Mission and Vision Statements: Great Neighborhoods, a Safe City, a Healthy Economy, and an Effective Government. Specific goals, objectives, and actions move the organization toward our vision of the future.

Each theme is followed by the City's primary goals in that subject area for the foreseeable future. The goals should remain constant over time and should only be revised to reflect significant community changes or unanticipated events. A list of measurable objectives with benchmarks helps us track progress toward the goals. Objectives are generally identified to cover the five-year planning period from the date they are adopted or revised. Actions are the steps needed to meet the objective. Many more strategies and actions will be developed at the department and division level to align the entire organization with the goals and objectives.

This plan is intended as a work in progress. While the mission, vision, values, and goals should remain constant, the objectives and actions will need periodic review and refinement. We will track progress through regular reporting on the measures, and they will be incorporated into department, organization, and community publications. The annual Budget and Capital Improvement Program will serve as reporting and implementing policy documents, identifying relationships with the Strategic Plan. The Comprehensive Plan, Transportation System Plan, Water Master Plan, Sewer Master Plan, Parks Master Plan, Hazard Mitigation Plan, Urban Forestry Management Plan, and related planning documents also support this Strategic Plan.

# Great Neighborhoods

## Goals:

- Goal 1: Create and sustain a city of diverse neighborhoods where residents feel good about where they live.
- Goal 2: Provide an efficient transportation system with safe streets and alternative modes of transportation.
- Goal 3: Provide effective stewardship of Albany’s significant natural, cultural, and historic resources.
- Goal 4: Provide diverse recreational, educational, and cultural opportunities that enrich the lives of our citizens.

## Great Neighborhoods Objectives:

**Goal 1:** Create and sustain a city of diverse neighborhoods where residents feel good about where they live.

**Objective GN-1:** Enforce City ordinances when properties are neglected or abandoned to prevent erosion of property values and quality of life. [City Manager’s Office and Police]

*Actions: Reduce unresolved cases.*

**Objective GN-1a:** Monitor and apply for grants that further advancement of Strategic Plan objectives and department goals. [All Departments]

*Actions: Apply for State Historic Preservation Office grants every other year to support local preservation programs.*

**Objective GN-2:** Create a Community Development/Land Use Issues list of code issues that are identified as not optimal. This list will be evaluated annually to identify priority issues that might be addressed with code revisions. [Community Development]

*Actions: Review and update the Albany Development Code (ADC) to address code issues.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
GN-1	Maintain a close to open ratio of 75% or higher on submitted cases per fiscal year.	≥75%	96.7%	98.5%	75%	75%	75%	75%	75%
GN-1a	Continue to seek grant funding from State Historic Preservation Office when available.	1	1	n/a	1	n/a	1	n/a	1
GN-2	Develop CD/Land Use Issues list.	Complete annually	Annually	Annually	Annually	Annually	Annually	Annually	Annually

# Great Neighborhoods

**Goal 2:** Provide an efficient transportation system with safe streets and alternative modes of transportation.

**Objective GN-3:** Ensure public facilities, services, sidewalks, and public transportation are ADA accessible. [All Departments]

*Actions: Develop a plan and prioritization system for making accessibility improvements when funding is identified and available (ADA Transition Plan).*

**Roundabout construction at Main Street & Third Avenue.**

**Objective GN-4:** Utilize available street funding to maintain collector and arterial streets in “fair” or better condition and address local street needs as funding allows. Additionally, seek other sources of funding for the street system. [Public Works]

*Actions: Measure and monitor street condition in order to identify and prioritize street condition improvement projects. Implement repair and preventative street maintenance projects to preserve and restore City streets with the annual Street Maintenance budget. Plan for street rehabilitation and reconstruction capital projects with the annual five-year Capital Improvement Program and implement capital projects with the annual Street Capital budget.*

**Objective GN-5:** Work as a cooperative partner of the Albany Area Metropolitan Planning Organization (AAMPO) for the funding of street and transit improvements. [Public Works]

*Actions: Work within the AAMPO structure to plan for use of available Surface Transportation Program (STP) funding for the preservation and improvement of City streets. Work with the AAMPO to stabilize funding and maximize the effective use of transit funding for the City and the region.*

**Objective GN-6:** By the end of FY 2023, increase the number of transit system riders by ten percent over the FY 2012-2013 ridership. [Public Works]

*Actions: Measure and monitor the number of rides provided. Identify opportunities to modify and maximize routes, increase operating revenue, and improve transit level of service. Identify and implement route improvements to serve more citizens, as funding allows.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
GN-3	Accessibility Transition Plan completed.	Complete by FY 2020				June 2020			
GN-4	Percentage of collector and arterial streets in “fair” or better condition (minimum PCI of 60):	100%	68%	67%	81%	82%	81%	80%	80%
GN-5	Obtain MPO planning funds.	Complete by FY 2020				June 2020			
GN-5	Complete Transit facility design.	Complete by FY 2021					June 2021		
GN-6	Increase transit system ridership to:								
	Albany Transit System	≥96,000	76,696	74,100	75,000	80,000	85,000	87,000	90,000
	Linn-Benton Loop	≥145,000	109,927	107,900	115,000	118,500	123,000	128,000	141,000
	Paratransit	≥21,000	17,646	21,200	21,500	22,000	23,000	24,000	24,500

# Great Neighborhoods

**Goal 3:** Provide effective stewardship of Albany’s significant natural, cultural, and historic resources.

**Objective GN-7:** Continue to partner and coordinate with community groups, such as the Calapooia Watershed Council, on watershed improvement programs and projects to meet statewide planning goals (Goal 5). [Community Development, Parks & Recreation, Public Works]

*Actions: Identify City-owned open spaces, riparian corridors, and natural resources and coordinate and help fund restoration and education/outreach projects.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
GN-7	Coordinate and partner on restoration and education/outreach projects.	Complete annually	Annually	Annually	Annually	Annually	Annually	Annually	Annually

**Talking Water Gardens**

# Great Neighborhoods

**Goal 4:** Provide diverse recreational, educational, and cultural opportunities that enrich the lives of our citizens.

**Objective GN-8:** Maintain total City-managed park land inventory at an annual average of 17.0 acres or greater per 1,000 residents. [Parks & Recreation]  
*Actions: Acquire by purchase, lease, or other means enough park land to achieve and keep pace with Albany's growth and to meet the City's adopted total park acreage standards.*

**\*Objective GN-9:** Sustain total developed parks and recreation lands at 11.0 acres or greater per 1,000 residents. [Parks & Recreation]  
*Actions: Maintain enough developed park land to keep pace with Albany's growth and to meet the City's adopted developed park acreage standards.*

**Objective GN-10:** By the end of 2022, increase library visits to 325,000. [Library]  
*Actions: Add five new programs across all service areas. Increase the percentage of operating dollars spent on collections to Oregon state median (10 percent).*

Reading Girl at the Main Library

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

*\*Sale of 4 acres surplus park land; purchase of 2 acres for new park in NE Albany.*

# Safe City

## Goals:

- Goal 1: Ensure a safe community by protecting people and property.
- Goal 2: Provide safe, sufficient, and reliable drinking water, sewage disposal, and drainage systems.

## Safe City Objectives:

**Goal 1:** Ensure a safe community by protecting people and property.

**Objective SC-1:** Participate in the FEMA National Flood Insurance Program and maintain the City's Community Rating System (CRS) rating. [Community Development]

*Actions: Form and maintain a cross-department team to continuously improve the City's floodplain management. Participate in FEMA's CRS Program.*

**Objective SC-2:** Use Community Development Block Grant (CDBG) funds to provide funding to community programs that assist the vulnerable children and families in our City. [Community Development]

*Actions: Work with the Community Development Commission to identify and distribute funds to appropriate programs.*

**Objective SC-3:** Maintain police patrol response times to Priority One calls for service from dispatch to arrival time to five minutes or less annually. [Police]

*Actions: Achieve this objective through maintaining no less than current staffing levels and incremental staffing increases related to population/demand for service increases.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
	<del>Move into new Fire Station 11.</del>	Complete by June 2017		Oct 2017					
	<del>Move into new Police Department building.</del>	Complete by June 2017		Dec 2017					
SC-1	Maintain CRS rating.	≤ 5	6	5	5	5	5	5	5
SC-2	Distribute CDBG funding to assist Albany's vulnerable populations and neighborhoods.	\$300,000/year	\$300,000	\$270,000	\$250,000	\$250,000	\$250,000	\$250,000	\$250,000
SC-3	Patrol Unit: Maintain response time to priority one calls annually.	≤ 5:00 annually	3:06 annually	4:23 annually	<5:00 annually	<5:00 annually	<5:00 annually	<5:00 annually	<5:00 annually

# Safe City

**Objective SC-4:** Maintain the combined number of fatal and injury collisions at 2.5 per thousand residents or less annually. [Police]

*Actions: Achieve this objective through continued traffic enforcement with an emphasis at high-collision areas.*

**Objective SC-5:** Achieve at least a 60 percent clearance rate for violent crimes and a 20 percent clearance rate for property crimes annually. [Police]

*Actions: Achieve this objective through maintaining current staffing levels in patrol and detectives with an emphasis on solving crimes.*

**Objective SC-6:** Maintain Part One crimes at 32.0 per thousand residents or less annually with the goal of being at or below the Oregon average. [Police]

*Actions: Continue emphasis on crime reduction through the Computer Statistics (COMPSTAT) process.*

**Objective SC-7:** Fund to adequately staff for increasing calls for service, response times, and community growth. [Police]

*Actions: Hire additional personnel to address increases in calls for service, collisions, response times, and crime trends and in order to obtain adequate staffing for 10-hour shifts, thus having overlap in coverage that is lacking today.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
SC-4	Maintain the combined number of fatal and injury collisions at 2.5 per thousand residents or less annually.	≤2.5 per thousand annually	2.63 per thousand annually	2.88 per thousand annually	≤2.5 per thousand annually	≤2.5 per thousand annually	≤2.5 per thousand annually	≤2.5 per thousand annually	≤2.5 per thousand annually
SC-5	Achieve clearance rate for violent crimes annually.	≥60% annually	59.5% annually	66% annually	60% annually	60% annually	60% annually	60% annually	60% annually
SC-5	Achieve clearance rate for property crimes annually.	≥20%	29.1% annually	30.1% annually	20% annually	20% annually	20% annually	20% annually	20% annually
SC-6	Achieve reduction in Part I crimes at 32 per thousand residents or less annually.	≤32 per thousand annually	30.53 per thousand annually	29.35 per thousand annually	≤32 per thousand annually	≤32 per thousand annually	≤32 per thousand annually	≤32 per thousand annually	≤32 per thousand annually
SC-7	Hire Police personnel to address emergency call volume, increases in response times, and community needs.	As needed	3	0	0	3 (1 Park Ranger & 2 Sworn Officers)	2 (2 Sworn Officers)	1 (1 Sworn Officer)	2 (2 Sworn Officers)

# Safe City

**Objective SC-8:** Facilitate continued development of property surrounding Fire Station 12 as an emergency responder training center.

[Fire, Police, Public Works, Other Jurisdictions]

*Actions: Relocate City bus storage to expand current training facilities and build a training tower.*

**Objective SC-9:** Collaborate with neighboring fire departments and communities to improve emergency response reliability and provide a consistent level of emergency and life safety services. [Fire]

*Actions: Collaboratively staff and maintain a single-role medic unit with other emergency response agencies; train with mutual aid partners; explore opportunities to provide equivalent emergency services irrespective of geographic boundary.*

**Objective SC-10:** Fund Fire Department equipment replacement and facilities maintenance to adequately address emergency equipment and vehicle needs and long-term upkeep of department facilities. [Fire]

*Actions: Commit ambulance revenue received over budgeted amount to equipment replacement; pursue grants and other funding alternatives; consider a bond to fund department equipment replacement needs; consider other potential funding sources to provide both short- and long-term solutions to replace vehicles and equipment and provide for facilities maintenance.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
SC-8	Relocate City bus storage.	Complete by FY 2022						June 2022	
SC-8	Provide improvements to training site by building training tower and training props.	Complete by FY 2018				June 2020			
SC-9	Collaborate by staffing single-role medic units with overlapping coverage of an additional single-role medic unit.	94 hrs/wk and 40 hrs/wk	Hired and trained personnel	94 hrs/wk	94 hrs/wk	94 hrs/wk and 40 hrs/wk	94 hrs/wk and 40 hrs/wk	94 hrs/wk and 40 hrs/wk	94 hrs/wk and 40 hrs/wk
SC-10	Provide funding to replace emergency vehicles and equipment and maintain facilities.	\$2.4 million	\$418K	\$831K	\$500K	\$500K	\$500K	\$500K	\$500K

# Safe City

**Objective SC-11:** Reduce property code violations, substandard housing conditions, and inadequate infrastructure. [City Manager’s Office, CARA, Community Development, Police]

*Actions: Community Development, Police, and the City Manager’s Office will work together to set priorities for addressing property code violations and responding to citizen complaints. A partnership with CARA will focus significant code compliance and safety efforts within the CARA boundaries.*

**Objective SC-12:** CARA will continue to fund projects that eliminate blight and increase public safety. [Central Albany Revitalization Area and Police]

*Actions: Use CARA funding on projects that eliminate blight, increase public safety, and reduce police calls.*

**Objective SC-13:** Maintain and continue to minimize the impact of fires on our community. [Fire]

*Actions: Continue to incorporate Fire Department requirements in the development review and approval process. Conduct Fire Code compliance inspections on existing buildings. Provide fire/life safety education. Maintain residential fire/life safety equipment programs. Promote fire sprinkler systems in CARA-funded projects and other projects of new construction and remodeling.*

**Objective SC-14:** Fund to adequately staff for increasing emergency responses, response times, and community growth. [Fire]

*Actions: Continue to evaluate all funding options for public safety; hire additional personnel to address increases in responses and times; maintain Staffing for Adequate Fire & Emergency Response (SAFER) Grant-funded positions throughout the three-year grant performance period and beyond.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
SC-11	Amount of CARA funding targeting code compliance/public safety.	\$50,000	\$50,000	\$50,000	\$50,000	\$50,000	\$50,000	\$0	\$0

# Safe City

**Goal 2:** Provide safe, sufficient, and reliable drinking water, sewage disposal, and drainage systems.

**Objective SC-15:** Optimize the operation and management of the Vine Street and Albany-Millersburg Water Treatment Plants (WTPs) to meet regulatory requirements and system demand; efficiently manage energy consumption; and improve water system resiliency. [Public Works]

*Actions: Improve Vine Street WTP chemical delivery, storage, and injection systems.*

**Objective SC-16:** Maintain existing compliance with all water quality, pretreatment, and biosolids regulatory requirements. [Public Works]

*Actions: Prepare for the requirements of a pending new wastewater discharge permit, which will likely include more restrictive water quality-based limitations. Remain engaged in agency groups such as ACWA and PNCWA in order to remain informed and offer input into regulatory direction. Prepare for the requirements of a stormwater discharge permit.*

**Objective SC-17:** Effectively manage biosolids waste at the Albany-Millersburg Water Reclamation Facility (WRF). [Public Works]

*Actions: Maximize efficiencies and cost-effective management and disposal of solids at the Albany-Millersburg Water Reclamation Facility. Continue the solids improvement project work with the goals of decreasing landfill disposal and increasing beneficial reuse of WRF solids.*

**Replacement of water filtration membrane modules at the Albany-Millersburg Water Treatment Plant.**

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23
SC-15	Complete Vine Street WTP chemical system improvements.	Complete by FY 2020				June 2020			
SC-16	Obtain a new discharge permit for the WRF. (DEQ DEPENDENT)	Complete by FY 2020				June 2020			
SC-16	Obtain a stormwater discharge permit. (DEQ DEPENDENT)	Complete by FY 2019			June 2019				
SC-17	Initiate solids handling pre-design effort.	Complete by FY 2020				June 2020			

# Healthy Economy

## Goals:

- Goal 1: Business — Enhance the value and diversity of Albany's economy by attracting, retaining, diversifying, and expanding local businesses.
- Goal 2: Partnerships — Strengthen the area's role as a leading regional economic center through local and regional coordination and collaboration on economic development planning and projects.
- Goal 3: Prosperity — Maintain and grow the income levels with a focus on living-wage jobs, training, and education opportunities of Albany residents consistent with Oregon and national trends. Work to improve the community's assessed value while working to achieve a healthy balance of housing and jobs.
- Goal 4: Central Albany — Create a readily identifiable downtown core that is unique and vibrant with a mixture of entertainment, housing, specialty shops, offices, and other commercial uses.

## Healthy Economy Objectives:

**Goal 1: Business:** Enhance the value and diversity of Albany's economy by attracting, retaining, diversifying, and expanding local businesses.

**Objective HE-1 - Support Local Business:** Provide a supportive environment for the development and expansion of desired businesses, especially those that are locally owned or provide living-wage jobs. [Economic Development/Urban Renewal]

*Actions: Conduct regular visits to local businesses and industries as a business ambassador. Address the needs and opportunities for growth and work to eliminate barriers for future development.*

*Connect growing businesses with available resources including the Chamber of Commerce, AMEDC, SBA, COG, and the Small Business Development Center (SBDC) at LBCC.*

# Healthy Economy

**Objective HE-2 - Land:** Identify the availability of commercial and industrial land in the Economic Opportunities Analysis. Facilitate development consistent with community goals.

[Economic Development/Urban Renewal, Community Development, Public Works]

*Actions: Complete research and documentation of available land, work to remove barriers for developable land.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

HE-2	Complete research and documentation of significant available sites.	≥4	7	13	5	5	5	5	5

**Goal 2: Partnerships:** Strengthen the area’s role as a leading regional economic center through local and regional coordination and collaboration on economic development planning and projects.

**Objective HE-3 - Partnerships:** Collaborate with organizations focused on business retention, expansion, startup development, and entrepreneurship to establish new firms and strengthen existing businesses locally.

[Economic Development, All Departments]

*Actions: Maintain key department contacts for immediate response to information requests. Strong intra-city collaboration among departments to further economic development priorities, eliminate barriers, and provide accurate and timely assistance within the requested time frames. Continue to foster relationships and cultivate partnerships with the Chamber of Commerce, AMEDC, regional business support entities, financial institutions, and relevant state agencies. Continue work of LBCC/Industry/City partnership on \$2.9 million investment in equipment for workforce development and training.*

# Healthy Economy

**Goal 3: Prosperity:** Maintain and grow the income levels with a focus on living-wage jobs, training, and education opportunities of Albany residents consistent with Oregon and national trends. Work to improve the community's assessed value while working to achieve a healthy balance of housing and jobs.

**Objective HE-4 - Living-wage Jobs:**

Focus on the creation and retention of living-wage jobs through policy, staff support, and funding of projects that support a healthy local economy and community. Continue to refine CARA and CDBG programs to support job-creation projects. Support the area's educational resources as vital to the social and economic well-being of the community. Encourage opportunities for increasing skill levels of local workers and microenterprise development.

[Economic Development/Urban Renewal and Community Development]

*Actions: Complete draft, review, and implementation of CARA economic development programs. Track results and job creation of the program. Work to improve the community's assessed value. Facilitate connections between residents/businesses and workforce training or education. Track unemployment rate and per capita income for the city of Albany.*

*The City of Albany, LBCC, Chamber of Commerce, and AMEDC are partnering to provide workforce development training and purchase specialized equipment that prepares students to fill technical, high-demand manufacturing jobs within local industries.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

# Healthy Economy

**Goal 4:** Central Albany: Create a readily identifiable downtown core that is unique and vibrant with a mixture of entertainment, housing, specialty shops, offices, and other commercial uses.

**Objective HE-5:** Leverage urban renewal dollars to maximize the total investment and development effort in Central Albany. Create an increase in assessed value with the majority of public-private partnerships or spur private investment through strategic public investment. [Central Albany Revitalization Area]

*Actions: Continue to focus CARA funding on public infrastructure projects that will drive or complement private investment and private projects that create a return on investment through an increase in assessed value.*

**Objective HE-6:** Recognize and support Albany's unique historic character as a major cultural and tourist-oriented economic resource. Increase residential opportunities in the Central Albany area. [Central Albany Revitalization Area]

*Actions: Continue funding of rehabilitation and restoration of historic buildings, creation of new residential units, and various projects in the Main Street area and throughout the Central Albany Revitalization Area (CARA).*

**Albany Historic Carousel & Museum, a \$5.6 million investment in Downtown Albany, opened in August 2017 as part of a Developer-Partnership agreement with CARA.**

# Effective Government

## Goals:

- Goal 1: Effectively and efficiently deliver the services that Albany’s citizens need, want, and are willing to support.

## Effective Government Objectives:

**Goal 1:** Effectively and efficiently deliver the services that Albany’s citizens need, want, and are willing to support.

**Objective EG-1:** Reduce the percentage of total annual Parks & Recreation Fund expenditures subsidized with property tax revenues to 55 percent or lower by 2020. [Parks & Recreation]

*Actions: Achieve this objective through a combination of nontax revenue increases and expenditure reductions.*

**Objective EG-2:** Sustain revenues received from gifts, grants, and endowments to equal or greater than \$9 per capita. [Parks & Recreation]

*Actions: Complete and implement a Revenue Enhancement Plan by 2018, including strategies and private sector solicitations. Improve marketing and promotion efforts to communicate parks and recreation program needs to a wider audience.*

**Objective EG-3:** Maintain Parks & Recreation Department staffing levels at or below 0.60 FTE per 1,000 residents. [Parks & Recreation]

*Actions: Annually adjust staffing plans and service delivery strategies to achieve the objective.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

# Effective Government

**Objective EG-4:** Provide responsive, efficient, customer-oriented service and meet mandated deadlines for project reviews. [Community Development]

*Actions: Meet or exceed state requirements for timely issuance of reviews, permits, and inspections. Complete building inspections as requested.*

**Objective EG-5:** Maintain water loss at 10 percent or less. [Public Works]

*Actions: Continue leak detection efforts to identify system leaks. Replace and upgrade older water meters to reduce under-reading water usage. Investigate and eliminate unmetered water use and enforce against water theft. Evaluate water system replacement needs to best target limited capital funds to provide best return.*

**Objective EG-6:** Provide the City Council with annual reports regarding the running five-year sewer, water, and stormwater revenue, expenditure, and rate funding requirements. [Public Works]

*Actions: Annual updates to the current five-year rate projection at the time the City Council considers utility rate adjustments.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

# Effective Government

**Objective EG-7:** Develop a full stormwater management program and identify stable funding strategy for stormwater utility functions. [Public Works]

*Actions: Complete the Stormwater Master Plan. Implement code changes to bring the City in line with regulatory requirements. Identify the annual operations and maintenance and capital costs required to maintain the City's stormwater system in order to meet service level expectations and regulatory requirements. Develop SDC funding mechanism and funding levels.*

**Objective EG-8:** Complete update of the Sewer SDC methodology. [Public Works]

*Actions: Develop updated facility plan in phases. Upon completion of the collection system and treatment system updates, complete a new SDC methodology and have the City Council adopt it.*

**Objective EG-9:** Continue participation in national performance benchmarking for comparison with other jurisdictions. Implement process improvement projects to reduce processing time and costs or increase revenues. [City Manager's Office]

*Actions: Prepare annual report to detail participation and compliance to appropriate national benchmarks. Institute tracking systems to gather management data where lacking. Perform process improvement studies.*

**Objective EG-10:** By the end of FY2020, reduce the cost/item circulated by 20 percent. [Library]

*Actions: Explore outsourcing processing.*

**Objective EG-11:** Seek \$300,000 of outside funding for new library program support by 2023. [Library]

*Actions: Create an annual fund-raising campaign by working with library support groups and the Albany Library Scharpf Endowment Fund.*

OBJECTIVE	MEASURE	TARGET	COMPLETED FY 2016-17	COMPLETED FY 2017-18	FY 2018-19	FY 2019-20	FY 2020-21	FY 2021-22	FY 2022-23

# Strategic Plan Accomplishments

Under FY 2017 through FY 2021 Strategic Plan

## City Manager's Office

Received the 2018 ICMA Award of Excellence for Performance Management.

## Economic Development and Urban Renewal

### Economic Development

- Responded to information inquiries within requested time frame 100 percent of the time.
- Achieved a significant increase in local business visits, engagement, and support.
- Finalized negotiations to assist SnoTemp in site development expected to create new jobs.

### Urban Renewal - Central Albany Revitalization Area (CARA)

- Successfully completed \$8.4 million streetscape improvement project of 22 city blocks.
- Engaged 200+ community members for input on waterfront redevelopment priorities.
- Continued to partner with private business to leverage a 1:6 public to private investment ratio in downtown redevelopment.

## Community Development

- Issued 3,026 Building/Electrical permits and conducted 11,293 inspections.
- Completed development code amendments updating the sign code, clarifying cluster development procedures, streamlining processes for hillside development review, and removing barriers to using existing structures in the NC zone.
- Secured contract with Angelo Planning Group to amend the development code consistent with community priorities as identified through a recent code audit.
- Formed a Development Code Amendment Task Force to inform planned code amendments.
- Managed Community Development Block Grant program that serves Albany low- and moderate-income or at-risk residents in accordance with federal requirements.

# Strategic Plan Accomplishments

Under FY 2017 through FY 2021 Strategic Plan

## Finance

- Received the Excellence in Financial Reporting Award.
- Received the Distinguished Budget Presentation Award/
- No findings of noncompliance in the annual audit.
- Moody's credit rating was maintained at Aa3.

## Fire

- Objective SC-8: Facilitated continued development of property surrounding Fire Station 12 as an emergency responder training center by supporting Public Works in purchasing property to relocate City bus storage (property was successfully purchased for this purpose), and dedicating Fire Department operating funds toward expansion of live-fire training prop for training firefighters at this location.
- Objective SC-9: Continued to collaboratively staff single-role medic unit with Lebanon Fire District at the Tangent Fire Station. This unit handled over 30 percent of our Department's approximate 650 annual hospital transfers to outside facilities. This keeps dual-role firefighter/paramedics in the district and available to respond on emergencies in Albany.
- Objective SC-10: Contributed \$831,000 toward Fire Department equipment replacement through contributions from the department's annual operating budget, ambulance revenue received over anticipated revenue, and apparatus reimbursements from responses to Oregon and California conflagrations.
- Objective SC-13: Completed 1,733 fire code compliance business inspections and corrected 95 percent of fire code violations noted in inspections.
- Objective SC-14: Maintained matching funds for SAFER Grant funded positions into second year of three-year cycle; increased outside funding through an agreement with the City of Millersburg to provide emergency services to their entire community. Additional revenue allowed for increased staffing at new Albany fire station in Millersburg, which provides for an additional fire engine to respond to emergencies in both communities. This staffed engine will assist in dealing with increased responses and help maintain increasing response times.

# Strategic Plan Accomplishments

Under FY 2017 through FY 2021 Strategic Plan

## Information Technology

- Upgraded call manager and unity voicemail system.
- Migrated all Microsoft Office suite programs from 2007 to Office 365.
- Implemented Citywide cybersecurity training, testing, and analysis tools.
- Developed a routing map service that enables the inspector routing feature in Accela.
- Implemented a new version of Accela including moving the payment system to PayPal.
- Implemented a new Citywide copier contract with National Photocopy Corp.
- Remodeled the former Fire Administration workspace and moved IT staff from a leased location to City Hall.

## Library

- Hired three new staff members, including 1.0 FTE dedicated to Spanish language materials and outreach, as well as a new Assistant Library Director.
- Conducted a complete overhaul of Teen Services programming and outreach and a new menu of monthly events.
- Registered over 1,300 children under age 5 and distributed over 43,000 books in Albany and Linn County via the Dolly Parton Imagination Library.
- Raised over \$75,000 through library supporters for programs and materials.

# Strategic Plan Accomplishments

Under FY 2017 through FY 2021 Strategic Plan

## Parks & Recreation

- Completed remodel of Sunrise park.
- Purchased Deerfield Park from Greater Albany Public School District (GAPS).
- Secured ownership of Sunrise Park through no-cost conveyance from GAPS.
- Purchased new neighborhood park in NE Albany.
- Secured over \$516,000 in donations from the community for major events.

## Police

- Completed construction and moved into new police station in December 2017.
- Deployed body-worn cameras.

# Strategic Plan Accomplishments

Under FY 2017 through FY 2021 Strategic Plan

## Public Works

- Successfully managed design and construction of all planned Capital Improvement Projects, including the long-awaited Hill Street improvements.
- Partnered with the Central Albany Revitalization Area to finish construction of the downtown streetscape improvements.
- Completed first combined utility rate presentation providing for more advance notice of planned utility rate adjustments, more consistency with the budget process, and a better understanding of combined impacts to rate payers prior to make rate adjustments.
- Secured funding for the River Front Interceptor sewer project and initiated design.
- Completed preliminary design of the solids handling improvement project at the Albany-Millersburg Water Reclamation Facility (A-M WRF).
- Partnered with the Energy Trust of Oregon to complete energy and treatment efficiency improvement projects at the A-M WRF for a predicted annual savings of over 1,452,000 kilowatt hours of energy, or \$83,000.
- Completed the final purchase and installation of 640 membranes for the A-M Water Treatment Plant on the initial 10-year replacement cycle.
- Developed a water system pipe replacement matrix to further improve the asset management decision making process and make targeted, strategic investments in our water distribution system.
- Completed main parking apron improvements at the Albany Municipal Airport.

**[cityofalbany.net](http://cityofalbany.net)**

## PROPERTY TAXES

The total property taxes to be levied for operations and debt service are estimated to be \$61,292,400 during the 2019-2021 biennium.

Assumptions:

- (1) The assessed valuation of the City is estimated to be \$4,182,936,169.
- (2) The City's permanent tax rate is \$6.3984 per \$1,000 of assessed value.
- (3) The Budget Committee will approve and the City Council will adopt the full taxing authority.
- (4) The levy for the General Obligation Debt will be \$1,129,393 a tax rate of \$0.270 per \$1,000 of assessed value.
- (5) The Public Safety Local Option Levy is estimated to be \$4,810,377, an effective tax rate of \$1.15 per \$1,000 of assessed value
- (6) The Public Safety Local Option levy will have an estimated \$1,519,993 reduction in tax revenues due to compression.
- (7) The 2019-2021 biennium tax collection rate is estimated to be 93.47 percent.

## CAPITAL EQUIPMENT

The City prepares a separate five-year Capital Improvement Program (CIP). On June 12, 2019, the City Council adopted the 2020-2024 CIP as a planning document, following a public hearing.

For BN 2019-2021 the CIP identified capital projects totaling \$19,371,000.

A complete list of Capital Projects is included in the Capital Budget section of this budget document.

## DEBT MANAGEMENT

The City has a General Obligation Bond rating of "Aa3" from Moody's Investors Service, and a rating of "AA-" from Standard and Poor's. The ratings reflect the City's growing tax base, stable financial position, and moderate debt burden. Full true cash value of property assessed in the City, per capita, is \$108,761.

The City's direct debt burden is 0.76 percent of the true cash value, and the overall debt burden is 1.51 percent of the true cash value.

### Debt Principal Outstanding as of July 1, 2019

General Obligation  
2015 Public Safety Facilities \$16,355,000

Other Bonds:  
Water Revenue \$22,515,000  
Revenue Obligations 175,000  
Limited Tax Pension 4,769,604  
Total Other Bonds \$27,459,604

Other Debt:  
Clean Water SRF Loan 564,107  
2012 SRF ARRA Loan 1,250,000  
SRF Loans, Sewer 41,736,200  
Total Other Debt \$43,550,307

SRF = State Revolving Funds

Oregon Revised Statutes, Chapter 287, provides a debt limit for General Obligation Bonds of three percent of the true cash value (TCV) of all taxable property within the City's boundaries. As of June 30, 2019, that limit was \$173.4 million on \$5.780 billion TCV. The City's legal debt margin for General Obligation Debt is \$157 million. It is anticipated that the margin will increase for the 2019-2021 biennium as debt is paid off.

## **BASIS OF BUDGETING**

The budgets of all fund types (General, Special Revenue, Debt Service, Capital Projects, Permanent, Enterprise, and Internal Service) are prepared on a modified accrual basis. Briefly, this means that obligations of the City are budgeted as expenditures but revenues are recognized only when they are measurable and available.

The Comprehensive Annual Financial Report (CAFR) shows the status of the City's finances on the basis of "generally accepted accounting principles" (GAAP). In most cases this conforms to the way the City prepares its budget. Exceptions are as follows:

- 1) Compensated absences liabilities that are expected to be liquidated with expendable available financial resources are accrued as earned by employees (GAAP), as opposed to being expended when paid (Budget).
- 2) Principal payments on long-term debt within the Enterprise Funds are applied to outstanding liability on a GAAP basis, as opposed to being expended on a Budget basis.
- 3) Capital outlay within the Enterprise and Internal Service Funds is recorded as assets on a GAAP basis and expended on a Budget basis.
- 4) Depreciation expense is recorded in the Enterprise and Internal Service Funds on a GAAP basis only.
- 5) Revenues are accrued on a GAAP basis in the Enterprise and Internal Service Funds as opposed to the modified accrual method for the Budget.
- 6) Principal receipts on City-financed assessments are applied to outstanding assets on a GAAP basis as opposed to being recorded as revenue on a Budget basis.

**EXECUTIVE SUMMARY**

**FUND TYPE SUMMARY AS PROPOSED BY THE CITY MANAGER**  
for the 2019-21 Fiscal Year

Fund Type	2018-19		2019-21		Adopted Budget	Over (under)	Percent of Total Budget
	Adopted Budget	Revised Budget	Proposed Budget	Approved Budget		2018-19 Revised Budget	
General Fund	41,878,000	42,633,000	86,004,800	86,954,800	86,703,600	101.73%	24.87%

**APPROVED BUDGET**  
for the 2019-21 Biennium

**ADJUSTMENTS AS APPROVED BY THE BUDGET COMMITTEE**

The City Manager and the Budget Officer have the responsibility for preparing and presenting a proposed document to the City's Budget Committee that is balanced and consistent with the Council's policies. The Budget Committee met, reviewed the proposed budget along with more current information, and considered public input.

**RESOURCES:**

General fund: Resources increased \$950,000 to reflect an increase in life safety division fees and ambulance service fees.

Parks and Recreation fund: Increased by \$257,000, which includes a transfer of \$132,000 from the General Fund, as well as a \$126,000 increase in Maple Lawn preschool fees.

Capital Replacement fund: Increased by \$111,000, reflecting a transfer in of \$40,000 for interfund loan repayments; \$203,000 in equipment replacement charges; and a reduction in beginning fund balance of \$132,000.

Central Services fund: Increased a total of \$192,000, including a transfer in from the Capital Replacement fund of \$152,000, and interfund loan and equipment replacement charges of \$40,000.

**REQUIREMENTS:**

General fund: Increased \$950,000, including a transfer of \$132,000 to the Parks and Recreation fund; increases of \$125,000 in police personnel costs; \$40,000 in fire training costs; \$450,000 in fire personnel costs; and \$203,000 in equipment replacement.

Parks and Recreation fund: Increased \$257,000 to reflect an increase in expenditures related to the one-year operation of Maple Lawn preschool.

Capital Replacement fund: Increased \$111,000. This includes a \$203,000 contribution to equipment reserves; a reduction of \$244,000 in IT equipment reserves; and a \$152,000 transfer to the Central Services fund as a part of an interfund loan.

Central Services fund: Increased \$192,000, reflecting a contribution to reserves of \$152,000 and \$40,000 in transfers out to the Capital Replacement fund.

# PERSONNEL CHANGE REPORT

During FY 2018-2019, the following personnel adjustments were approved:

1. Added 3.0 FTE previously budgeted but unauthorized Firefighter/EMT positions in the Fire Department (100-25010)
2. Added 1.0 FTE Transportation Assistant position in the Public Works Operations Department (213-40110)
3. Reclassified 0.75 FTE Clerk II position to 1.0 FTE Recreation Programs Assistant and eliminated vacant 0.5 FTE Building Security/Custodial position, resulting in an overall reducing in staffing in the Parks and Recreation Department (202-50020)
4. Changed job title of vacant 1.0 FTE Engineering Technician IV position to Engineering Associate I in the Public Works Engineering & Community Development Department (705-40605)

With the above adjustments, the revised budgeted positions increased from 430.185 FTE to 433.935 FTE as of April 15, 2019.

The adopted budget for the 2019-2021 biennium includes 427.40 budgeted FTE for FY 2019-2020 and 420.2125 budgeted FTE for FY 2020-2021, a decrease of 13.7225 FTE over the biennium. The proposed changes by year are:

FY 2019-2020

Information Technology	-0.1000 FTE
Community Development	+0.3025 FTE
Police	-4.0000 FTE
Fire	-2.0000 FTE
Public Works	+1.0000 FTE
Parks & Recreation	-1.1000 FTE
Library	<u>-0.6375 FTE</u>
Total	-6.5350 FTE

FY 2020-2021

Finance	-0.4000 FTE
Information Technology	-0.6000 FTE
Police	-3.0000 FTE
Fire	-1.0000 FTE
Public Works	+1.0000 FTE
Parks & Recreation	<u>-3.1875 FTE</u>
Total	-7.1875 FTE

**Total for Biennium -13.7225 FTE**

The following personnel changes are included in the 2019-2021 adopted budget (*salary grade adjustments are included as a result of the 2018 Classification and Compensation/Equal Pay Study*):

**Unless otherwise indicated below, personnel changes are effective July 1, 2019.**

***10 - Finance***

##### Albany Municipal Airport (211-40000)

- Delete 1.0 FTE Utility Superintendent – Transportation position effective January 1, 2021 *(10% funded from this program)*
- Add 1.0 FTE Airport & Transit Manager position effective January 1, 2021 *(50% funded from this program)*

##### Albany Transit System (213-40100)

- Salary grade adjustments for these classifications:
  - Clerk III from A112 to A117 *(33% funded from this program)*
  - Transit Programs Supervisor from N221 to N225 *(50% funded from this program)*
- Delete 1.0 FTE Utility Superintendent – Transportation position effective January 1, 2021 *(15% funded from this program)*
- Add 1.0 FTE Airport & Transit Manager position effective January 1, 2021 *(16.7% funded from this program)*

##### Linn-Benton Transit Loop (213-40105)

- Salary grade adjustment for these classifications:
  - Clerk III from A112 to A117 *(33% funded from this program)*
  - Transit Programs Supervisor from N221 to N225 *(50% funded from this program)*
- Delete 1.0 FTE Utility Superintendent – Transportation position effective January 1, 2021 *(15% funded from this program)*
- Add 1.0 FTE Airport & Transit Manager position effective January 1, 2021 *(16.7% funded from this program)*

##### Paratransit System (213-40110)

- Salary grade adjustments for these classifications:
  - Clerk III from A112 to A117 *(34% funded from this program)*
  - Paratransit Services Supervisor from N219 to N221
- Delete 1.0 FTE Utility Superintendent – Transportation position effective January 1, 2021 *(15% funded from this program)*
- Add 1.0 FTE Airport & Transit Manager position effective January 1, 2021 *(16.6% funded from this program)*

##### Street Maintenance (250-40210)

- Add 1.0 FTE Street Maintenance Supervisor position effective January 1, 2021
- Transfer 0.35 FTE equivalent funding for Street Maintenance II positions to 625-40510

##### Street Administration (250-40205)

- Delete 1.0 FTE Utility Superintendent – Transportation position effective January 1, 2021 *(45% funded from this program)*

##### Wastewater Treatment Plant (601-40310)

- Salary grade adjustments for these classifications:
  - Treatment Facilities Operator from A131 to A137
  - Treatment Plant Supervisor from N226 to N227
- Transfer 50% of funding for 1.0 FTE Treatment Facilities Technician position to 601-40320 effective July 1, 2020

##### Water Reuse and Biosolids (601-40320)

- Transfer 50% of funding for 1.0 FTE Treatment Facilities Technician position from 601-40310 effective July 1, 2020

##### Wastewater Collection (601-40325)

- Transfer 2.65 FTE equivalent funding for Wastewater Maintenance II positions to 625-40510
- Salary grade adjustment for Wastewater Collections Supervisor classification from N226 to N227

##### Industrial Pretreatment (601-40330)

- Reclassify 1.0 FTE Lead Environmental Services Technician to Environmental Services Technician II effective July 1, 2020

##### Water Canal Maintenance (615-40425)

- Salary grade adjustment for Water Operations Supervisor classification from N226 to N227 *(50% funded from this program)*

##### Vine Street Water Treatment Plant (615-40415)

- Salary grade adjustments for these classifications:
  - Treatment Facilities Operator from A131 to A137
  - Treatment Plant Supervisor from N226 to N227 *(50% funded from this program)*

##### Water Distribution (615-40420)

- Salary grade adjustment for Water Operations Supervisor classification from N226 to N227 *(50% funded from this program)*

Albany-Millersburg Water Treatment Plant (615-40410)

- Salary grade adjustments for these classifications:
  - Treatment Facilities Operator from A131 to A137
  - Salary grade adjustment for Treatment Plant Supervisor from N226 to N227 (*50% funded from this program*)

Stormwater Operations (625-40510) [new program]

- Add 1.0 FTE Stormwater Quality Maintenance I position.
- Transfer 0.35 FTE equivalent funding for Street Maintenance II positions from 250-40210
- Transfer 2.65 FTE equivalent funding for Wastewater Maintenance II positions from 601-40325

Public Works Administration (705-40600)

- Salary grade adjustments for these classifications:
  - Clerk III from A112 to A117
  - Administrative Assistant from A121 to A123

# USER'S GUIDE

## A BRIEF TOUR OF ALBANY

### Location

The City of Albany is located in both Linn and Benton counties. It is the county seat of Linn County and has been called the “Hub of the Willamette Valley” due to its location at the junction of US Highways 99 and 20, and Interstate 5. Albany is 24 miles south of Salem, the Oregon state capital, and 69 miles south of Portland. Benton County is adjacent to and west of Linn County and is part of the Willamette Valley. The Willamette River forms the border between Linn and Benton counties. The city of Corvallis is the county seat of Benton County and is the largest city in the county. The second largest city in Benton County is the City of Albany.

### Population

Albany has a population of 53,145. Nearly 86 percent of the City’s population resides in Linn County, with the remainder in Benton County. The City came close to matching the record growth in population of the 1960s and 1970s (over 40 percent) in the 1990s, at around 39 percent. In the 2000s, the total increase was approximately 17 percent. The increases for the last six years are:

<u>As of</u>	<u>Population</u>	<u>% Change</u>
2014	50,710	0.4%
2015	50,720	0.0%*
2016	51,270	1.1%
2017	51,670	0.8%
2018	52,540	1.7%
2019	53,145	1.1%

Pacific Cast Technologies Inc	409,246
Wal-Mart Real Estate Business Trust	369,337
NW Natural Gas	360,834
Energ2 Inc	356,772

### *Major Employers*

Education, including Oregon State University (OSU), located in Corvallis; Linn-Benton Community College (LBCC), located in Albany and Corvallis; and Greater Albany Public School District 8J (GAPS), is the largest single source of employment in the Albany area. OSU is Oregon’s leading source of basic applied research in forestry, agriculture, fisheries, engineering, electronics, home economics, and the sciences for the development of human, land, atmospheric, and oceanic resources.

Rare metals provide the largest single source of employment within the city limits. The US Bureau of Mines, which opened a research facility in Albany in 1943, introduced rare metal technology. The primary private rare metal industrial plant in the area is Wah Chang, a subsidiary of Allegheny Technologies, along with their sister company Allvac Albany.

Dayton Hudson Corporation, dba Target Distribution Center, is also a major employer in the City. As a regional distribution center, it serves Target stores all over California, Oregon, Washington, Idaho, and Montana.

## **Government**

The City of Albany was founded in 1848, incorporated in 1864, and adopted a home rule charter in 1891. It operates under the provisions of its own Charter and applicable state law. It has a City Manager/Council form of government. The City Council consists of seven members who are elected by the citizens of Albany. Councilors are elected to serve overlapping four-year terms. There are three wards in the City. Two Councilors represent each ward. The Mayor is elected “at-large” by the entire City and serves a two-year term. The Mayor presides over all Council meetings and may vote only in the case of a tie. All Council members are part-time elected officials who exercise the legislative powers of the City and determine matters of policy.

The City of Albany provides a full range of municipal services including fire and police protection; street construction, maintenance and lighting; parks and recreation; library services; planning and zoning; and general administrative services. It also operates water and wastewater treatment plants, and maintains water and sewer systems.

## FUND STRUCTURE

The City budgets use seven fund types: General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Fund, Permanent Funds, Enterprise Funds, and Internal Services Funds.

For financial reporting purposes, governmental funds (General, Special Revenue, Capital Projects, Debt Service, and Permanent Funds) use a modified accrual method of accounting and proprietary funds (Enterprise and Internal Services Funds) use a full accrual method of accounting. For budget and long-term financial planning purposes, all funds are presented using a modified accrual basis.

### General Fund

The General Fund accounts for resources that are generally not dedicated for a specific purpose. Most services provided are basic to the everyday operation of a municipality.

#### Major Revenues

- Property tax
- Franchise fees
- Privilege tax
- Intergovernmental (federal, state)

#### Primary Services

- Police protection
- Fire protection
- Emergency medical services
- Planning
- Municipal court
- Library services

### Special Revenue Funds

These funds account for revenues that are to be used for a specific purpose. Most of the time, the revenues are obtained through a legal agreement and must be restricted for such purposes. An example is a gas tax for street improvements.

#### Major Revenues

- Property tax
- State gas tax
- State and federal grants
- Building fees and permits
- Intergovernmental (federal, state)
- Charges for services

#### Primary Services

- Street maintenance
- Parks & recreation services
- Building inspections
- ADA code enforcement
- Economic development
- Public transit

### Debt Service Funds

These funds account for the payment of principal and interest on bond issues. The revenues used to retire debt can come from taxes or other revenue sources.

#### Major Revenues

- Property tax
- Department charges
- Special assessments

#### Primary Services

- Payment of principal and interest on outstanding bonds.

### Capital Projects Fund

This fund is created to record all revenues and expenditures used to finance the building or acquisition of capital facilities.

#### Major Revenues

- Transfers from other funds
- Special assessments
- Federal and state grants

#### Primary Services

- Acquisition, construction, and improvement of City buildings, bridges, sewer and water, and road extensions.

### Permanent Funds

These funds are created to account for assets that have been given to the City, of which the City acts as trustee. The assets are legally restricted to the extent that only earnings, and not principal, may be used for the benefit of the government or its citizenry.

#### Major Revenues

- Endowments
- Gifts and donations

#### Primary Services

- To account for and spend monies in the manner for which they were granted.

## FUND STRUCTURE (cont.)

### **Enterprise Funds**

These funds are created to finance and account for acquiring, operating, and maintaining facilities and services that are self-supporting.

#### Major Revenues

- Charges for service
- Intergovernmental revenues
- Licenses and fees
- Assessments
- Development fees

#### Primary Services

- Water treatment and distribution
- Wastewater collection and disposal
- Wastewater and water infrastructure maintenance and improvements

### **Internal Services Funds**

These funds account for services furnished by one City department to other departments on a cost reimbursement basis.

#### Major Revenues

- Charges to other City departments

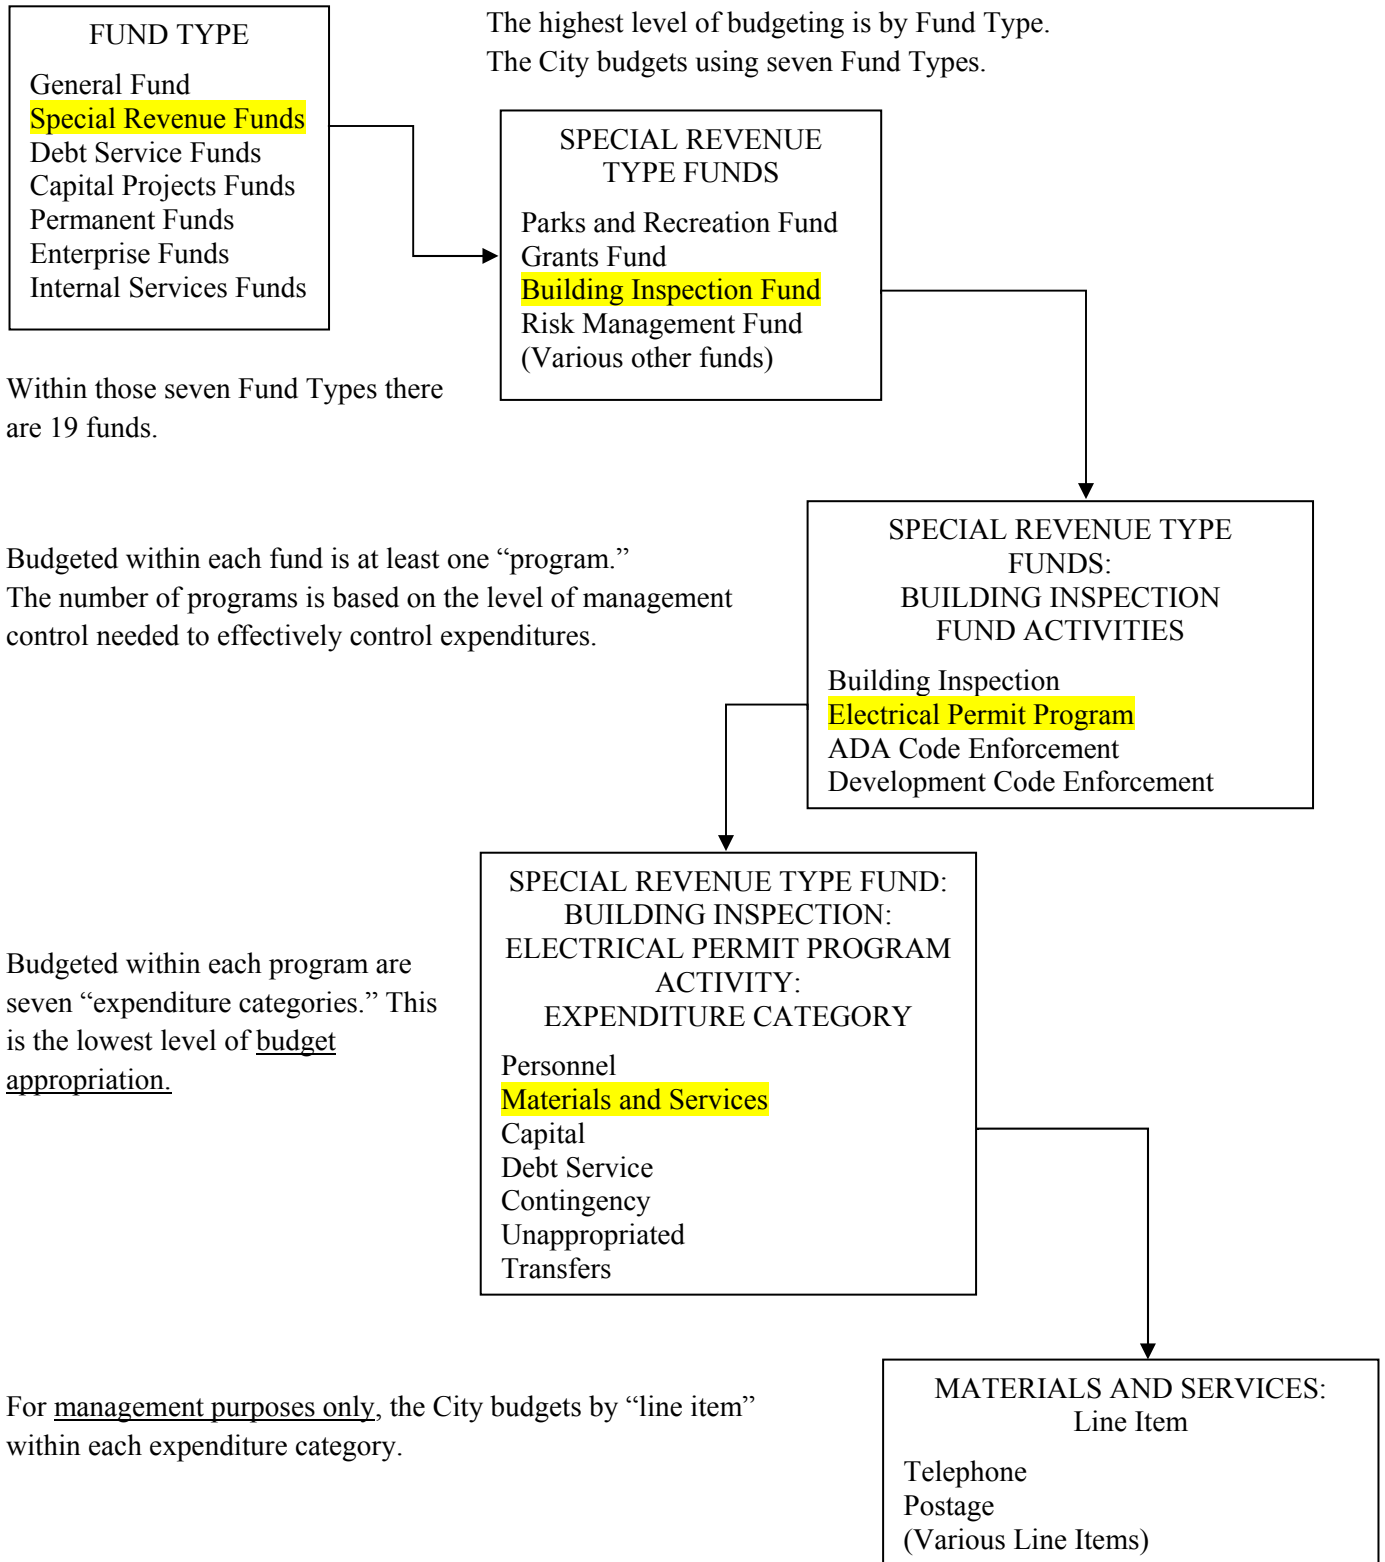

#### Primary Services

- General administrative services (e.g., City manager, finance, and legal)
- Human resources
- Information technology services
- Geographic information services
- Facilities maintenance
- Permit tracking services
- Public works administration
- General Fund Facility Maintenance Project

# USER'S GUIDE

## BUDGET DOCUMENT STRUCTURE

The City's budget document is organized into sections by fund type. Each fund type section contains summaries by fund and program. Each program is explained by its functions and responsibilities, strategies/actions, performance measures and workload indicators, staffing summary and three-year financial history.

## **CITY OF ALBANY BUDGET PROCESS**

The objective throughout the budgeting process is to strive to achieve the City's mission statement, which is "Providing quality public services for a better Albany." With this in mind, the City Council and management staff expand upon its mission and lay the groundwork for a detailed budget process. The City of Albany's budget process is driven primarily by four components: 1) revenue forecast, 2) Council's Strategic Plan themes, 3) departmental strategies/actions, and 4) Oregon Local Budget Law.

### **Revenue Forecast**

Toward the end of the calendar year, a five-year revenue forecast is prepared. This forecast takes into consideration such things as the current and future economic outlook, construction, population growth, and business growth in the City. These factors, as well as operational directives, will result in future demands for City services.

### **Council's Strategic Plan Themes**

Soon after the revenue forecast has been made, the City Council and Budget Committee meet during a work session to set policy and themes (goals) for the fiscal year beginning July 1. About this same time, the Council will be meeting with City staff to develop its five-year Capital Improvement Program, which will also aid in the development of department strategies.

### **Department Strategies/Actions**

After Citywide policy and themes have been developed, management and staff will formulate their current and future departmental strategies or actions. While prioritizing these strategies, City staff has to consider many factors, such as current workload or service demands, its revenue forecast, project schedules, current workforce staffing needs, and fixed assets.

## **Oregon Local Budget Law**

Chapter 294 of the Oregon Revised Statutes (ORS) governs budgeting in Oregon. The objectives are as follows:

- To provide standard procedures for preparing, presenting, and administering a district's budget.
- To encourage citizen participation in the preparation of and exposure to the budget before its adoption.

ORS 294 requires all taxing districts to file their budgets with the county no later than July 15 of the new fiscal year.

As an aid to taxing districts, the Oregon State Department of Revenue has broken down the budget process into nine steps. They are as follows:

1. *Appoint Budget Officer* - Every local government is required to have a budget officer, either appointed by the governing body or designated in its charter. The Albany City Council has chosen to designate the City's Finance Director as the Budget Officer.
2. *Prepare Proposed Budget* - With much of the groundwork laid by the City Council and various work sessions, City management and staff meet and prepare an estimate of revenues and expenditures for the upcoming fiscal year. The City Manager and Budget Officer meet with various departments in order to "balance" the budget as required by the Oregon Revised Statutes.
3. *Public Notice of Meeting* - Upon completion of the budget reviews, the proposed budget is prepared and a "Notice of Budget Committee Meeting" is advertised in the local newspaper. ORS 294 requires notice to be published at least twice, five to 30 days before the scheduled Budget Committee meeting date, separated by at least seven days.

## USER'S GUIDE

---

4. *Budget Committee Meets* - At the first formal Budget Committee meeting, the City Manager presents the budget message and the proposed budget document to the Committee for review. The Budget Committee may then meet as often as necessary with the public, until all citizen concerns are heard.
  5. *Budget Committee Approves Budget* - When the Budget Committee is satisfied that the budget will meet the needs of the citizens of Albany, it will approve the document and forward it to the City Council for adoption. The Budget Committee shall also approve a rate of total ad valorem property taxes to be certified for collection.
  6. *Notice of Hearing and Financial Summary* - After approval of the budget, a budget hearing must be held. The City Council must publish, by one or more of the methods described in ORS 294.311, a summary of the recommended budget and a notice of budget hearing five to 25 days before the scheduled hearing date. If the notice is posted instead of published in the newspaper, then a second posted notice is required eight to 14 days prior to the budget hearing.
7. *Budget Hearing Held* - The budget hearing must be held on the date advertised in the newspaper and must allow for public testimony on any aspect of the approved budget.
  8. *Adopt Budget, Make Appropriations, Levy Taxes* - The City Council may make changes to the budget during the budget hearing; however, there are limitations to these changes:
    - a. Taxes may not be increased over the amount approved by the Budget Committee.
    - b. Estimated expenditures in any fund may not be increased by more than \$5,000 or 10 percent, whichever is greater.

The City Council may do either of these only after publishing a revised financial summary and holding another budget hearing.

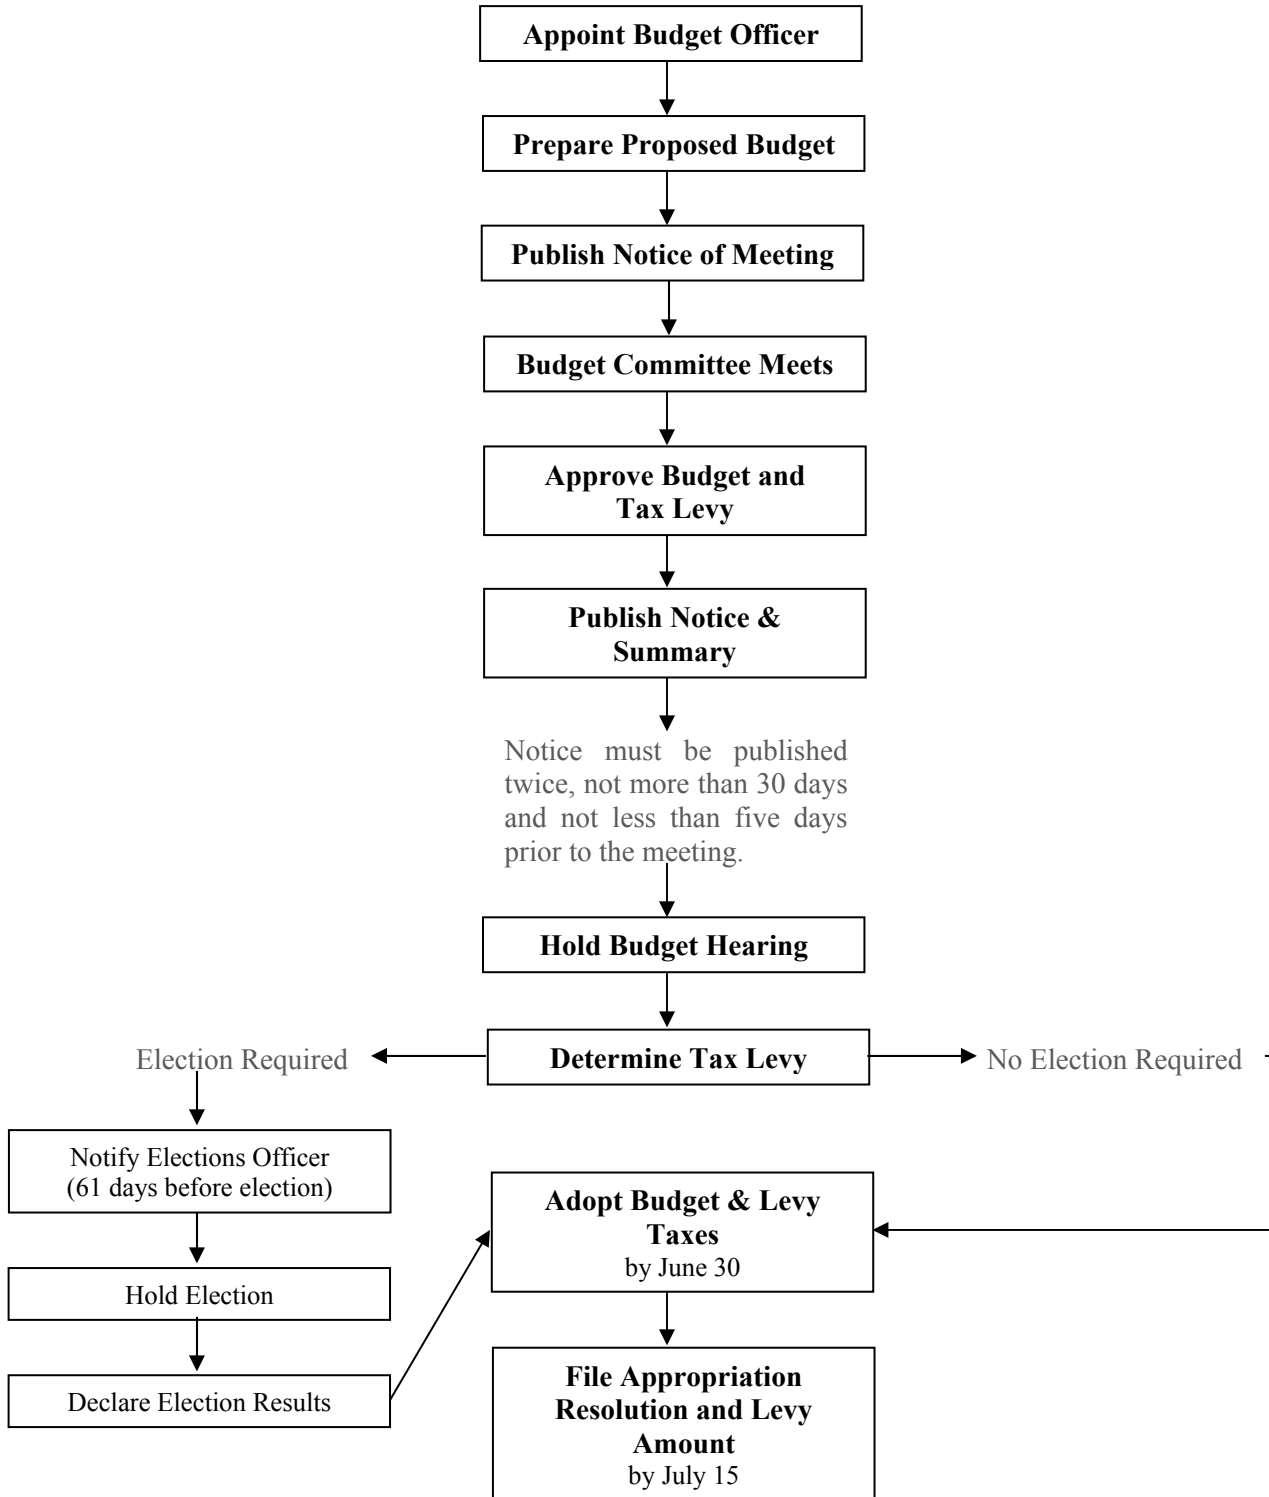

After considering any public testimony, the City Council will then adopt a resolution that appropriates expenditures, levies the ad valorem tax rate, and categorizes the levy. The resolution must be adopted by June 30 before the next fiscal year.

Included in the notice shall be a summary of the budget comparing the most recent preceding year's actual expenditures and budget resources, the current biennial budget summary with detail for each expenditure category (Personnel Services, Materials & Services, Capital Outlays, Debt Service, Transfers, and Operating Contingencies), the major resources for financing activities and significant changes from the current year, the estimated tax levy necessary to balance the budget and an analysis of tax levy and special levies for the ensuing years and current year, the time and place of the budget hearing, the basis of accounting used in the preceding and current years, and the place where the complete budget document can be inspected by the general public.

# USER'S GUIDE

9. *Submit Budget to Assessor* - The final step in the budget process is to file the budget and certify any necessary property tax levy to the Linn and Benton County Assessors.

## THE BUDGET PROCESS

### Supplemental Budget

During the fiscal year, circumstances may require expenses to be paid that were not budgeted or the City may receive unanticipated resources. A supplemental budget must be adopted and appropriated before any additional money can be spent. Supplemental budgets are good only through June 30 of the fiscal year in which they are adopted. Preparing a supplemental budget does not authorize the governing body to levy additional ad valorem taxes.

When the estimated expenditures contained in a supplemental budget differ by less than 10 percent of any one of the individual funds contained in the regular budget for that fiscal year, then the process used to adopt the supplemental budget is as follows:

1. The supplemental budget may be adopted by the Council at a regularly scheduled Council meeting. The Budget Committee is not required to convene.
2. Notice of the regular meeting at which the supplemental budget will be adopted must be published not less than five days before the meeting. The notice must include the name of each fund being adjusted and the amount of change in each fund's revenues and expenditures.
3. At the Council meeting a resolution adopting the supplemental budget and making appropriations may be approved.

When the supplemental budget will adjust any one of the individual funds in the current budget by 10 percent or more, then a different process must be used to adopt the supplemental budget. This process is described below:

1. A public hearing must be held to discuss and adopt the supplemental budget. The City Council holds the hearing. The Budget Committee is not required.
2. A "Notice of Hearing" of the proposed supplemental budget and a summary of the proposed supplemental budget must be published and posted not less than 5 days and not more than 30 days prior to the hearing.
3. The City Council may resolve to adopt and appropriate the supplemental budget at the hearing.

# City of Albany Budget Calendar

## Fiscal Years 2019-2021

Last update 06-20-2019

Date	Albany City Council	COA Budget Committee	Staff
Jan 24, 2019, 6:30 p.m.		Work Session

# USER'S GUIDE

---

## BUDGET ASSUMPTIONS

During the initial phase of the budget process, the Finance Department compiles the Budget Planning Resource Guide. This manual provides the budget calendar, guidelines for budget worksheets, assumptions to include when formulating a program budget, and samples of budget forms. The rates provided below assist in the formulation of economic and personnel expenditures and revenues.

### Economic

- **Interest:** The average rate of return for City investments will be 2.0 percent.
- **Assessed Value Growth:** The assessed value of property within the City of Albany will increase by 3.0 percent.

### Personnel

- **Salaries:** Salaries will be adjusted per union contracts (e.g., Fire, Police, and AFSCME bargaining units).
- **PERS:** The cost per employee for retirement benefits for the Public Employee Retirement System (PERS) will be calculated at 33 percent of the monthly salary.
- **PERS Pick-Up:** The City of Albany will continue the PERS pick-up of six percent.
  - **Health Benefits:** An increase in health insurance premiums will be calculated at 17.8 percent.

## REVENUE TRENDS AND ASSUMPTIONS

### General Fund

- The Local Option Public Safety Levy for this budget will continue to be impacted by compression. The City's permanent tax rate will be \$6.3984/\$1,000 valuation.

### Special Revenue Funds

- New housing and commercial development is growing slowly.
- The City will continue to receive state revenue sharing funds at a slightly higher level than the prior year.

### Capital Projects Funds

- The budget will reflect the total estimated capital projects that will be initiated in the fiscal year.

### Enterprise Funds

- Sewer rates will increase 3.5 percent on July 1, 2019; an additional 3.5 percent increase is expected on July 1, 2020.
- Water rates will increase 5 percent on January 1, 2020; an additional rate increase of 5 percent is anticipated on January 1, 2021.
- Stormwater rates will increase 17 percent on March 1, 2020, with an expected increase of 17 percent on March 1, 2021.

# POLICIES

**City of Albany**  
Finance Policy  
Policy #: F-07-08-008  
Title: Financial Policies

## **I. POLICY STATEMENT**

It is the policy of the City of Albany to actively manage financial, operational, and budgetary affairs within established guidelines in order to maintain financial stability both now and in the future.

## **II. GENERAL GUIDELINES**

1. The City Manager and department directors are charged with achieving the themes, goals, and objectives adopted by the City Council in the City's Strategic Plan.
2. The implementing document for the Strategic Plan is the annually adopted budget. The adopted budget establishes types and levels of services through both operating and capital budgets. The relationships between the operating and capital budgets will be explicitly recognized and incorporated into the budget process. Resources will be identified to provide designated levels of service, and maintenance or enhancement of related capital and fixed assets.
3. The City will actively measure performance and pursue process improvements to enhance productivity and maximize resources.
4. Adequate reserves will be maintained for all known liabilities, including employee leave balances and explicit post employment benefits.
5. The City will actively seek partnerships with private interests and other government agencies to achieve common policy objectives, share the costs of providing local services, and support favorable legislation at the state and federal levels.
6. The City will seek out, apply for, and effectively administer federal, state, and foundation grants-in-aid that address the City's priorities and objectives.

## **III. REVENUES**

1. The City will actively identify and administer funding sources that create a reliable, equitable and diversified revenue stream to shelter the City from short-term fluctuations in any single revenue source and to maintain desired levels of services.
2. Revenues will be conservatively estimated in the budget process.
3. Target fund balances for operating budgets will range between 5 and 15 percent of operations.
4. The City will consider full cost recovery and comparable rates charged by other municipalities of similar size in establishing rates, fees, and charges.
5. The City will follow an aggressive policy of collecting revenues.
6. Enterprise and internal service funds are intended to be self-supporting.

## **IV. EXPENDITURES**

1. The City will identify priority services, establish appropriate service levels, and administer the expenditure of available resources to assure fiscal stability and the effective and efficient delivery of services.

2. The City will operate on a current funding basis. Expenditures will be monitored on an ongoing basis so as not to exceed current revenues and targeted fund balances.
3. The City Manager will take immediate corrective actions if at any time during a fiscal year revised revenue and expenditure estimates project a year-end deficit. Mitigating actions may include a hiring freeze, expenditure reductions, fee increases,
 

or use of contingencies. Actions to be avoided include expenditure deferrals into the following fiscal year, short-term loans, and use of one-time revenues to support ongoing operations.
4. Target contingencies for operating budgets will range between 5 and 15 percent of operations.
5. Internal service charges and project accounting should be used when service recipients and parameters of a project can be easily identified. The charges should be based on methodologies that fairly allocate the full cost of services. The Finance Director shall review the methodologies on a periodic basis to verify that they are consistent with federal guidelines and Oregon Local Budget Law.
6. The City Manager will undertake ongoing staff and third-party reviews of City programs to measure efficiency and effectiveness. Privatization and contracting with other governmental agencies will be evaluated as alternatives to in-house service delivery. Programs that are determined to be inefficient and/or ineffective shall be reduced in scope or eliminated.

**V. CAPITAL IMPROVEMENT PROGRAM (CIP)**

1. The City will monitor and periodically assess the City's capital equipment and infrastructure, setting priorities for its renovation and replacement based on needs and available resources.
2. The City will develop a multi-year program for capital improvements that will be reviewed annually in the budget process.
3. Projects in the CIP will be flagged as either funded or unfunded depending on whether or not the forecasted operating budget can support or fund the project. All funded projects are included in the operating budget for the corresponding budget year.
4. The City will maintain its physical assets at a level adequate to protect the City's capital investment and minimize future maintenance and replacement costs. The budget process will provide for review of maintenance and orderly replacement of capital assets from current revenues where possible.

**VI. CAPITAL ASSETS**

1. Capital assets are non-consumable assets with a purchase price of \$10,000 or greater and a useful life of more than one year. The capitalization threshold for federally reimbursed items is \$5,000.
2. The Finance Department will oversee a physical count/inspection of all capital assets at least on a biennial basis. All additions, deletions, and depreciation of infrastructure will be reported consistent with the requirements of the Government Accounting Standards Board Statement Number 34.
3. Adequate insurance will be maintained on all capital assets.

## **VII. DEBT**

1. The City will generally limit long-term borrowing to capital improvements.
2. The City will follow a policy of full disclosure on every financial report, official statement, and bond prospectus.
3. The City Manager will ensure that continuing disclosure policies and procedures are in place and include the following:
  - a. The City's bond counsel will advise the City in developing appropriate policies and procedures.
  - b. The Finance Director is primarily responsible for meeting all post-issuance and continuing disclosure requirements of all bonds issued by the City.
  - c. The Finance Director will participate in timely and appropriate training to be familiar with any changes in continuing disclosure requirements.
  - d. Records will be maintained to substantiate compliance for three years after securities have matured.
  - e. The City will take timely steps to correct any instances of noncompliance.
4. The City will strive to maintain its high bond ratings, currently AA- from Standard & Poor's and Aa3 from Moody's, and will receive credit ratings on all its bond issues.
5. General obligation debt will not be used for self-supporting enterprise activities unless the activity provides a community-wide benefit.
6. The City shall ensure that its general obligation debt margins are within the 3% true cash value limitation as set forth in ORS Section 287.004.
7. Funding strategies that are necessary to support debt obligations should be implemented prior to debt payments becoming due so that debt obligations can be met from current revenues.
8. The City will use voter-approved general obligation debt to fund general-purpose public improvements that cannot be financed from current revenues. Special purpose debt including certificates of participation, revenue bonds, and loans will be linked to specific funding sources.

## **VIII. Grants**

1. Community organizations that desire financial support from the City must submit a Community Grant application no later than March 1 in order to be considered for funding in the next budget year. Applications will be reviewed by the department director assigned by the City Manager. Primary consideration will be given to requests that further the goals and objectives in the Strategic Plan. Applications that are approved by the department director and City Manager shall be included in the Proposed Budget to be considered by the Budget Committee and City Council.

Any recipient of a Community Grant shall submit an accounting of how the funds were expended and the benefits achieved as required by City Council Resolution No. 5089. Recipients of grants greater than \$100,000 must also submit an independent review of financial policies and procedures related to the grant proceeds no later than six months following the end of the fiscal year in which the funds were granted.

Notwithstanding the above, community organizations and events funded with transient lodging tax revenues will follow the guidelines set forth in Finance Policy F-12-11-001 as currently adopted or amended.

2. City departments are encouraged to seek grants and other financial support from private, nonprofit, and government agencies that would supplement City resources in meeting adopted goals and objectives. Grants that are available on an annual basis should be included in the proposed budget and do not require further City Council action once the budget is adopted, unless required by the granting agency. The City Manager is responsible to oversee other grant applications. All awarded grants must be accepted and appropriated by resolution of the City Council as required by Oregon Local Government Budget Law (ORS 294.326(3)).

**IX. ACCOUNTING, AUDITING, AND FINANCIAL REPORTING**

1. The Finance Department is responsible to see that all accounting, auditing, and financial reporting comply with prevailing federal, state, and local statutes and regulations including generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants (AICPA), and the Government Finance Officers Association (GFOA).
2. The Finance Department will conduct periodic internal audits of financial procedures such as cash handling, purchasing, and accounts payable to test internal controls and to detect instances of fraud or abuse. The Finance Director shall establish locations and limits for petty cash, purchase cards, and other cash and purchasing procedures consistent with operational needs, GFOA best practices, and Oregon Administrative Rules and Revised Statutes.
3. The City will seek out and contract for the assistance of qualified financial advisors, consultants, and auditors in the management and administration of the City’s financial functions.
4. The City Council will be provided monthly financial reports of revenues and expenditures.
5. A complete independent audit will be performed annually.
6. The City will issue annual financial reports in accordance with generally accepted accounting principles (GAAP) as outlined in the Governmental Accounting, Auditing, and Financial Reporting (GAAFR) publication.
7. The City will annually seek the GFOA Certificate of Achievement for Excellence in Financial Reporting and the GFOA Distinguished Budget Presentation Award.

## **I. INTRODUCTION**

The City of Albany, (hereinafter referred to as "Albany" or "City") was founded in 1848. Albany is the eleventh largest city in the state of Oregon, and is the county seat of Linn County. Albany has a home rule charter and is a Council-Manager form of government where the full time appointed City Manager administers the day-to-day operations and is the chief administrative officer of the City.

The average monthly balance of funds invested in the City's general portfolio and project funds is between \$70,000,000 and \$90,000,000. The highest balances occur when taxes are collected.

## **II. GOVERNING BODY**

It is the policy of the City of Albany that the administration of its funds and the investment of those funds shall be handled with the highest public trust. Investments shall be made in a manner that will assure security of principal. Parameters will be set to limit maturities and increase diversification of the portfolio while meeting the daily cash flow needs of the City and conforming to all applicable state and City requirements governing the investment of public funds. The receipt of a market rate of return will be secondary to safety and liquidity requirements. It is the intent of the City to be in complete compliance with local, state, and federal law. The earnings from investments will be used in a manner that best serves the public trust and interests of the City.

## **III. SCOPE**

This policy applies to activities of the City of Albany with regard to investing the financial assets of all funds. Funds held by trustees or fiscal agents are excluded from these rules; however, all funds are subject to regulations established by the state of Oregon.

The City commingles its daily cash into one pooled investment fund for investment purposes of efficiency and maximum investment opportunity. The following funds, and any new funds created by the City, unless specifically exempted by the City Council and this policy, are defined in the City's Comprehensive Annual Financial Report:

- General Fund
- Special Revenue Funds
- Debt Service Funds
- Capital Projects Funds
- Enterprise Funds
- Internal Service Funds
- Permanent Funds

These funds will be invested in compliance with the provisions of all applicable Oregon Revised Statutes (ORS). Investments of any tax-exempt borrowing proceeds and any related Debt Service funds will comply with the arbitrage restrictions in all applicable Internal Revenue Codes.

## **IV. OBJECTIVES AND STRATEGY**

It is the policy of the City that all funds shall be managed and invested with three primary objectives, listed in the following order of priority:

### **1. Safety of Principal**

- Safety of principal is the foremost objective of the City. Investments of the City shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio.
- Diversification of the portfolio will include diversification by maturity and market sector and will include the use of multiple broker/dealers for diversification and market coverage.

### **2. Liquidity**

The City's investment portfolio will remain sufficiently liquid to enable it to meet all operating requirements that might be reasonably anticipated.

### **3. Yield-Return**

The City's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the City's risk constraints and the cash flow of the portfolio. "Market rate of return" may be defined as the average yield of the current three-month U.S. Treasury bill or any other index that most closely matches the average maturity of the portfolio.

Effective cash management is recognized as essential to good fiscal management. Cash management is defined as the process of managing monies in order to ensure maximum cash availability. The City shall maintain a comprehensive cash management program that includes collection of accounts receivable, prudent investment of its available cash, disbursement of payments in accordance with invoice terms, and the management of banking services.

## **V. STANDARDS OF CARE**

### **1. Delegation of Investment Authority**

- a. Investment Officer. The Finance Director, acting on behalf of the City Council, is designated as the Investment Officer of the City and is responsible for investment management decisions and activities. The Council is responsible for considering the quality and capability of investment advisors and consultants involved in investment management and procedures. All participants in the investment process shall seek to act responsibly as custodians of the public trust.

The Investment Officer and those delegated investment authority under this policy, when acting in accordance with the written procedures and this policy, and in accord with the Prudent Person Rule, shall be relieved of personal responsibility and liability in the management of the portfolio.

- b. Investment Advisor. The City may enter into contracts with external investment management firms on a non-discretionary basis.

If an investment advisor is hired, the adviser will serve as a fiduciary for the City and comply with all requirements of this Investment Policy. Exceptions to the Investment Policy must be disclosed and agreed upon in writing by both parties. The Investment Officer remains the person ultimately responsible for the prudent management of the portfolio.

- c. Staff Designation. The Investment Officer shall designate a staff person as a liaison/deputy in the event circumstances require timely action and the Investment Officer is not available.

## **2. Prudence**

The standard of prudence to be used in the investment function shall be the "prudent person" standard and shall be applied in the context of managing the overall portfolio. This standard states:

*"Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the expected income to be derived."*

## **3. Ethics and Conflict of Interest**

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees, officers, and their families shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the City. Officers and employees shall, at all times, comply with the state of Oregon Government Ethics as set forth in ORS 244.

# **VI. AUTHORIZED FINANCIAL INSTITUTIONS**

## **1. Broker/Dealer Approval Process**

The Investment Officer shall maintain a list of all authorized brokers/dealers and financial institutions that are approved for investment purposes or investment dealings. Any firm is eligible to make an application to the City of Albany and upon due consideration and approval will be added to the list. Additions and deletions to the list will be made at the discretion of the Investment Officer.

At the request of the City of Albany, the firms performing investment services shall provide their most recent financial statements or Consolidated Report of Condition for review. Further, there should be in place, proof as to all the necessary credentials and licenses held by employees of the brokers/dealers who will have contact with the City of Albany as specified by, but not necessarily limited to the Financial Industry Regulatory Authority (FINRA), Securities and Exchange Commission (SEC), etc. The Investment Officer shall conduct an annual evaluation of each firm's credit worthiness to determine if it should remain on the list.

All dealers with whom the City transacts business will be provided a copy of this Investment Policy to ensure that they are familiar with the goals and objectives of the investment program.

If the City hires an investment advisor to provide investment management services, the adviser is authorized to transact with its direct dealer relationships on behalf of the City. A list of approved dealers must be submitted to the investment officer prior to transacting business. The investment officer can assign the responsibility of broker/dealer due diligence process to the Adviser, and all

licensing information on the counterparties will be maintained by the Adviser and available upon request.

## **2. Investment Advisor**

An Investment Advisor may be selected through a competitive RFP process and must meet the following criteria:

- a. The investment adviser firm must be registered with the Securities and Exchange Commission (SEC) or licensed by the state of Oregon if assets under management are less than \$100 million.
- b. All investment advisor firm representatives conducting investment transactions on behalf of the City must be registered representatives with FINRA.
- c. All investment advisor firm representatives conducting investment transactions on behalf of the City must be licensed by the state of Oregon. Factors to be considered when hiring an investment advisory firm may include, but are not limited to:
  - i. The firm's major business
  - ii. Ownership and organization of the firm
  - iii. The background and experience of key members of the firm, including the portfolio manager expected to be responsible for the City's account
  - iv. The size of the firm's asset base, and the portion of that base which would be made up by the City's portfolio if the firm were hired
  - v. Management fees
  - vi. Cost analysis of the adviser
  - vii. Performance of the investment advisory firm, net of all fees, versus the Local Government Investment Pool over a given period of time

## **3. Financial Bank Institutions**

All financial banks that provide bank deposits, certificates of deposits or any other deposit of the bank to the City must either be fully covered by the FDIC or the bank must be a participant of the Public Funds Collateralization Program (PFCP). ORS Chapter 295 governs the collateralization of Oregon public funds and provides the statutory requirements for the PFCP. Bank depositories are required to pledge collateral against any public fund deposits in excess of deposit insurance amounts. The PFCP provides additional protection for public funds in the event of a bank loss.

## **4. Competitive Transactions**

The Investment Officer will obtain telephone, faxed or emailed quotes before purchasing or selling an investment. The Investment Officer will select the quote which best satisfies the investment objectives of the investment portfolio within the parameters of this policy. The Investment Officer will maintain a written record of each bidding process including the name and prices offered by each participating financial institution.

The investment advisor must provide documentation of competitive pricing execution on each transaction. The adviser will retain documentation and provide upon request.

## **VII. Safekeeping and Custody, Controls**

### **1. Safekeeping and Custody Securities**

The laws of the state and prudent treasury management require that all purchased securities be bought on a delivery versus payment basis and be held in safekeeping by the City, an independent third-party financial institution, or the City's designated depository.

All safekeeping arrangements shall be designated by the Investment Officer and an agreement of the terms executed in writing. The approved broker/dealer or investment advisor shall provide the City with a confirmation ticket listing the specific instrument, issuer, coupon, maturity, CUSIP number, purchase or sale price, transaction date, and other pertinent information. The broker/dealer which executes the transaction on the City's behalf shall deliver all securities on a delivery versus payment method to the designated third party trustee at the direction of the Investment Officer.

### **2. Safekeeping of Funds at Bank Depositories**

The City may hold bank deposits or certificates of deposits at banks qualified under ORS 295.

### **3. Accounting Methods**

The City shall comply with all required legal provisions and Generally Accepted Accounting Principles (GAAP). The accounting principles are those contained in the pronouncements of authoritative bodies including but not necessarily limited to, the Governmental Accounting Standards Board (GASB); the American Institute of Certified Public Accountants (AICPA); and the Financial Accounting Standards Board (FASB).

### **4. Pooling of Funds**

Except for cash in certain restricted and special funds, the City will consolidate balances from all funds to maximize investment opportunities. Investment income will be allocated to the various funds based on their respective participation and in accordance with Generally Accepted Accounting Principles.

### **5. Internal Controls**

The City will maintain a structure of internal controls sufficient to assure the safekeeping and security of all investments. All out of compliance situations under this policy will be corrected and brought into compliance as soon as prudently possible.

The Investment Officer shall develop and maintain written administrative procedures for the operation of the investment program that are consistent with this investment policy. Procedures will include reference to safekeeping, wire transfers, banking services contracts, and other investment-related activities.

The Investment Officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials and staff. No officer or designee may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Investment Officer and approved by the Council.

## VIII. AUTHORIZED AND SUITABLE INVESTMENTS

### 1. Authorized Investments

All investments of the City shall be made in accordance with Oregon Revised Statutes: ORS 294.035 (Investment of surplus funds of political subdivisions; approved investments), ORS 294.040 (Restriction on investments under ORS 294.035), ORS 294.052 (Definitions; investment by municipality of proceeds of bonds), ORS 294.135 (Investment maturity dates), ORS 294.145 (Prohibited conduct for custodial officer), ORS 294.805 to 294.895 (Local Government Investment Pool). Any revisions or extensions of these sections of the ORS shall be assumed to be part of this Investment Policy immediately upon being enacted.

### 2. Suitable Investments

The City will diversify investments across maturities, security types and institutions to avoid incurring unreasonable risks. The City has further defined the eligible types of securities and transactions as follows:

**U.S. Treasury Obligations:** Direct obligations of the United States Treasury whose payment is guaranteed by the United States. [ORS Section 294.035(3)(a)]

**US Agency Obligations - Primary:** Senior debenture obligations of US federal agencies and instrumentalities or U.S. government sponsored enterprises (GSE) that have actively traded markets and provide a higher level of liquidity. These include: Federal National Mortgage Association (FNMA), the Federal Home Loan Mortgage Corporation (FHLMC), Federal Home Loan Banks (FHLB), and the Federal Farm Credit Bureau (FFCB).

**US Agency Obligations - Secondary:** Other US government sponsored enterprises that are less marketable are considered secondary GSEs. They include, but are not limited to: Private Export Funding Corporation (PEFCO), Tennessee Valley Authority (TVA), Financing Corporation (FICO) and Federal Agricultural Mortgage Corporation, (Farmer Mac).

**Municipal Bonds:** Lawfully insured debt obligations of the States of Oregon, California, Idaho, and Washington and political subdivisions of those states if the obligations have a long-term rating on the settlement date of AA- or better by S&P or Aa3 or better by Moody's. In the case of a split rating, the lowest rating of these two rating agencies will be used.

**Corporate Bonds:** Corporate indebtedness must be rated on the settlement date Aa3 or better by Moody's Investors Service or AA- or better by S&P [ORS Section 294.035 (3) (B)]. In the case of a split rating, the lowest rating will be used.

**Commercial Paper:** Commercial Paper\* that is rated A1+/P1 and has long term bonds which have a minimum rating of AA- by Standard and Poor's and Aa3 by Moody's. In the case where both rating agencies provide ratings on the corporation, the lowest rating will be used.

**Bank Time Deposit/Savings Account:** Time deposit open accounts or savings accounts in insured institutions as defined in ORS Section 706.008, in credit unions as defined in ORS Section 723.006 or in federal credit unions, if the institution or credit union maintains a head office or a branch in this state [ORS Section 294.035(3)(d)].

**Certificates of Deposit:** Certificates of deposit in insured institutions as defined in ORS Section 706.008, in credit unions as defined in ORS Section 723.006, or in federal credit unions, if the institution or credit union maintains a head office or a branch in this state [ORS Section 294.035(3)(d)].

**Bankers' Acceptance:** A short-term credit investment created by a non-financial firm and guaranteed by a qualified financial institution\* whose long-term letter of credit rating is at least AA- by Standard and Poor's or Aa3 by Moody's at the time of purchase. [ORS 294.035(3)(h)(A)]

**Oregon Intermediate Fund:** The Oregon Local Government Intermediate Fund (OLGIF) is a commingled investment pool for local governments offered by Oregon State Treasury due to Legislation HB2140 and pursuant to ORS Chapter 294. OLGIF provides qualified local government participants with a vehicle to invest assets over an intermediate time horizon (three to five years).

**Local Government Investment Pool:** State Treasurer's local short-term investment fund up to the statutory limit per ORS Section 294.810.

\*For the purposes of this paragraph, "qualified financial institution" means: (i) A financial institution that is located and licensed to do banking business in the State of Oregon; or (ii) A financial institution that is wholly owned by a financial holding company or a bank holding company that owns a financial institution that is located and licensed to do banking business in the State of Oregon [ORS Section 294.035(3)(h)].

### **3. Collateralization**

Time deposit open accounts, Certificates of Deposit and savings accounts shall be collateralized through the Public Funds Collateralization Program in accordance with ORS Section 295.018. All depositories must be on the State of Oregon's qualified list. Additional collateral requirements may be required if the Investment Officer deems increased collateral is beneficial to the protection of the monies under the City's management.

## **IX. INVESTMENT PARAMETERS**

### **1. Diversification**

The City will diversify the investment portfolio to avoid incurring unreasonable risks, both credit and interest rate risk, inherent in over investing in specific instruments, individual financial institutions or maturities.

**DIVERSIFICATION CONSTRAINTS ON TOTAL HOLDINGS:  
LIQUIDITY AND CORE FUNDS\***

<b>Issue Type</b>	<b>Maximum % Holdings</b>	<b>Maximum % per Issuer</b>	<b>Ratings S&amp;P</b>	<b>Ratings Moody's</b>
US Treasury Obligations	100%	None	N/A	N/A
US Agency Primary Securities FHLB, FNMA, FHLMC, FFCB	100%	33%	N/A	N/A
US Agency Secondary Securities FICO, FARMER MAC etc.	10%	10%	Security must be rated	Security must be rated
Municipal Bonds (OR, CA, ID, WA)	10%	5%	AA-	Aa3
Corporate Bonds	20%	5%	AA-	Aa3
Commercial Paper	10%	5%	A1+	P1
Bank Time Deposits/Savings Accounts	20%	10%	Oregon Public Depository	Oregon Public Depository
Certificates of Deposit	10%	5%	Oregon Public Depository	Oregon Public Depository
Banker's Acceptance	10%	5%	A1+ AA-Underlying	P1 Aa3 Underlying
Oregon Intermediate Fund	10%	None	N/A	N/A
Oregon Short Term Fund	Maximum allowed per ORS 294.810	None	N/A	N/A

**2. Investment Maturity**

The City will not directly invest in securities maturing more than five (5) years from the date of purchase.

- a. The maximum weighted maturity of the total portfolio shall not exceed 1.5 years. This maximum is established to limit the portfolio to excessive price change exposure.
- b. Liquidity funds will be held in the State Pool or in money market instruments maturing six months and shorter. The liquidity portfolio shall, at a minimum, represent three months budgeted outflows.
- c. Core funds will be defined as the funds in excess of liquidity requirements. The investments in this portion of the portfolio will have maturities between 1 day and 5 years and will be only invested in high quality and liquid securities.

**Total Portfolio Maturity Constraints:**

<b>Minimum % of Total Portfolio</b>	
<b>Maturity Constraints</b>	
Under 30 days	10%
Under 1 year	25%
Under 5 years	100%
<b>Maximum of Total Portfolio in Years</b>	
<b>Maturity Constraints</b>	
Weighted Average Maturity	2.00
<b>Maximum % of Total Portfolio</b>	
<b>Security Structure Constraint</b>	
Callable Agency Securities	25%

Reserve or Capital Improvement Project monies may be invested in securities exceeding five (5) years if the maturities of such investments are made to coincide as nearly as practicable with the expected use of the funds

**3. Prohibited Investments**

The City shall not lend securities nor directly participate in a securities lending or reverse repurchase program. The purchase of derivatives and use of reverse repurchase agreements are specifically prohibited by this policy. The City shall not purchase mortgage-backed securities.

**X. POLICY COMPLIANCE AND PERFORMANCE EVALUATION**

**1. Compliance Report**

A compliance report shall be maintained quarterly to document the portfolio versus the investment policy.

**2. Compliance Measurement and Adherence**

- a. Compliance Measurement: Guideline measurements will use [par/market] value of investments.
- b. Compliance Procedures: If the portfolio falls outside of compliance with adopted investment policy guidelines or is being managed inconsistently with this policy, the Investment Officer shall bring the portfolio back into compliance in a prudent manner and as soon as prudently feasible.
- c. Violations of portfolio guidelines as a result of transactions; actions to bring the portfolio back into compliance and; reasoning for actions taken to bring the portfolio back into compliance shall be documented and reported to the City Council.
- d. Due to fluctuations in the aggregate surplus funds balance, maximum percentages for a particular issuer or investment type may be exceeded at a point in time. Securities need not be liquidated to realign the portfolio; however, consideration should be given to this matter when future purchases are made to ensure that appropriate diversification is maintained.
- e. As determined on any date that the security is held within the portfolio. If the credit rating of a security is subsequently downgraded below the minimum rating level for a new investment of that security, the Investment Officer shall evaluate the downgrade on a case-by-case basis in order to determine if the security should be held or sold. The Investment Officer will apply the general objectives of Safety, Liquidity, Yield, and Legality to make the

decision. If the City has hired the services of an Investment Advisor, the Investment Officer will act on the recommendation of the Adviser.

**3. Performance Measurement**

The performance of the City of Albany will be measured against the performance of the Local Government Investment Pool, using monthly net yield of both portfolios as the yardstick. Preservation of capital and maintenance of sufficient liquidity will be considered prior to attainment of market return performance. Given these considerations, the City's portfolio should provide a net yield that is equal or better to that attained by the Local Government Investment Pool over interest rate cycles.

Additionally, a market benchmark will be determined that is appropriate for longer term investments based on the City's risk and return profile. The investment advisor will provide return comparisons of the portfolio to the benchmark on a monthly basis. When comparing the performance of the City's portfolio, all fees and expenses involved with managing the portfolio shall be included in the computation of the portfolio's rate of return. This would include any in-house management of the funds, as well as outside management.

**XI. REPORTING REQUIREMENTS**

The Investment Officer shall submit quarterly and annual reports to the local governing board containing sufficient information to permit an informed outside reader to evaluate the performance of the investment program. More frequent reports may be provided when market conditions merit or if requested by the governing board.

Minimum quarterly reporting requirements for total portfolio:

- Earnings Yield
- Holdings Report (including mark to market)
- Transactions Report
- Weighted Average Maturity or Duration
- Compliance Report

**XII. INVESTMENT POLICY ADOPTION BY GOVERNING BOARD**

This investment policy will be formally adopted by the Albany City Council. The policy shall be reviewed on an annual basis by the Investment Officer and the Albany City Council. Material revisions to this policy will require a review by the Oregon Short Term Fund Board, pursuant to ORS.

**City of Albany**  
Finance Policy  
Policy #: F-08-08-007  
Title Risk Management:

## **I. POLICY STATEMENT**

It is the policy of the City of Albany to proactively identify and manage the inherent risks of providing municipal services. Potential losses will be mitigated through employee safety committees, loss prevention programs, property and liability insurances, workers' compensation, and employee health, life, and disability benefits.

## **II. GENERAL RESPONSIBILITIES**

The City Council has responsibility to set the control environment for the organization based on integrity and ethical values. The internal controls that support the control environment are tested on an annual basis by an independent auditor and reported to the City's Audit Committee.

Each employee of the City is responsible to contribute to a safe environment for all employees and the public. Employees should help identify and correct unsafe conditions and should follow all established safety laws, policies, and practices. In addition, employees have a responsibility to report any instance of fraud, waste, abuse, or unethical behavior to management or to the City Council.

The City Manager and department directors are responsible to protect the City of Albany's assets by identifying and managing risks. Primary objectives include containing costs, minimizing accidents and injuries to employees and the public, reducing the frequency and severity of property loss, and promoting a healthy employee workforce and working environment.

Department directors are responsible for managing the risks of operations in their respective departments. They ensure that effective safety and loss prevention programs are implemented and oversee the investigation of claims and losses.

Department directors coordinate their efforts with the Accounting Supervisor who acts as the City's Risk Manager. The Risk Manager is responsible for facilitating claims processing and working closely with third party property and liability insurers.

The City Manager may choose to retain professional advisors, consultants, insurers, brokers, and agents of record to assist the City in placing appropriate insurances and developing effective safety and loss prevention programs.

## **III. SPECIFIC RESPONSIBILITIES**

### **1. Human Resources Director.**

- a. Coordinate and promote city-wide employee wellness programs.
- b. Manage the City's worker's compensation and health insurance programs to contain costs and promote safety and wellness for employees and their families.

2. **Finance Director.**
  - a. Recommend appropriate levels of property and general liability insurance to the City Manager and City Council.
  - b. Coordinate periodic inventories of all property, buildings, equipment, vehicles, and other capital assets and verify that appropriate insurance is in place.
  - c. Maintain policies, bonds, and other legal documentation of insurance.
  - d. Provide an annual report to the City Council showing claims experience and the costs of insurance programs.
  
3. **Fire Chief.**
  - a. Conduct fire and life safety inspections of City facilities on a periodic basis according to the level of risk in each facility.
  - b. Verify that all facilities are in compliance with recognized fire code standards for fire and life safety.
  - c. Coordinate and promote city-wide safety awareness.
  
4. **City Attorney.**
  - a. Develop templates of contracts and leases which include language to identify and mitigate liability and other potential losses.
  - b. Notify the City Manager of changes in state statutes and common law that affect municipal liability.
  - c. Assist insurers in the investigation and settlement of claims against the City.
  - d. Review insurance and bond contracts.

#### IV. **RETAINING AND TRANSFERING RISK**

##### 1. **Reserve Account.**

A Risk Management Fund will be maintained with a working balance of up to \$2,000,000 for unforeseen catastrophic events and major deductibles. Each department will be responsible for claims and deductibles up to \$10,000 per incident resulting from losses in their respective operations.

##### 2. **Insurance Coverages.**

The following minimum policy limits and deductibles will be maintained:

###### **Property/Boiler & Machinery**

Limit:	Determined each year by the filed value of insured property.	
Deductibles:	Buildings/Contents	\$10,000
	Boiler & Machinery	\$10,000
	Mobile Equipment	\$10,000
	Earthquake	3% of value
		\$100,000 min
	Limit	\$50,000,000
	Flood	\$100,000
	Limit	\$10,000,000

###### **Tort Liability**

Limit:	\$5,000,000 per occurrence
	\$15,000,000 annual aggregate

###### **Auto Liability**

Limit:	\$5,000,000
--------	-------------

**Auto Physical Damage**

Deductibles: Comprehensive	\$1,000
Collision	\$1,000

**Senior Center Trips**

Limit:	\$5,250
--------	---------

**3. Self Insurance.**

The City shall self-insure to the extent it is more cost effective than commercial insurance and does not present unacceptable financial or other risks to the City.

**V. ALLOCATION OF INSURANCE COSTS**

Departments and programs that have dedicated revenue sources or are independent legal entities will be charged insurance costs specific to the risk exposures of the operations of those departments and programs.

Premiums and related costs for liability insurance, workers' compensation, and property insurance will be allocated to each department based on claims experience and risk exposure. Property insurance costs are allocated according to the specific properties used and operated by each department or program.

**VI. CONFIDENTIALITY OF RECORDS**

All personally identifiable and confidential information will be maintained in compliance with the Identity Theft Protection Policy, Finance Policy Number F-04-08. All employee medical records and long-term disability claims held by the City will be maintained in separate locked files and access will be controlled through the City Manager and Human Resources Departments.

*All police reports will be kept confidential unless the Albany Police Department and/or the City Attorney approve release.*

**VII. REPORTING PROPERTY/CASUALTY ACCIDENTS AND LOSSES**

1. Accidents and losses must be reported promptly and in accordance with prescribed procedures. The benefits of timely reporting include enhanced citizen confidence, better protection of the City's interests, reduced time lost for employees and equipment, and savings realized through prompt settlements.

Reports of general liability claims and automobile accidents should be immediately reported to the Risk Manager. The following information should be included in every report:

- a. Date, time, and location of accident or event
- b. Description of vehicle, equipment, or property involved
- c. Name(s) of person(s) involved
- d. Name(s) of person(s) injured
- e. Description of any medical attention received
- f. Nature of damage/loss and estimated cost
- g. Description of circumstances; diagram of events if possible
- h. Insurance Policy Numbers, Agents, and/or Agencies
- i. Name(s) and addresses of witnesses
- j. Appropriate signatures
- k. Copy of DMV report, if filed
- l. Copy of police report, if filed

In addition, procedures described in Human Resources Policy HR-SF-02-001 (Property Loss/Damage) must be followed.

2. The Risk Manager will process all accident/loss notices, except workers' compensation, and will notify the appropriate insurance company.
3. The Human Resources Department will file workers' compensation accident reports with the appropriate insurance company. Workers' compensation incidents will be processed in accordance with Human Resources Policy HR-SF-03-001 (Reporting On-the-Job Injuries).
4. Accidents of a serious nature and those occurring on weekends or holidays should be called in to the appropriate supervisor and followed up with the proper accident forms and information. The Risk Manager should be notified of the accident on the first day back to work.
5. As required by law, on-the-job injuries to employees that result in overnight hospitalization for treatment (not just observation), must be reported to OR-OSHA within twenty-four (24) hours of the injury. An on-the-job accident that results in the hospitalization of three or more employees, or in a fatality, must be reported to OR- OSHA within eight (8) hours of the accident. In either of these situations, the Human Resources Generalist or Human Resources Director should be notified immediately so they may make notification to OR-OSHA.

**VIII. REPORTS TO BE FILED**

1. All Property/Casualty claims reports will be filed with the Risk Manager.
2. Minutes of City Council meetings, safety meetings, and all other City committee meetings in which Risk Management policy or procedure decisions are made will be filed as appropriate.
3. Inspection reports when the building inspector or Fire Department inspects City premises will be filed with the Risk Manager or the Fire Department.
4. Long-term disability and life insurance claims and workers' compensation claims and reports will be filed with the Human Resources Department.

**IX. RISK MANAGER RECORDS**

The Risk Manager shall keep the following records:

1. An inventory of current locations, descriptions, and insurable values of all property/vehicles owned or leased by the City.
2. An insurance register, outlining all coverages in force and including premiums, policy numbers, servicing agents, terms of coverage, and expiration dates.
3. Premium payment and allocation records.
4. Claims filed and pending.
5. Loss records subdivided into property, liability, and other liability claims paid by the insurer under existing insurance policies.
6. Claim recoveries received from third parties who have damaged City property or who are reimbursing for City wages paid.

\*The fiscal year is represented for each year until 2019-2021, which represents the FY 2019-2021 biennium.

Table 6

**SCHEDULE OF RESTRICTED (R) AND UNRESTRICTED (U) RESERVES**

Adopted Budget for Fiscal Year 2019-21

An 'unrestricted reserve' is an appropriation which may be used for any legal purpose within the general instructions of the type of fund in which it is budgeted. For example, 'unrestricted reserve' in the Street Fund, a Special Revenue fund, can be used for any street-related purpose. A 'restricted reserve' can only be used for the specific purpose for which the reserve was established. Resources in the North Albany street reserve can be used only to maintain and replace streets in the North Albany area of the City.

Fund/Account#/Description	Reserved Amount	Description/Percent of Fund Budget
<b>GENERAL FUND</b>		
10010001-990000 Contingencies	2,303,600	U Designated for General Fund activities
Total General Fund	2,303,600	2.59% of General Fund budget
<b>PARKS &amp; RECREATION FUND</b>		
20250001-690000 Reserve: Operating	536,400	U Designated for Parks activities
20250001-690525 Reserve: Public Art	1,000	U Designated for Parks activities
20250505-900060 Reserve: Capital Projects	1,010,600	R Restricted to Parks SDC projects
20250510-690600 Reserve: Senior Center Foundation	55,300	R Restricted to Parks SDC projects
20250515-900520 Reserve: Parks Capital Projects	100,000	U Designated for Parks capital projects
Total Parks & Recreation Fund	1,703,300	8.75% of Parks & Recreation Fund budget
<b>GRANTS FUND</b>		
20320802-690100 Reserve: DOJ Equitable Sharing	58,100	R Restricted to Police
20320804-690100 Reserve: DOJ Equitable Sharing	5,600	R Restricted to Police
20320807-690100 Reserve: DOJ Equitable Sharing	31,500	R Restricted to Police
Total Grants Fund	95,200	2.76% of Grants Fund budget
<b>BUILDING FUND</b>		
20415005-690000 Reserve: Operating	100,000	U Designated for Building Inspection activities
20415005-900170 Reserve: Future Expenditures	1,114,800	U Designated for Building Inspection activities
20415010-690000 Reserve: Operating	40,000	U Designated for Building Inspection activities
20415010-900170 Reserve: Future Expenditures	93,800	U Designated for Building Inspection activities
Total Building Fund	1,348,600	18.7% of Building Fund budget
<b>RISK MANAGEMENT FUND</b>		
20810005-690560 Reserve: Risk Management	1,393,400	U Designated for potential risk management liabilities
20810005-690060 Reserve: CH2M Hill	1,500,000	U Designated for potential risk management liabilities
Total Risk Management Fund	2,893,400	42.07% of Risk Management Fund budget
<b>ECONOMIC DEVELOPMENT FUND</b>		
21111025-690260 Reserve: Infrastructure Proj	1,500,000	U Designated for Economic Development Opportunities
21111025-690520 Reserve: Partnerships	1,420,000	U Designated for Economic Development Opportunities
21140000-900160 Reserve: Facilities Maintenance	89,200	U Designated for airport facilities maintenance
21140005-900060 Reserve: Capital Projects	255,800	U Designated for airport capital projects
Total Economic Development Fund	3,265,000	24.68% of Economic Development Fund budget
<b>PUBLIC TRANSIT FUND</b>		
21340100-690000 Reserve: Operating	65,000	U Designated for Albany Transit operations
21340100-900040 Reserve: Bus Barn	245,000	U Designated for Albany Transit capital
21340105-690000 Reserve: Operating	27,600	U Designated for Loop operations
21340110-690000 Reserve: Operating	37,400	U Designated for Paratransit operations
Total Public Transit Fund	375,000	5.25% of Public Transit Fund budget
<b>CAPITAL REPLACEMENT FUND</b>		
21710015-900560 Reserve: Replacement	6,993,000	U Designated for equipment replacement
21713005-900560 Reserve: Replacement	1,630,400	U Designated for Fire Property Management Expenses
21740650-900040 Reserve: Bus Barn	64,800	U Designated for Public Works facilities replacement
21740650-900165 Reserve: Facilities Replacement	564,400	U Designated for Public Works facilities replacement
Total Capital Replacement Fund	9,252,600	51.28% of Capital Replacement Fund budget
<b>STREETS FUND</b>		
25040205-900060 Contingencies	370,600	U Designated for street capital projects
25040250-900060 Reserve: Capital Projects	1,854,900	U Designated for street capital projects
25040250-900505 Reserve: ODOT Safety Grant Match	30,000	U Designated for street capital projects
25040250-900850 Reserve: Waverly RH Land Mod Dep - WM	203,300	U Designated for street capital projects
25040255-900060 Reserve: Capital Projects	2,214,000	U Designated for capital projects
25040260-900060 Reserve: Capital Projects	822,000	U Designated for capital projects
25040265-900000 Reserve: Albany Transit	15,000	U Designated for capital projects
25040265-900060 Reserve: Capital Projects	1,200	U Designated for capital projects
25040265-900615 Reserve: Street Capital	135,900	U Designated for capital projects
Total Streets Fund	5,646,900	18.34% of Streets Fund budget
<b>DEBT SERVICE FUND</b>		
30110030-980000 Reserve: Debt Service	173,200	R Restricted to debt service
Total Debt Service Fund	173,200	8.48% of Debt Service Fund budget

Balance for July 1, 2020. Amounts held in reserve for future operating requirements, capital projects, debt and contingencies and unappropriated surplus total \$6,831,300, \$32,684,900, \$5,942,700, and \$5,053,600, respectively. The reserved amounts are included in the projected June 30, 2021, fund balance.

- (1) Operating expenditures less operating reserves.
- (2) Capital projects less capital reserves.
- (3) Debt service less debt reserves.
- (4) Contingency and Unappropriated Surplus

## DEBT MANAGEMENT

The City is subject to city charter and state constitutional limitations for issuing debt. Oregon Revised Statutes, Chapter 287 provides a debt limit of three percent (3%) of the True Cash Value of all taxable properties within city boundaries. Debt Service Schedule Tables 15-17 summarize the total principal and interest due on all debt of the City. Debt Service Table 18 presents Enterprise Fund revenue bond coverage information for the last 10 fiscal years.

### Debt Summary

Outstanding debt as of July 1, 2019:

Short-term	None
Long-term:	
Gross bonded debt (all debt with a General Obligation pledge)	
2015 General Obligation Public Facilities Bonds	\$ 16,355,000
Pledged from the general revenues of the City	
2002 Limited Tax Pension Obligations	4,769,604
Payable from unobligated, non-property tax revenues of the City	
2004 Revenue Obligations	175,000
2010 Wetlands Loan	564,107
2012 SRF ARRA Loan	1,250,000
2013 Water Revenue Bonds	22,515,000
2018 SRF Sewer Loans	41,736,200
Gross Debt (General obligation and general revenue and pledge)	\$ 71,009,911
Net direct debt (all debt paid in whole or in part by taxes)	\$ 16,355,000
Net overlapping debt as of June 30, 2019	140,281,204
Total net direct debt and overlapping debt	\$ 156,636,204

### Debt Ratios

		<u>Per Capita</u>	<u>Percent of True Cash Value</u>
2020 Population	53,145		
True Cash Value as of June 30, 2019	\$ 5,652,726,746	\$ 106,364.23	
Gross Bonded Debt	16,355,000	307.74	0.29%
Gross Debt including General Fund Obligations	71,009,911	1,336.15	1.26%
Overlapping Debt	140,281,204	2,639.59	2.48%
Net Direct (General Obligation) and Overlapping Debt	156,636,204	2,947.34	2.77%
Gross Debt and Overlapping Debt	211,291,115	3,975.75	3.74%

**COMPUTATION OF LEGAL DEBT MARGIN**

True Cash Value for the City of Albany (1)	\$ 5,652,726,746
3% Limitation	<u>3%</u>
General Obligation Debt Limit - 3% of True Cash Value	169,581,802
Gross bonded debt principal:	\$ 16,355,000
Net debt subject to 3% limitation	<u>16,355,000</u>
Legal Debt Margin for General Obligation Debt	<u><u>\$ 153,226,802</u></u>

**Historical Trend of Legal Debt Margin**

Source: Tax Rolls - Linn and Benton County Tax Assessors as of June 30, 2019

Oregon Revised Statutes Chapter 287 provides a debt limit of three percent (3%) of the true cash value of all taxable properties within City boundaries. Excluded from this limit are improvement bonds and sinking fund reserves. An increasing debt margin is a favorable trend which suggests that the true cash value of the City is rising as compared to outstanding general obligation debt.

**Debt Service Requirements, Summary by Funding Source**

**LONG-TERM DEBT AND SCHEDULE OF FUTURE DEBT SERVICE REQUIREMENTS****General Obligation Bonds**

General obligation bonds are direct obligations and pledge the full faith and credit of the City. The City issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities.

In May 2015, the voters approved \$18,000,000 of general obligation bonds to construct new police and fire facilities. The Series 2015 bonds were sold in August 2015. The bonds are payable from property taxes levied specifically for repayment. The interest rate ranges from 3 to 5 percent for the 20-year bonds. Final maturity is June 2035.

Years Ending June 30,	Principal	Interest	Totals
2020	520,000	588,075	1,108,075
2021	575,000	567,275	1,142,275
2022	625,000	544,275	1,169,275

2024	745,000	491,875	1,236,875
2025-2029	4,840,000	1,867,525	6,707,525
2030-2034	6,750,000	936,194	7,686,194
2035-2039	1,615,000	52,488	1,667,488
<b>Totals</b>	<b>\$ 16,355,000</b>	<b>\$ 5,566,982</b>	<b>\$ 21,921,982</b>

**Limited Tax Pension Obligations**

In March 2002, the City issued \$6,851,826 of Limited Tax Pension Obligations. Net proceeds in the amount of \$6,700,000 were used to finance a portion of the City's estimated unfunded liability in the Oregon Public Employees Retirement System. Debt service requirements are payable from available general funds, including taxes and other funds. Interest rates range from 2 percent to 7.36 percent for the 26-year bonds. Final maturity is June 2028.

Years Ending June 30,	Principal	Interest	Totals
2020	159,604	580,634	740,238
2021	460,000	315,785	775,785
2022	530,000	284,275	814,275
2023	600,000	247,970	847,970
2024	685,000	206,870	891,870
2025-2029	2,335,000	454,839	2,789,839
<b>Totals</b>	<b>\$ 4,769,604</b>	<b>\$ 2,090,373</b>	<b>\$ 6,859,977</b>

**General Revenue Obligations**

In December 2004, the City issued \$3,720,000 of general revenue obligations, secured and payable from any unobligated, non-property tax revenues legally available to the City, to finance the construction of a public swimming pool and repayment and/or defeasance of the City's Certificates of Participation, Series 1994. Interest rates range from 2 percent to 5 percent for the 15-year bonds. Final maturity is January 2020.

Years Ending June 30,	Principal	Interest	Totals
2020	175,000	7,000	182,000
<b>Totals</b>	<b>\$ 175,000</b>	<b>\$ 7,000</b>	<b>\$ 182,000</b>

**LONG-TERM DEBT AND SCHEDULE OF FUTURE DEBT SERVICE REQUIREMENTS****Water Revenue Bonds**

In March 2013, the City issued \$28,405,000 Full Faith and Credit Refunding Bonds, Series 2013, to refinance certain outstanding Water Revenue and Refunding Bonds, Series 2003, that financed and re-financed capital projects for the City's Water System, and to pay the costs of issuance of the bonds. The interest rate is 3.125 percent for the 20-year bonds. Final maturity is August 2033.

Years Ending June 30,	Principal	Interest	Totals
2020	1,100,000	833,694	1,933,694
2021	1,140,000	783,194	1,923,194

2028-2032	8,465,000	1,293,484	9,758,484
2033-2037	3,820,000	120,467	3,940,467
<b>Totals</b>	<b>\$ 22,515,000</b>	<b>\$ 6,587,677</b>	<b>\$ 29,102,677</b>

**State Revolving Fund (SRF) Loans, Sewer Fund**

The City received two loans totaling \$69,000,000 from the Clean Water State Revolving Fund to assist in the payment of costs of a new wastewater treatment plant. Loan repayment requirements are payable from the net revenues of the City's sewer system. Accrued interest was paid on April 1, 2010. At that time the debt service payment schedule was prepared. Interest rates range from 2.9 percent to 3.14 percent for the 20-year loan. In addition, there is an annual 0.5% loan fee due at the time of debt service payments. In the table below, the loan fee has been included in the interest requirements.

Years Ending June 30,	Principal	Interest	Totals
2020	3,654,097	923,147	4,577,244
2021	3,718,324	840,651	4,558,975
2022	3,783,680	756,703	4,540,383
2023-2027	19,939,650	2,471,752	22,411,402

<b>Totals</b>	<b>\$ 41,736,200</b>	<b>\$ 5,369,416</b>	<b>\$ 47,105,616</b>

**State Revolving Fund (SRF) ARRA Loans, Sewer Fund**

In 2010, the City received a \$4,000,000 loan from the Special Public Works Revolving Fund (SPWRF), which was funded by the American Recovery and Reinvestment Act (ARRA) to finance a portion of the costs of the Talking Water Garden Project. 50% of the loan is forgivable. Debt service requirements are payable solely from the net revenues of the City's sewer system. There is an annual fee of 0.5 percent on the outstanding loan balance, which is due at the time of debt service payments on the 20-year loan. In the table below, the loan fee has been included in the interest requirements. Final maturity is 2032.

Years Ending June 30,	Principal	Interest	Totals
2020	100,000	6,250	106,250

**Enterprise Funds Bond Coverage**

# GENERAL FUND

## **GENERAL FUND**

### **PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS**

#### **PROGRAM FUNCTIONS**

The General Fund is used to account for all financial resources except those accounted for in another fund. The City has one General Fund. General Fund programs include:

##### **Administration**

Expenditures which cannot be attributed to other General Fund programs are accounted for in this program. City Hall building maintenance charges are expected to be \$1,181,400. Major interfund transfers include: \$865,000 of State Revenue Sharing proceeds to the Albany Transit System; \$410,000 of State Revenue Sharing proceeds to the Paratransit System; and \$132,000 to the Parks & Recreation Fund. \$170,800 is for Urban Forestry Management and \$86,800 to outside agencies.

##### **Municipal Court**

Municipal Court processes citations issued by the Albany Police Department, the City's Code Enforcement Division, and private citizens of the City. This program is responsible for scheduling and conducting pretrial conferences and court trials including notification of attorneys, police officers, and witnesses.

##### **Fire Emergency Services**

Fire Emergency Services responds to emergencies including fires, rescues, hazardous materials incidents, vehicle accidents, health difficulties, and natural or other disasters. This program is responsible for the production and maintenance of the Emergency Operations Plan. It also provides emergency and non-emergency ambulance transportation for Albany and portions of Linn, Benton, and Marion Counties. Included are ambulance billing, customer service, collection for charges related to ambulance transports, and administrative support of the FireMed program. The primary source of revenue is ambulance service charges. Service charge revenue is expected to be \$7,170,000. Fire Med revenues are limited by federal reimbursement rates and have been budgeted at \$340,000.

##### **Public Safety Levy-Fire**

This program accounts for the Fire personnel and materials funded by the five-year Public Safety Levy passed by the voters in May 2016. The 2019-21 biennium is the fourth, fifth and final years of the levy.

##### **Fire & Life Safety**

Personnel in this program conduct fire and life safety inspections of occupancies within the City that are covered by municipal and state fire codes. Also provided are fire and life safety information and education, review of construction plans for compliance with the Uniform Fire Code and other appropriate laws and codes, fire investigation, and administration of the Juvenile Firesetters Program.

##### **Police**

The Police Department provides detective and prosecutorial services, community service assistance, City regulatory services, traffic enforcement, and accident investigation. In addition, the Department provides animal control, community policing, and crime prevention programs, and maintains records in accordance with state statutes and departmental policies.

##### **Public Safety Levy-Police**

This program accounts for the Police personnel and materials funded by the five-year Public Safety Levy passed by the voters in May 2016. The 2019-21 biennium is the fourth, fifth and final years of the levy.

##### **Planning**

Staff in this program administer the Development Code, oversee the City's state-mandated "periodic review" process, and participate on the City's economic development team. Comprehensive planning activities include involvement in housing issues, historic preservation issues, and transportation planning.

##### **Library**

The Library program provides for educational, informational, cultural, and recreational needs of the residences and businesses of Albany.

**GENERAL FUND**  
PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS

**REVENUE TRENDS AND ASSUMPTIONS**

**Property Taxes**

The estimated 2019-21 collection of current property taxes for the General Fund will be \$39,600,000. Provisions of Ballot Measure 50 and subsequent legislation have combined to set the permanent tax rate for the City of Albany at \$6.3984 per \$1,000 of assessed value. Ballot Measure 50 limits the annual increase in assessed value of each property to three percent. The increase is not automatic and can only increase as much as the real market value up to the three percent limit. The value of new construction is added to the assessed value, which may result in property tax revenues increasing more than three percent. For 2019-21, tax collections are estimated to rise by 3.5 percent. The collection rate is estimated to be 93.47 percent of the taxes levied.

In May of 2016, Albany voters passed a new local option levy to support public safety. The levy is for five years at \$1.15 per \$1,000 of assessed value starting in 2016-17. For 2019-21, the fourth, fifth and final years of the levy, current tax collections are estimated to be \$8,618,662. The tax revenues will be received into the Public Safety Fund (215) and distributed to the General Fund (100) throughout the year.

**Franchise Fees and Privilege Taxes**

Franchise fees and privilege taxes account for 13.99 percent of the General Fund budget. It is projected that the 2019-21 actual receipts will be more than those of 2018-19.

**Licenses and Fees**

Planning fees, based on annual averages, are forecast to decrease by approximately 34% in the 2019-21 biennium.

**Intergovernmental Revenues**

Intergovernmental revenues for the biennium are projected to decrease by \$250k as compared to the Fiscal Year 2018-19. Rural fire district payments will increase by 7 percent, comparing the average of the biennium projections with the 2018-19 actuals. Marijuana, liquor, and cigarette taxes, and state revenue sharing, are forecast to increase by an average of 4% per year in the biennium.

**Charges for Services**

The major item in this section is City Hall rental charges for office space. The rental charges are used to pay for building maintenance, utilities, and building insurance. Insurance costs continue to rise, increasing the costs to use the building.

**Fines and Forfeitures**

Based on annual averages, court fines are estimated to increase by 3.0 percent from the 2019-21 estimate. Court staff is budgeted to decrease .4 FTE in the second year of the biennium.

**Other Revenues**

There are no major changes in this category, as the 2019-21 adopted budget reflects historical levels of activity.

**Investment Earnings**

For 2019-21, interest earnings are expected to be \$147,000.

## GENERAL FUND

Adopted for the 2019-21 Biennium

### RESOURCES

Property Taxes	40,750,000

## GENERAL FUND

(Amounts for 2012 through 2018 are actual. Budgeted amounts have been used for 2019-2021.)

### Property Tax Collections

Year Ended/ Ending June 30,	Property Tax Collections	Percentage Increase
2012	\$ 20,839,368	-
2013	17,621,998	(15.44%)
2014	18,657,072	5.87%
2015	18,627,432	(0.16%)
2016	20,476,906	9.93%
2017	21,333,558	4.18%
2018	22,382,283	4.92%
2019	23,566,500	5.29%
2020	24,870,000	5.53%
2021	24,872,000	0.01%

**Property Tax Collections (Ten Years)**

Property tax collections include amounts collected in the Public Safety Levy Fund that were reported in the General Fund as transfers in.

Property taxes collected in the Public Safety Levy Fund and transferred to the General Fund:

2012	\$ 2,317,268
2013	1,833,900
2014	2,250,300
2015	2,422,600
2016	2,750,629
2017	2,985,814
2018	3,419,423
2019	4,045,500
2020	4,820,000
2021	4,172,000

<sup>1</sup> As of FY 2014-2015, the Ambulance Fund was combined with Fire Emergency Services in the General Fund. All property taxes collected in the Public Safety Levy Fund are transferred to the General Fund.

## **PROGRAM NARRATIVE**

### **GENERAL FUND: ADMINISTRATION (100-10001)**

**Responsible Manager/Title:** Jeanna Yeager, Finance Director

---

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- A transfer to the Parks and Recreation Fund provides funding for the Boys and Girls Club, YMCA, and the Community After-School Program.
  - State revenue sharing proceeds, which are recorded as revenue in the General Fund, are transferred to the Public Transit Fund in support of the Albany Transit System and the Paratransit System.
  - Payments to the Albany Downtown Association from the Albany Economic Improvement District assessments are made from this program.
  - An outside agency grant to the Senior Meals Program is included in this budget.
  - Money previously appropriated for the spay/neuter program is redirected to Safe Haven for the same purpose.
-

## PROGRAM NARRATIVE

### GENERAL FUND: MUNICIPAL COURT (100-10040)

**Responsible Manager/Title:** September Ridgeway, Court Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- The Municipal Court processes citations issued by the Albany Police Department, the Code Enforcement Division, and private citizens. The court schedules and coordinates pre-trial conferences and trials with attorneys, police officers, and witnesses.
- Court procedures are administered by the Municipal Court Judge, an attorney licensed to practice in Oregon, who is appointed by the City Council under a one-year contract as a .25 FTE.
- The City of Albany Municipal Court provides full-service court in addition to a traffic court.

#### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### GENERAL FUND: COMMUNITY DEVELOPMENT, PLANNING (100-15001)

**Responsible Manager/Title:** David Martineau, Planning Manager

#### FUNCTIONS AND RESPONSIBILITIES

- Plan for the future of the City. The general plan for the City is the Albany Comprehensive Plan and Map. Planning topics addressed in the Comprehensive Plan include transportation, housing, natural resources, economic development, social amenities, and urbanization. Planning staff keeps the Comprehensive Plan and Map up to date by making revisions when necessary to reflect changing conditions.
- Process development proposals and annexation applications in accordance with the Albany Development Code (ADC). This includes providing accurate and consistent application and enforcement of the ADC.
- Administer and revise the ADC. The ADC includes the regulations that describe how development in Albany should look and function. Planning staff keep the ADC up to date by making revisions when necessary.
- Provide information to citizens and developers about City regulations related to development.
- Encourage preservation and rehabilitation of buildings in the City's four National Register Historic Districts by administering the City's Historic Preservation Program.
- Provide staff support to City Council, Planning Commission, Landmarks Advisory Commission, Community Development Commission, City departments, and ad hoc committees.
- Prepare long-range plans for the City. These plans typically propose new zoning designations or new public facility locations.
- Administer the floodplain management program consistent with the Federal Emergency Management Agency's (FEMA) National Floodplain Insurance Program (NFIP) and participate in FEMA's Community Rating System (CRS).

#### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019			
Healthy Economy	06/19	Completed	• Develop Multi-Year Code Amendment Plan.
Great Neighborhoods	06/19	Completed	• Complete Phase I projects of Code Amendment Plan.
Budget Biennium 2019-2021			
Healthy Economy	06/20		• Complete Phase II projects of Code Amendment Plan.
Great Neighborhoods	06/20		• Complete Buildable Lands Inventory, Housing Needs & Economic Opportunities Analyses.
	06/21		• Complete Phase III (Final) projects of Code Amendment Plan.
	06/21		• Develop East I-5 Sub-Area Plan (grant dependent).

# PROGRAM NARRATIVE

## GENERAL FUND: POLICE DEPARTMENT (100-20001)

**Responsible Manager/Title:** Mario Lattanzio, Chief of Police

### FUNCTIONS AND RESPONSIBILITIES

- Provide community policing and crime prevention programs.
- Provide effective emergency and prioritized non-emergency police response to calls for service.
- Investigate all major crimes.
- Conduct Citizen Academy.
- Receive all emergency and non-emergency telephone calls and provide quality dispatch services to field operations.
- Maintain and disseminate records in accordance with state statutes and department requirements.
- Provide timely response and investigation of code violations, abandoned-vehicle complaints, and animal-related issues.

### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019 Safe City	12/18	Not Met (32.85)	<ul style="list-style-type: none"> <li>• Maintain Part I crimes at 32.0 per thousand residents or less annually with the goal of being at or below the Oregon average.</li> </ul>
	12/18	Met (4:18)	<ul style="list-style-type: none"> <li>• Maintain patrol response to priority-one calls of 5:00 minutes or less.</li> </ul>
	12/18	Met (1.34)	<ul style="list-style-type: none"> <li>• Maintain the combined number of fatal and injury collisions at 2.5 per thousand residents or less, annually.</li> </ul>
	12/18	Met (72.6%)	<ul style="list-style-type: none"> <li>• Achieve 60% clearance rate for violent crimes.</li> </ul>
	12/18	Met (36.3%)	<ul style="list-style-type: none"> <li>• Achieve 20% clearance rate for property crimes.</li> </ul>
Budget Biennium 2019-2021 Safe City	12/19		<ul style="list-style-type: none"> <li>• Maintain Part I crimes at 32.0 per thousand residents or less annually with the goal of being at or below the Oregon average.</li> </ul>

## PROGRAM NARRATIVE

### GENERAL FUND: POLICE – PUBLIC SAFETY LEVY (100-20005)

Responsible Manager/Title: Mario Lattanzio, Chief of Police

---

#### FUNCTIONS AND RESPONSIBILITIES

- Provide community policing and crime prevention programs.
- Provide effective emergency and prioritized non-emergency police response to calls for service.
- Receive all emergency and non-emergency telephone calls and provide quality dispatch services to field operations.
- Provide analysis and research on crime patterns and trends that assist in directing police response to crime and identified programs.

---

## PROGRAM NARRATIVE

### GENERAL FUND: FIRE & LIFE SAFETY (100-25001)

**Responsible Manager/Title:** John R. Bradner, Fire Chief

#### FUNCTIONS AND RESPONSIBILITIES

- Investigate fires to determine point of origin and cause and assist law enforcement with arson investigation and prosecution.
- Review construction plans and conduct inspections for compliance with applicable codes.
- Conduct fire and life safety inspections of priority occupancies and work with high-hazard occupancies to reduce risks to the community.
- Provide records and statistics on Fire Code-regulated occupancies.
- Provide public education and training for all-hazard risk reduction in the community.
- Provide public information on department operations and emergency incidents.
- Provide Community Paramedic Program services.
- Provide services by contract to three rural fire districts and the City of Millersburg.
- Maintain and implement City of Albany Emergency Operations and Hazard Mitigation Plans.

#### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019			
Safe City	06/19	Ongoing	• Evaluate the need for an additional deputy fire marshal.
Effective Government	06/19	Ongoing	• Evaluate the current plan review process and research a possible fee associated with plan review.
	06/19	Ongoing	• Support community efforts to provide cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) training in Albany schools.
	06/19	Completed	• Develop a process for getting all department fire investigators state certified.
Budget Biennium 2019-2021			
Safe City	06/20		• Complete a Community Risk Reduction Assessment.
Effective Government	06/20		• Target fire & life safety inspections in the City of Millersburg to bring into compliance.
	06/20		• Develop a full-scale earthquake exercise to be held in 2022.

#### PERFORMANCE MEASURES AND WORKLOAD INDICATORS

	<u>2016-2017</u>	<u>2017-2018</u>	<u>2018-2019</u>	<u>2019-2021*</u>
Number of inspections and re-inspections of fire code-regulated occupancies.	1,500	1,749	1,750	2,800
Fire code violations noted vs. violations corrected.	2,499/1,239	2,168/2,063	1,500/1,400	2,500/2,800
Number of life safety education outreach activities.	200	200	400	800
Number of people involved in life safety education activities.	5,000	52,598 <sup>1</sup>	60,000	120,000

<sup>1</sup> The use of social media and other outreach platforms in the FY increased the number of people involved in life safety education activities.

## PROGRAM NARRATIVE

### GENERAL FUND: LIBRARY (100-55001)

Responsible Manager/Title: Ed Gallagher, Library Director

#### FUNCTIONS AND RESPONSIBILITIES

- The library provides resources in multiple languages to enrich the education, cultural, and recreational opportunities of the community.
- Educating Albany’s children is a significant library priority, with a special emphasis on early childhood literacy.
- The library strives to build a diverse and dynamic collection of materials that encourages users to think and learn for themselves.
- The library provides timely, accurate, and relevant information in multiple formats for all community residents and businesses. Borrowing Library materials provides significant economic savings for the community.
- The Main Library is open Monday through Wednesday, 10:00 a.m. to 8:00 p.m.; Thursday and Friday, 10:00 a.m. to 6:00 p.m.; Saturday and Sunday, 1:00 p.m. to 5:00 p.m. Operating hours for the Carnegie Library are Monday through Friday, 10:00 a.m. to 6:00 p.m.

SPECIAL  
REVENUE  
FUNDS

## **SPECIAL REVENUE FUNDS**

### **PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS**

Special Revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The City has ten Special Revenue funds.

#### **PARKS & RECREATION FUND**

Responsibilities of the Parks & Recreation Fund include: coordination of sports and recreation programs; promotion and marketing of the two annual summer concert series; maintenance of all City Parks, provision of social, cultural, educational, transportation, and health service needs of senior citizens; management of park facility capital projects; and maintenance and enhancement of the City's urban forest. Property taxes are a major source of revenue. Under the existing property tax limitation, the Parks & Recreation Fund no longer receives property taxes based upon voter approved levies. Instead, the fund receives a percentage of the total property taxes received by the City, excluding local option tax levies and property taxes levied to retire debt. For 2019-21, the Parks & Recreation Fund is forecast to receive current property taxes totalling \$9,850,000.

#### **GRANTS FUND**

The Grants Fund receives monies from private citizens and agencies of local, state, and federal governments for various projects within the City.

#### **BUILDING INSPECTION FUND**

The Building Inspection Fund issues building and electrical permits, conducts inspections, administers state building codes and the City's Municipal Code, and assists the public with information relating to building and development codes. ADA Code Enforcement provides enforcement and investigation of complaints relating to the Americans with Disabilities Act and state disability access requirements. Development Code Enforcement provides enforcement and investigation of complaints and code violations relating to the City's Development Code. Building officials are expecting building activity for 2019-21 to remain steady.

#### **RISK MANAGEMENT FUND**

Funds are accumulated in this program to mitigate risk factors and provide financial protection for deductible payments and liability exposure. Litigation settlement proceeds and associated projects are also accounted for in this fund.

#### **ECONOMIC DEVELOPMENT FUND**

It is the responsibility of this fund to establish, retain, and expand businesses in Albany; to provide administrative oversight for economic development activities; to market Albany to convention and event planners; and support the economic viability and to provide oversight of the day-to-day operation of the Albany Municipal Airport.

#### **PUBLIC TRANSIT FUND**

Included in the Public Transit Fund are the Albany Transit System, the Transit Loop System, and the Paratransit System. The Albany Transit System provides bus service within the City. The Transit Loop System provides transportation between the cities of Albany and Corvallis and Linn-Benton Community College. The Paratransit System provides transportation to essential services for the elderly or individuals who have disabilities that prevent them from using other public transit. Proceeds from state revenue sharing, through transfers from the General Fund, provide 17.94 percent of the total fund resources. Grants from the Federal Transit Administration and local government agencies provide 64.19 percent.

#### **PUBLIC SAFETY LEVY FUND**

The Public Safety Levy Fund provides an independent accounting of property tax revenues collected from the Public Safety Levy passed by the voters of the City in the May, 2016, Primary Election. The rate is \$1.15 per \$1,000 of assessed value for a period of five years beginning with the 2016-17 fiscal year. The 2019-21 biennium is the fourth, fifth, and final years of the levy.

## **SPECIAL REVENUE FUNDS**

### **PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS**

#### **CAPITAL REPLACEMENT FUND**

The Capital Replacement Fund accounts for monies accumulated for the replacement of vehicles, computer equipment, and City facilities. Monies are also accumulated for major maintenance projects for General Fund fire, police, library, and administrative buildings.

#### **STREET FUND**

Street Fund responsibilities include: street cleaning, pavement management, traffic control, storm drain maintenance, bridge maintenance, airport inspection, right-of-way maintenance, and capital improvements of the transportation system. The major source of revenue is the state gasoline tax. The State of Oregon Highway Trust Fund distributes 15.57 percent of all gas taxes to Oregon cities. The City has estimated that it will receive \$8,190,000 in the 2019-21 biennium, increasing \$5,140,000 from 2018-19.

The five-percent sewer and water in-lieu-of franchise fee will generate \$1,366,000 and \$1,232,800 from the Sewer and Water Funds respectively. Revenues from the franchise fees are expected to rise three to five percent annually as water and sewer rates rise over the next ten years.

## SPECIAL REVENUE FUNDS

Adopted for the 2019-21 Biennium

## PARKS & RECREATION FUND

### PROGRAMS SUPPORTED BY PROPERTY TAXES, USER FEES, AND OTHER RESOURCES

Detailed below are the property taxes and other user fees supporting the following Parks & Recreation programs: Sports Services, Children/Youth/Family Recreation Services, Resource Development Marketing Services, Park Maintenance Services, Parks & Recreation Administration, Aquatic Services, Adult Recreation Services, Performance and Cultural Arts. These programs represent 100 percent of the Parks & Recreation budget. The resource items listed below are included in the Parks & Recreation Fund - Resource Detail presented on previous pages.

## PROGRAM NARRATIVE

**Parks and Recreation Fund: Parks & Recreation Department,  
Parks Capital Improvement Projects (202-50515)  
Responsible Manager/Title: Kim Lyddane, Parks & Recreation Director**

---

### FUNCTIONS AND RESPONSIBILITIES

- Implement Capital Improvement Projects (CIP) that are funded with revenue other than grants.

---

### STRATEGIES/ACTIONS

<u>Strategic Plan Theme</u>	<u>Target Date</u>	<u>Status</u>	<u>Strategies/Actions</u>
Budget Year 2018-2019			
Effective Government Great Neighborhoods	06/19	In Progress	• Complete projects as scheduled in the FY 2018-2019 CIP.
Budget Biennium 2019-2021			
Effective Government Great Neighborhoods	06/21		• Complete projects as scheduled in the FY 2019-2021 CIP.

## **GRANTS FUND**

### **Community Development Department Grant Descriptions**

---

The Grants Fund receives monies from private citizens and agencies of local, state, and federal governments for various projects within the City.

The following grants have been budgeted for the 2019-2021 Budget Biennium:

#### **Entitlement Community Development Block Grant (CDBG) (203-15801/15802) \$1,099,800**

The City became a Housing and Urban Development (HUD) CDBG Entitlement city in 2012 after Albany's population surpassed 50,000 people. The City will receive its seventh and eighth entitlement grants during the 2019-2021 biennium, estimated to be \$410,000 each year. In the 2019-2021 biennium, the City will spend balances from prior CDBG grants totaling \$279,800. CDBG funds will be used for public services, affordable housing programs, and small business development activities that will primarily benefit Albany's low- and moderate-income residents, homeless residents, seniors, and special needs populations. CDBG funds will also be used for eligible community development activities that may include public improvements and removing architectural barriers to handicap accessibility in Albany's HUD-identified low-income Census tracts. Staff will support the Community Development Commission's work to assess community needs and provide the City Council with recommendations for use of the CDBG funds. Staff is required to submit an annual Action Plan to HUD that describes how the City plans to use its annual CDBG allocation to address needs identified in the 2018-2022 Consolidated Plan. The City also submits a Consolidated Annual Performance Evaluation Report (CAPER) to HUD annually and ensures that the City is in compliance with applicable federal regulations and CDBG program requirements. There is no grant match requirement.

#### **State Historic Preservation Office Grant (203-15804) \$25,000**

The State Historic Preservation Office offers grants on 18-month cycles. The City anticipates managing two \$12,500 grants within the biennium. Grant funds are planned to be used to support property owners in the maintenance and upkeep of National Register of historic buildings and resources through activities such as professional design assistance and rehabilitation grants. Funds would also be used to promote public education and outreach activities, and potentially for training opportunities for staff and Landmarks Advisory Commissioners. The local match is \$25,000, composed of staff time and other resources dedicated to the City's Historic Preservation Program.

## **GRANTS FUND**

### **Police Department Grant Descriptions**

---

The Grants Fund receives monies from private citizens and agencies of local, state, and federal governments for various projects within the City.

The following grants have been budgeted for the 2019-2021 Budget Biennium:

#### **Department of Justice Bulletproof Vest Grant (Eden 203-30-5008/Munis 20320801)**

Grant proceeds provide 50 percent matching funds to law enforcement agencies to purchase replacement bulletproof vests.

#### **Department of Justice (DOJ) Equitable Sharing Grant (Eden 203-30-5096/Munis 20320802)**

Grant proceeds from asset forfeiture equitable sharing may only be used for law enforcement purposes, such as investigations, training, facilities, equipment, transportation, memorials, drug/gang education, matching and pro-rata funding, community-based programs, and language assistance. Funds are not to be used to replace or supplant appropriated resources of the recipient.

#### **Community Policing Donations- APAK and BULB (Eden 203-30-5110/Munis 20320803)**

This grant is funded by community sponsors who specifically wish to inspire kids to be positive, see their potential and work towards their goals. Donations are received intermittently and are intended to span multiple fiscal years. The Albany Police Department will partner with local businesses and community members to connect honored children with a community sponsor, while also ensuring that the child continues their positive academic work.

#### **Linn/Benton County DA's Office Asset Forfeiture (Eden 203-30-5119/Munis 20320804)**

Grant proceeds from asset forfeiture may only be used for law enforcement purposes, such as investigations, training, facilities, equipment, awards and memorials, drug/gang education, matching and pro-rata funding, asset accounting and tracking, language assistance, transfers to other law enforcement agencies, and support for community-based programs.

#### **LINE Task Force (Eden 203-30-5122/Munis 20320805)**

The mission of LINE is to reduce illegal drug trafficking in the Linn County area by identifying, disrupting, or dismantling drug trafficking and money laundering organizations through cooperative efforts, enforcement, and intelligence sharing by local, state, and federal law enforcement agencies.

#### **Police Cadet Program (Eden 203-30-5126/Munis 20320806)**

Fund proceeds to the Police Cadet Program allow for the purchase of uniforms, gear, and training for our cadets. The cadet program is coordinated by two police officers who serve as cadet advisors.

#### **LINE Asset Forfeiture (Eden 203-30-5130/Munis 20320807)**

Grant proceeds from LINE asset forfeiture may only be used for HIDTA/LINE purposes, such as investigations, training, facilities, equipment, matching and pro-rata funding, asset accounting and tracking, transfers to other law enforcement agencies, and support for community-based programs.

**GRANTS FUND**  
**Fire Department Grant Descriptions**

---

The Grants Fund receives monies from private citizens and agencies of local, state, and federal governments for various projects within the City.

The following grants have been budgeted for the 2019-2021 Biennium:

**Staffing for Adequate Fire and Emergency Response (SAFER) Grant (203-25808): \$531,300**

Partial salary and benefit costs for six Firefighter/EMTs for a three-year period, ending September 30, 2020.

**State Hazardous Materials Emergency Preparedness Grant (203-25801): \$16,000**

Hazardous materials education, training, and evacuation planning on behalf of the Mid-Valley Local Emergency Planning Committee.

**State Hazardous Materials Emergency Preparedness Grant (203-25802): \$31,000**

Hazardous Materials Awareness and Operations training for Linn and Benton County emergency responders, and a functional training exercise on behalf of the Mid-Valley Local Emergency Planning Committee.

**Ground Emergency Medical Transport (GEMT) (203-25807): \$200,000**

Federally-backed Medicaid entitlement program that allows public EMS providers the ability to collect a percentage of their uncompensated costs for providing care to Medicaid patients.

**Albany Public Safety Foundation (203-25809): \$20,000**

Local non-profit funds to support teaching CPR and how to use an AED to all eighth-graders in the City annually.

**GRANTS FUND**  
**Library Department Grant Descriptions**

---

The Grants Fund receives monies from private citizens and agencies of local, state, and federal governments for various projects within the City.

The following grants have been budgeted for the 2019-2021 Biennium:

**Albany Public Library Foundation (203-55803) \$37,100**

These APLF funds are used to partner with the City on Carnegie Library renovation projects. In the past fiscal year, funds were spent on window repair and renovations, and a new heating and cooling system.

**Oregon Community Foundation (OCF) (203-55804) \$290,000**

Investment earnings from this fund may be annually disbursed to enhance the objectives and services of Albany Public Library.

This is a \$2,000,000 donor-advised fund established by Mrs. Doris Scharpf in 2004. Disbursements are subject to OCF/donor policies.

Other revenue streams added to this annual disbursement are non-capital monies from APLF, as well as from the Friends of the Library, for library programming and needs throughout the system.

**Oregon State Library Grant (203-55805) \$22,000**

Otherwise known as the Ready to Read Grant, this grant is used solely for the support of early childhood literacy endeavors within the children's department.

The amount is determined by Census data regarding number of children in the library's service area.

## PROGRAM NARRATIVE

### BUILDING INSPECTION: BUILDING INSPECTION PROGRAM (204-15005)

**Responsible Manager/Title:** Johnathan Balkema, Building Official Manager

#### **FUNCTIONS AND RESPONSIBILITIES**

- Protect public health and safety through enforcement of Albany Municipal Code Title 18 and the state building code, which enhances the community’s quality of life.
- Implement new building code requirements resulting from legislative action. Provide information to the public regarding code updates in construction codes and standards.
- Assist the public with information relevant to building codes.
- Respond to complaints regarding safety and work occurring without permits for both commercial and residential buildings.
- Participate in the development review process, conduct plans review, issue building permits, and perform inspections for all new construction, checking compliance with applicable codes and adopted standards.
- Administer the Building Inspection Program per the state-approved Operational Plan.
- Partner with Police Department team members on code compliance cases that include both building code and non-building code compliance issues.

#### **STRATEGIES/ACTIONS**

## PROGRAM NARRATIVE

### BUILDING INSPECTION: ELECTRICAL PERMIT PROGRAM (204-15010)

**Responsible Manager/Title:** Johnathan Balkema, Building Official Manager

#### FUNCTIONS AND RESPONSIBILITIES

- Protect public health and safety through enforcement of the state building codes, which enhance the community’s quality of life.
- Administer Albany’s Electrical Inspection Program using the operational plan approved by the State of Oregon as the standard.
- Assist the public with information relevant to the Oregon Electrical Specialty Code requirements.
- Administer Albany’s Electrical Master Permit Program for large commercial businesses.
- Perform inspections for the State of Oregon’s Minor Label Electrical Inspection Program.
- Perform electrical plan review as required by Oregon Administrative Rule.
- Conduct electrical inspections upon request, checking compliance with applicable municipal codes and state building codes.
- Ensure that homeowners install safe and code-compliant electrical systems.

#### STRATEGIES/ACTIONS

## **PROGRAM NARRATIVE**

### **RISK MANAGEMENT FUND: RISK MANAGEMENT (208-10005)**

**Responsible Manager/Title:** Jeanna Yeager, Finance Director

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- The City's Risk Management policy states that a fund will be maintained with a working balance of up to \$2,000,000 for unforeseen catastrophic events and major deductibles.
  - Each department is responsible for claims and deductibles up to \$10,000 per incident resulting from losses in their respective operations.
- 
-

## PROGRAM NARRATIVE

### RISK MANAGEMENT FUND: SETTLEMENT PROJECTS (208-10055)

Responsible Manager/Title: Jeanna Yeager, Finance Director

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program accounts for the funds received in March 2010 from the SVC Manufacturing Inc. (PepsiCo) settlement agreement.
  - Proceeds that have not yet been expended are appropriated for economic development and public safety facilities.
  - \$1,280,988 was loaned for the construction of the Oak Street LID. The balance of the principal and interest assessment payments will be transferred back in repayment of the loan this biennium.
  - \$5,000,000 was transferred to the Capital Projects fund for the construction of the public safety facilities.
  - \$3,348,794 was loaned for the construction of the Timber Ridge LIDs. Repayment will be made through transfers from the LID Capital Projects Program upon sale of the property. As of January 2018, \$581,000 has been received from property sales. The remainder of the loan will be transferred back in this biennium.
  - A capital loan of \$300,000 was made to the Capital Replacement Fund to assist in the purchase of needed equipment. Repayments of \$2,265,300 have been made in the current fiscal year.
  - Since this program is used for economic development purposes, the balance will be transferred to that fund.
-

**Responsible Manager/Title:** Seth Sherry, Economic Development Manager

#### FUNCTIONS AND RESPONSIBILITIES

- Provide management oversight for economic development and urban renewal activities and the related Strategic Plan initiatives.
- Continue active collaboration and participation with partner outside organizations as well as neighboring communities and jurisdictions. Maintain membership on statewide boards to strengthen Albany’s presence and opportunities. Complete draft, review, and implement economic development metrics for Albany.
- Support entrepreneurship and start-ups by identifying key partnerships with existing support services and organizations.
- Administer the Transient Lodging Tax (TLT) according to ORS Sections 320.345-320.350; Albany Municipal Code Chapter 3.14; and the TLT policy adopted by the City Council.
- Meet regularly with local businesses and industries to determine needs, help remove barriers, and connect businesses to available resources.
- Manage outside agency grants to market Albany to convention, event, and tournament planners via the TLT policy adopted by City Council.

#### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### PUBLIC TRANSIT: ALBANY TRANSIT SYSTEM (213-40100)

**Responsible Manager/Title:** Jon Goldman, Utility Superintendent - Transportation

Developed by: Barry Hoffman, Transit Programs Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- Provide a safe and reliable public transit system along fixed routes to link residential areas with retail, employment, medical, and educational centers.
  - Maintain records of ridership, maintenance, and operation of the system and apply for state and federal grants to obtain system funding.
  - Administer the Ride Home Free program with local merchants.
  - Identify and pursue additional grant and revenue resources.
- Provide management and supervision of the transit system in compliance with federal and state regulations.
  - Conduct a ridership satisfaction survey every two years.
  - Provide rides to Linn-Benton Community College and Oregon State University (OSU) students through the combined Partnership agreements.

#### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### PUBLIC TRANSIT: LINN-BENTON LOOP (213-40105)

**Responsible Manager/Title:** Jon Goldman, Utility Superintendent - Transportation

Developed by: Barry Hoffman, Transit Programs Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- Manage the Linn-Benton Loop to provide a safe and reliable public transit system along fixed routes between the cities of Albany and Corvallis in accordance with federal and state regulations.
  - Maintain records of ridership, maintenance, and operation of the system and apply for state and federal grants in order to obtain system funding.
  - Provide rides to LBCC and OSU students through the combined Pass Program.
- Provide management and supervision for the system, including personnel, operating, and maintenance of equipment.
  - Manage local operating funds from partners: Benton County Special Transportation Fund (STF); Linn County; LBCC; Corvallis; Albany; and OSU.
  - Participate in the Albany Area Metropolitan Planning Organization (AAMPO) technical and policy meetings, and in developing a funding and governance plan for the Loop.

## PROGRAM NARRATIVE

### PUBLIC TRANSIT: PARATRANSIT SYSTEM (213-40110)

**Responsible Manager/Title:** Jon Goldman, Utility Superintendent - Transportation

Developed by: Ted Frazier, Paratransit Services Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- Provide transportation to essential services through the Call-A-Ride program for the elderly and individuals who have disabilities that prevent them from using the fixed-route transit system.
- Manage and operate the Paratransit service as required by the Americans with Disabilities Act (ADA) and federal and state public transit regulations.
- Identify and pursue additional grant and revenue resources.
- Certify eligibility of ADA participants and provide Paratransit service in compliance with federal law.
- Provide Medicaid nonmedical transportation for eligible senior citizens and individuals with disabilities (Title XIX rides).
- Maintain ridership and operation records for state-funding purposes.
- Ensure that all transit services are in Federal Transit Administration (FTA) compliance.

## **PROGRAM NARRATIVE**

### **PUBLIC SAFETY LEVY FUND: PUBLIC SAFETY LEVY (215-10010)**

**Responsible Manager/Title:** Jeanna Yeager, Finance Director

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- This program provides an independent accounting of property tax revenues collected from the Public Safety Levy passed by the voters of the City of Albany in the May 2015 special election. Proceeds from the tax levy are transferred to the General Fund in direct support of police, fire, and ambulance services.
  - The levy is \$1.15 per \$1,000 of assessed value for a period of five years.
  - Fiscal Year 2019-21 is the final period of the five-year Public Safety Local Option Levy.
-

## **PROGRAM NARRATIVE**

### **CAPITAL REPLACEMENT FUND: EQUIPMENT REPLACEMENT (217-10015)**

**Responsible Manager/Title:** J.C. Rowley, Accounting Supervisor

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- The Equipment Replacement program provides a reserve to replace equipment, excluding Water and Sewer Fund equipment, when the end of its useful life has been reached.
  - Equipment is replaced when it is determined by its age, condition, operation and maintenance costs, obsolescence, and depreciation that it is no longer economical to keep. This is referred to as the life expectancy or economic life of the equipment.
  - Ideally, monies are transferred annually from the various departments to the Equipment Replacement program based on the economic life, replacement cost, and estimated rate of return on invested cash for each asset in the replacement program. Estimates of remaining useful life and replacement cost are updated each year by the contributing departments.
-

## **PROGRAM NARRATIVE**

### **CAPITAL REPLACEMENT FUND: GENERAL FUND FACILITIES MAINTENANCE PROJECTS (217-10070)**

**Responsible Manager/Title:** Jeanna Yeager, Finance Director

---

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- These projects are under the purview of the facilities maintenance department, so this program will be moved to reflect this change.
  - Funds are reserved in this program for building maintenance expenditures on City-owned buildings.
  - In prior years, Transient Lodging Tax was transferred in for restoration and repairs of the Monteith House.
-

## PROGRAM NARRATIVE

### STREET FUND: STREET ADMINISTRATION (250-40205)

**Responsible Manager/Title:** Chris Bailey, Public Works Operations Director  
 Jeff Blaine, P.E., Public Works Engineering and Community Development Director

#### FUNCTIONS AND RESPONSIBILITIES

- This program provides funding for a portion of the Transportation Superintendent position, PW Internal Services Fund, which includes charges for Public Works Administration, Operations Administration, and PW Engineering Services.
- Transfers funds to other City programs such as Urban Forestry.
- Maintains the contingency for the Street Fund.

#### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019			
Effective Government	06/19	Ongoing	<ul style="list-style-type: none"> <li>• Continue Council discussions on street maintenance funding options.</li> </ul>

## PROGRAM NARRATIVE

### STREET FUND: STREET MAINTENANCE (250-40210)

**Responsible Manager/Title:** Jon Goldman, Utility Superintendent - Transportation

#### **FUNCTIONS AND RESPONSIBILITIES**

- The primary function of this activity is to maintain the transportation system facilities.
- Pavement management and street restoration responsibilities include sweeping, sanding, base repair, crack sealing, pothole patching, chip-seal streets, overlay projects, and bridge maintenance.
- Repair tree-damaged sidewalks and gutters.
- Right-of-way maintenance responsibilities include barricades, property clean-up, and vegetation maintenance.
- Transportation management responsibilities include pavement markings, traffic sign maintenance, quarterly streetlight inspections, and quarterly traffic signal inspections and maintenance.
- Perform yearly street condition rating for one-quarter of the City streets and annually update traffic sign inventory program.

#### **STRATEGIES/ACTIONS**

Strategic Plan Theme	Target Date	Status	Strategies/Actions

## PROGRAM NARRATIVE

### STREET FUND: STREET CAPITAL & RESTORATION (250-40250)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

#### FUNCTIONS AND RESPONSIBILITIES

- This activity receives funds from franchise fees, Surface Transportation Program (STP) funds, grants, gas tax, and interest income.
- Provides local funding match for bicycle and pedestrian improvement grants that become available.
- This program provides funding for transportation-related capital construction projects including pavement restoration, bridge repair, bicycle and pedestrian improvements, and grant match.

## PROGRAM NARRATIVE

### STREET FUND: TRANSPORTATION SDC IMPROVEMENT FEE PROJECTS (250-40255)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

#### FUNCTIONS AND RESPONSIBILITIES

- This program is dedicated to funding eligible, capacity-increasing projects that are a direct result of new growth and development. Revenues are received from Transportation Systems Development Charges (SDC).
- The current Transportation Systems Development Charge (effective July 2018) is \$3,941 for a single-family residence. This program receives \$3,363 of the residential fee.
- In 1989 legislation was adopted in Oregon requiring justification and separate accounting of revenues and expenditures for all SDCs effective July 1, 1991. This budget was created in order to comply with that legislation.

# DEBT SERVICE

## DEBT SERVICE FUNDS

### PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS

Debt Service funds accumulate resources and account for the payment of general long-term debt principal and interest. Because Oregon Local Budget Law requires that general obligation debt be accounted for in a separate fund from revenue obligation debt, the City has two Debt Service funds.

#### DEBT SERVICE FUND

Separate programs are maintained in these funds to account for each of the City's general long-term debt issuances.

##### 2002 Limited Tax Pension Bonds

These limited tax bonds were used to finance a portion of the estimated unfunded actuarial liability with the Oregon Public Employees Retirement System (PERS). Each City program with personnel costs is assessed a fee proportionate to its PERS-eligible payroll to pay for the annual debt service requirements. The bonds will be retired in 2027-28. The debt service requirement for 2019-21 is \$1,516,023.

##### 2004 Revenue Obligations

Issued in December 2004, these bonds provide funding for the Aquatic Center project and the defeasance of the 1994 City Hall Certificates of Participation. The General Fund share of the debt retired in Fiscal Year 2013-14. The Parks & Recreation requirement for 2019-21 is \$182,000 with the final payment to be made during the 2019-21 biennium.

##### 2015 Public Safety Facilities GO Bonds

In May of 2015, voters approved an \$18 million General Obligation Bond issue to finance the building of new police and fire stations. The bonds were sold on August 5th, 2015. The debt service requirement for 2019-21 is \$2,250,350.

## PROGRAM NARRATIVE

### DEBT SERVICE FUND: 2002 LIMITED TAX PENSION BONDS (301-10030)

Responsible Manager/Title: J.C. Rowley, Accounting Supervisor

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program provides for payment of the \$6,851,826 Limited Tax Pension Obligations, Series 2002.
- The bonds are secured by the full faith and credit of the City.
- The bonds, dated March 15, 2002, were issued as the Limited Tax Pension Deferred Interest Obligations, Series 2002A, and the Limited Tax Pension Obligations, Series 2002B. Interest rates range from 2.00% to 7.41% with a true interest cost (TIC) of 7.061361%. Interest paid is subject to federal income tax.
- Interest on the 2002A Obligations will be paid only at maturity and will be compounded semiannually as of June 1 and December 1. Interest on the 2002B Obligations, issued as current interest obligations, is payable on June 1, 2002, and semiannually thereafter until June 1, 2028.
- The 2002A Obligations are not subject to prepayment prior to their stated maturities. The 2002B Obligations maturing on June 1, 2025, are subject to prepayment prior to their stated maturities.
- The bonds are insured by AMBAC Corporation and are rated "Aaa" by Moody's Investors Service.
- The Bond Registrar and Paying Agent is Wells Fargo Bank Northwest, National Association, Portland, Oregon. The Bond Counsel is Preston Gates & Ellis LLP, Portland, Oregon. The Financial Advisor is Piper Jaffray, Portland, Oregon.
- On December 1, 2010, a prepayment of callable bonds in the amount of \$770,000 was made from litigation settlement proceeds.

---

## PROGRAM NARRATIVE

### DEBT SERVICE FUND: 2004 REVENUE OBLIGATIONS (301-10035)

Responsible Manager/Title: J.C. Rowley, Accounting Supervisor

---

#### FUNCTIONS AND RESPONSIBILITIES

- This activity provides for payment of the principal and interest on the 2004 Revenue Obligations used for the Aquatic Center project and the defeasance of the City's Certificates of Participation, Series 1994.
  - The bonds were dated December 30, 2004 and accrue interest from that date until maturity or earlier redemption, payable semiannually on July 1 and January 1 of each fiscal year.
  - The bond payments are secured by and payable from any unobligated, non-property tax revenues legally available to the City. The payments are currently made only from the Parks and Recreation fund, as the General Fund obligation matured in January 2014.
  - The original amount of the bond issue was \$3,720,000.
  - The bonds are rated by Moody's Investors Service as "Aaa."
  - The Bond Registrar and Paying Agent is Bank of New York Trust Co., N.A; Los Angeles, California. The Bond Counsel is Orrick, Herrington & Sutcliffe, LLP, Portland, Oregon. The Underwriter is Piper Jaffray.
-

CAPITAL  
PROJECT  
FUNDS

## CAPITAL PROJECTS FUND

### PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS

Capital Project funds are created to account for the financial resources used for the acquisition or construction of major capital facilities. The City has one Capital Project fund.

#### CAPITAL PROJECTS FUND

**Albany Data Integration:** This program will be used to account for the implementation of a new Enterprise Resource Planning (ERP) system for the City. Revenues for this project are projected to be interest (\$5,000) and a \$265,000 beginning balance.

**Local Improvement District Construction Projects:** This program will be used to account for the construction and financing of local improvement district (LID) projects benefiting properties within the City. The primary sources of revenue for this program are assessment payoffs, interest (\$20,000) and a beginning balance of \$1,600,000.

**Public Safety Facilities:** This project will account for the construction of the new police and fire facilities. The primary sources of revenue for this program are interest (\$6,000), and a beginning balance of \$1,043,000.

#### **RESOURCES**

Assessment Revenues	\$ 18,000
Investment Earnings	31,000
Beginning Balance	2,908,000
<b>Total Resources</b>	<b>\$ 2,957,000</b>

#### **REQUIREMENTS**

## PROGRAM NARRATIVE

### CAPITAL PROJECTS FUND: Albany Data Integration (402-10020)

Responsible Manager/Title: J.C. Rowley, Accounting Supervisor

---

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program accounts for the conversion from Tyler's Eden Enterprise Resource Planning (ERP) system to a new ERP system.
  - Tyler is phasing out Eden and is no longer providing enhancements to the system. The City has been using Eden for over ten years.
  - The new system will be purchased using funds made available through an accounting change required during the Fiscal Year 2015-16 audit.
- 
- 

#### STRATEGIES/ACTIONS

# PERMANENT FUNDS

**PERMANENT FUNDS**

**PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS**

Permanent funds are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for the benefit of the government or its citizenry. The City has one permanent fund. The Senior Center Endowment Fund was closed in FY 2017-18.

**LIBRARY TRUST FUND**

**Veda O. Torney Trust:** Interest earnings on the \$10,000 trust balance are used for the purchase of children's picture books.

**Manela Trust:** Interest earnings on the \$69,500 trust balance are used to purchase scientific, educational, and technical books.

**RESOURCES**

Investment Earnings	\$	2,000

## PROGRAM NARRATIVE

### LIBRARY TRUST FUND: V.O. TORNEY TRUST (502-55801)

**Responsible Manager/Title:** Ed Gallagher, Library Director

---

---

#### **FUNCTIONS AND RESPONSIBILITIES**

- Upon her death, Veda Torney left \$10,000 to the library solely for the purchase of children's picture books. The principal is invested and only the interest is used each year for the intended purpose.
  - Established March 31, 1977.
- 
- 

#### **STRATEGIES/ACTIONS**

<u>Strategic Plan Theme</u>	<u>Target Date</u>	<u>Status</u>	<u>Strategies/Actions</u>
Budget Year 2018-2019			
Great Neighborhoods	06/19	Completed	• Purchase 125 picture books.
Budget Biennium 2019-2021			
Great Neighborhoods	06/21		• Purchase 250 children's picture books.

## PROGRAM NARRATIVE

### LIBRARY TRUST FUND: MANELA TRUST (502-55802)

**Responsible Manager/Title:** Ed Gallagher, Library Director

---

---

#### FUNCTIONS AND RESPONSIBILITIES

- Upon the death of Olive Manela, a trust fund was established in the amount of \$69,500 for the Albany Public Library, with the principal to be invested and only the interest to be spent on religious, educational, scientific, or technical books.
- Established June 11, 1975.

# ENTERPRISE FUNDS

## ENTERPRISE FUNDS

### PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS

Enterprise funds are established for operations that are financed and managed in a manner similar to private enterprises. The intent of enterprise funds is that the cost of providing utility services to the general public on a continuing basis will be financed or recovered primarily through user charges. The City has three enterprise funds.

#### SEWER FUND

The Sewer Fund accounts for all programs associated with the collection and treatment of wastewater in the City. Activities include collection, treatment, billing, equipment replacement, plant expansion, system improvements, economic development, and the repayment of debt incurred to make improvements to the sewer system.

The primary source of revenue for the Sewer Fund is sewer service charges. The City Council authorizes increases to sewer service charges on an annual basis to cover debt service for major construction projects and the cost of inflation.

In Fiscal Year 2004-05, the City began a major renovation and improvement of its wastewater treatment plant and facilities. Funding has been provided through a State Revolving Fund loan, the city of Millersburg, and resources of the Sewer Fund.

Development fees, including systems development charges (SDC), vary with the level of residential and commercial development. SDC revenues for 2019-21 are projected to increase by \$630,000 over 2018-19.

#### WATER FUND

The Water Fund accounts for all activities associated with the provision of water to the citizenry of Albany. Activities include treatment, distribution, source (canal) maintenance, billing, plant expansion, system improvements, equipment replacement, economic development, and repayment of debt incurred to purchase and improve the water system.

The primary source of revenue for the Water Fund is water service charges. The City Council authorizes increases to the water rates on an annual basis to cover debt service for major capital projects and the costs of inflation.

In 2003, the City sold \$40.485 million of water revenue bonds to finance several large capital projects, including a new water treatment plant in a joint venture with the city of Millersburg, and to make fish screen, diversion dam, and hydroelectric improvements to the existing water system. The new treatment plant was put online in the fall of 2005.

Development fees, including systems development charges (SDC), vary with the level of residential and commercial development. SDC revenues for 2019-21 are projected to increase by \$287,000 over 2018-19.

#### STORMWATER FUND

The Stormwater Fund accounts for all programs associated with the collection of stormwater in the City. Activities include collection, equipment replacement, and system improvements to the stormwater system.

The primary source of revenue for the Stormwater Fund is stormwater service charges. Service charge revenues are estimated at \$4.3 million for 2019-21.

**NOTES:**

Actual revenues for Fiscal Years 2012 through 2018. Budgeted resources for 2019, 2020, and 2021.

Other Revenues: In Fiscal Year 2008, the Sewer Fund received \$1,000,000 from the City of Millersburg and \$710,000 from Settlement Proceeds.

In Fiscal Year 2010, the City received resources of \$2,000,000 from the City of Millersburg.

Transfers In: Intrafund transfers have been eliminated from all years in the table above.

Debt Proceeds: City of Millersburg & Riverfront Interceptor (RFI) loan.

2020	9,801,800	34,307,300	3,097,000	8,850,100	56,056,200
2021	10,370,500	1,957,600	2,574,700	5,650,800	20,553,600

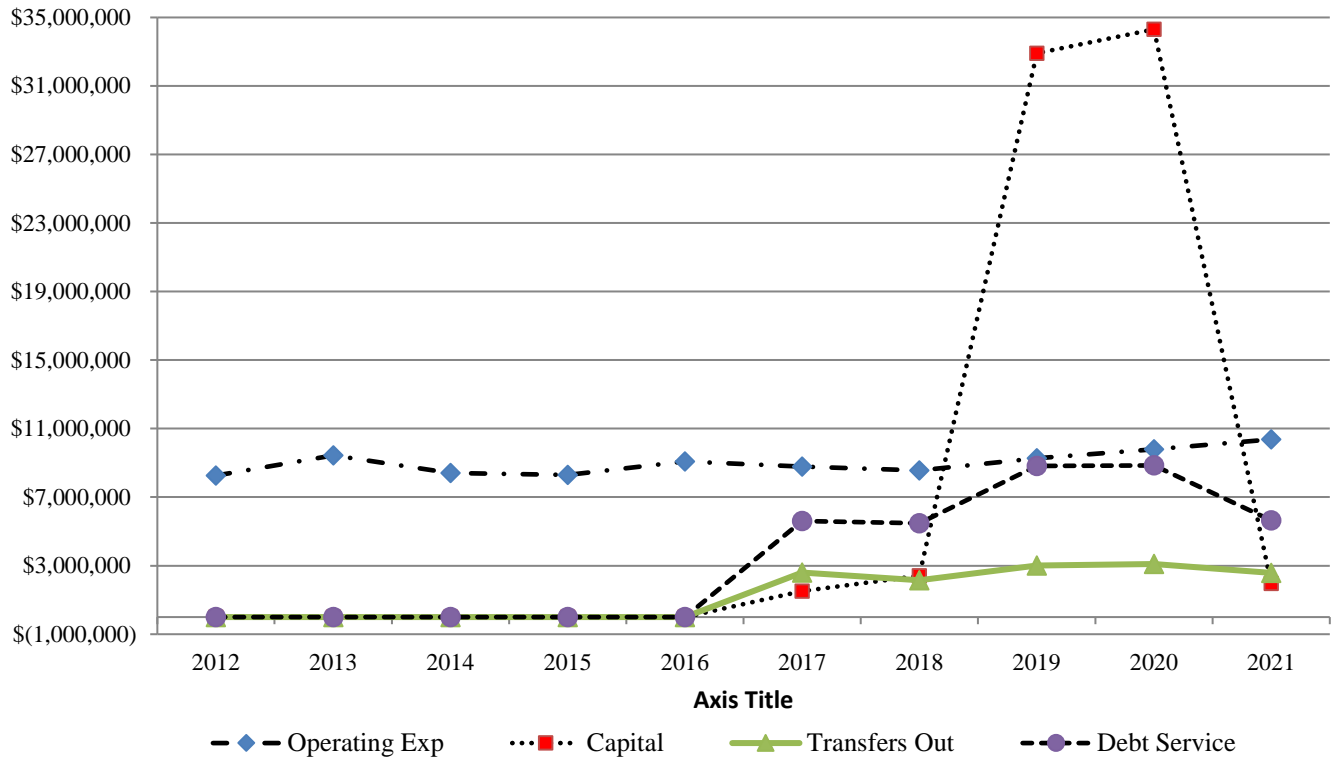

**NOTES:**

Actual expenditures for Fiscal Years 2012 through 2018. Budgeted expenditures for 2018-19, as well as 2019-20 & 2020-21. Operating Expenditures equal Personnel plus Materials and Services.

Debt Service includes Debt Reserves. In April 2010, a \$4.3 million payment was made on the SRF loan to finance the new sewage treatment plant.

FY 2019 & FY 2020 capital expenditures reflect the rivefront interceptor project.

### REQUIREMENTS, TEN FISCAL YEARS

**SEWER FUND  
DEBT SERVICE COMBINED BUDGET**

Detailed below are the resources dedicated to fund sewer system debt service. The Sewer Fund currently has one debt service program: Sewer Debt Service. The resource items listed below are included in the Sewer Fund - Resource Detail presented earlier.

Resources	2016-17 Actual	2017-18 Actual	2018-19		2019-21 Adopted Budget	% Change from 2018-19	% of Fund Budget
			Adopted Budget	Revised Budget

## PROGRAM NARRATIVE

### SEWER FUND: WASTEWATER ADMINISTRATION (601-40305)

**Responsible Manager/Title:** Chris Bailey, Public Works Operations Director  
 Jeff Blaine, P.E., Public Works Engineering and Community Development Director

#### FUNCTIONS AND RESPONSIBILITIES

- This activity provides funding for the Wastewater Superintendent and the PW Internal Services fund, which includes administration charges and charges for Operations Administration, PW Engineering Services, Water Quality Control Services, and Facilities Engineering.
  - Maintains the contingency for the Sewer fund.
  - Maintains a sustainable funding plan for the utility.
- Manages permit development, such as the City’s National Pollution Discharge Elimination System (NPDES) permit for the Albany-Millersburg Water Reclamation Facility (A-M WRF), monitors regulatory activities that affect utility operations, and participates in the development of state and federal rules and regulations.
  - Pays in-lieu-of franchise fees for the sewer utility.

#### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019			
Safe City	06/19	Ongoing	<ul style="list-style-type: none"> <li>• Adopt updated wastewater System Development Charge methodology.</li> </ul>
Budget Biennium 2019-2021			
Effective Government	06/21		<ul style="list-style-type: none"> <li>• Positively resolve litigation and implement operational improvements.</li> </ul>

#### STAFFING SUMMARY

## PROGRAM NARRATIVE

### SEWER FUND: WASTEWATER TREATMENT PLANT (601-40310)

**Responsible Manager/Title:** Kristin Preston – Wastewater Superintendent

Developed By: Scott LaRoque, Wastewater Treatment Plant Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- This activity funds the operation of the Albany-Millersburg Water Reclamation Facility (A-M WRF).
- The A-M WRF processes domestic and industrial wastewater from the City of Albany and domestic wastewater from the City of Millersburg.
- Complies by maintaining effluent quality within limits established in the City’s National Pollutant Discharge Elimination System Permit.
- Maintains the Peak Performance Award from the National Association of Clean Water Agencies for treatment performance.
- Maintains management and operational practices commensurate with the City’s Biosolids Management Program.

#### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
<b>Budget Year 2018-2019</b>			
Effective Government	06/19	Completed	<ul style="list-style-type: none"> <li>• Participate in pre-design activities for a biosolids composting facility.</li> <li>• Execute energy reduction capital projects to reduce annual energy consumption at the A-M WRF by 1.7 million kw hours.</li> <li>• Investigate flood protection mechanisms at the A-M WRF in the event of a 50-100-year flood event. Seek related grant funding opportunities.</li> </ul>
Effective Government	12/18	Completed

## PROGRAM NARRATIVE

### SEWER FUND: TWG WETLANDS (601-40315)

**Responsible Manager/Title:** Kristin Preston, Wastewater Superintendent

Prepared By: Scott LaRoque, Wastewater Treatment Plant Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- This activity funds the operation and maintenance of Talking Water Gardens (TWG) in coordination with the City of Millersburg and ATI Wah Chang.
- Monitor vegetation and add native plants as necessary to increase shade, transpiration, and diversity. Control invasive species using Integrated Pest Management (IPM) strategies.
- Ensure that TWG is operated and managed to provide maximum protection to the Willamette River, and to provide compliance with temperature allocations under the Willamette Total Maximum Daily Load (TMDL).
- Encourage public involvement at Talking Water Gardens by providing community group and educational tours and outreach programs.

#### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### SEWER FUND: WATER REUSE & BIOSOLIDS (601-40320)

**Responsible Manager/Title:** Kristin Preston, Wastewater Superintendent

Developed By: Scott LaRoque, Wastewater Treatment Plant Supervisor

### FUNCTIONS AND RESPONSIBILITIES

- This program is responsible for biosolids storage and reuse.
- Ensure that biosolids generated at the Albany-Millersburg Water Reclamation Facility (A-M WRF) are beneficially reused in conformance with state and federal regulations.
- This program is currently in a transitional phase pending resolution of the solids stabilization system limitations resulting from the failed Cannibal solids reduction system.

### STRATEGIES/ACTIONS

Strategic Plan Theme	Target Date	Status	Strategies/Actions
Budget Year 2018-2019

## PROGRAM NARRATIVE

**SEWER FUND: WASTEWATER COLLECTION (601-40325)**  
**Responsible Manager/Title:** Kristin Preston, Wastewater Superintendent  
**Developed By:** Jeff Gill, Wastewater Collections Supervisor

### FUNCTIONS AND RESONSIBILITIES

- To ensure compliance with City of Albany *Standard Construction Specifications*, this work group inspects all service replacement connections, including warranty video inspection of all mainline construction projects.
- The televising program is on a five-year cycle and provides updated information on needed sanitary mainline repairs and replacements.
- The wastewater pipelines are on a four-year cleaning cycle to prevent blockages that could cause overflows. Large diameter mains are cleaned and assessed on a five-year cycle. Root cutting is a two-year process.
- Responsible for flow monitoring within the wastewater collection and stormwater systems to monitor flows during routine operations and storm events.

**PROGRAM NARRATIVE**

**SEWER FUND: INDUSTRIAL PRETREATMENT (601-40330)**  
**Responsible Manager/Title:** Kristin Preston, Wastewater Superintendent  
 Developed by: David Gilbey, Environmental Services Manager

**FUNCTIONS AND RESPONSIBILITIES**

- This activity funds the Industrial Pretreatment Program, a regulatory program required by the National Pollutant Discharge Elimination System (NPDES) wastewater permit.
- Permits, inspects, and monitors industrial sewer users under federal and state regulations. Commercial and minor industrial sewer users in Albany and Millersburg are inspected regularly under the industrial survey.
- Performs plan reviews and code enforcement as related to environmental programs concerns.
- This program also samples and reports on wet-weather sewer overflows as required by the Oregon Department of Environmental Quality (ODEQ) and responds to spills to the wastewater collection or stormwater systems.
- Responds to problem discharges including expansion of the fats, oil, and grease (FOG) program.

## PROGRAM NARRATIVE

### SEWER FUND: SEWER SYSTEM CAPITAL PROJECTS (601-40350)

**Responsible Manager/Title:** Staci Belcastro, P.E., City Engineer

#### FUNCTIONS AND RESPONSIBILITIES

- This activity provides funding to repair, replace, or upgrade treatment facilities, pumping stations, and collection systems.
- Funding provided through this budget is used to repair or replace sewer system facilities, equipment, and structures that are not accumulating a depreciation reserve from a specific replacement schedule.
- Identify and complete capacity-increasing improvements necessary to support economic development and future growth.
- Replace inadequate piping in the collection system and managing the Sewer Lateral Replacement Program.
- Prevent sanitary sewer overflows by completing projects to reduce infiltration and inflow into the sanitary sewer system.
- Continue perpetual life replacement program of failing (cracked, collapsing) sewer pipes.

## PROGRAM NARRATIVE

### SEWER FUND: SEWER SDC IMPROVEMENT FEE PROJECTS (601-40355)

**Responsible Manager/Title:** Staci Belcastro, P.E., City Engineer

#### FUNCTIONS AND RESPONSIBILITIES

- This program is dedicated to funding eligible, capacity-increasing projects that are a direct result of new growth and development. Revenues are received from System Development Charges (SDC).
- In 1989, legislation was adopted in Oregon requiring justification and separate accounting of revenues and expenditures for all SDCs effective July 1, 1991. This budget was created in order to comply with that legislation.
- Provide funding for pipe over-sizing.
- The current wastewater SDC fee for a single-family residence is \$3,330 (effective July 2018). This program receives \$3,191 of the fee.
- Identify and complete capacity-increasing improvements necessary to support economic development and future growth.

## PROGRAM NARRATIVE

### SEWER FUND: SEWER SDC REIMBURSEMENT FEE PROJECTS (601-40360)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

---

#### FUNCTIONS AND RESPONSIBILITIES

- Revenues are received from System Development Charges (SDCs). These revenues reimburse the City for past investments in capacity-increasing projects identified in the City's adopted sewer SDC methodology.
- Funding provided through this program is used to complete capital projects within the sewer system.
- In 1989 legislation was adopted in Oregon requiring justification and separate accounting of revenues and expenditures for all SDCs. This program complies with that legislation.
- The current wastewater SDC fee for a single-family residence is \$3,330 (effective July 2018). This program receives \$139 of the fee.

## PROGRAM NARRATIVE

### SEWER FUND: SEWER ECONOMIC DEVELOPMENT (601-40365)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program annually receives up to \$100,000 from service charges to help fund economic development-related capital projects as approved by the City Council.
  - Fund balance for this program will be capped at \$500,000.
  - Council authorization to annually fund this program began in Fiscal Year 2003-2004.
-

## PROGRAM NARRATIVE

### WATER FUND: ALBANY-MILLERSBURG WATER TREATMENT PLANT (615-40410)

**Responsible Manager/Title:** Karen Kelley, Utility Superintendent – Water

Developed by: Mike Masters, Treatment Plant Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- This program funds the operation and maintenance of the Albany-Millersburg Water Treatment Plant.
- The Albany-Millersburg Water Treatment Plant provides water to residential, commercial, and industrial customers in Albany and Millersburg in conjunction with the Vine Street Water Treatment Plant.
- The plant has a current operating capacity of 12 million gallons per day and is operated 24 hours per day, 365 days per year to meet peak demand requirements including pressure, flow, and storage.
- Plant operators are responsible for acquiring and interpreting operational and water quality data and using that information to develop operating strategies that will meet water quality objectives set forth by the Safe Drinking Water Act and Oregon Drinking Water Quality Act, while managing efficient use of facility infrastructure and resources.
- Plant operators are responsible for responding to emergency situations in ways that protect public health and safety as well as facility infrastructure.

### WATER FUND: VINE STREET WATER TREATMENT PLANT (615-40415)

**Responsible Manager/Title:** Karen Kelley, Utility Superintendent – Water

Developed by: Mike Masters, Treatment Plant Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- This program funds the operation and maintenance of the Vine Street Water Treatment Plant (Vine WTP).
- The Vine Street Water Treatment Plant provides water to residential, commercial, and industrial customers in Albany and Millersburg in conjunction with the Albany-Millersburg Water Treatment Plant (A-M WTP).
- The plant has a current operating capacity of 14.5 million gallons per day, and is operated approximately 8 hours per day, 365 days per year to meet peak demand requirements including pressure, flow, and storage, as well as maintain filter readiness.
- Plant operators are responsible for acquiring and interpreting operational and water quality data and using that information to develop operating strategies that will meet water quality objectives set forth by the Safe Drinking Water Act and Oregon Drinking Water Quality Act, while managing efficient use of facility infrastructure and resources.
- Plant operators are responsible for responding to emergency situations in ways that protect public health and safety as well as facility infrastructure.

## PROGRAM NARRATIVE

### WATER FUND: WATER DISTRIBUTION (615-40420)

**Responsible Manager/Title:** Karen Kelley, Utility Superintendent – Water  
**Developed By:** Jeff Kinney, Water Operations Supervisor

#### FUNCTIONS AND RESPONSIBILITIES

- Operate and maintain the water distribution systems for the cities of Albany and Millersburg and the Dumbeck Lane Water District to assure adequate water pressure, flow, and quality. This includes a network of 292 miles of water mains; 8,045 valves; 2,084 fire hydrants; 19,012 meters, including 90 large meters (3-inch or greater); 9 reservoirs; 6 pump stations; and 54 water quality sample stations.
- Perform perpetual meter maintenance of all small meters; changing out all meters more than 20 years old.
- Ensure compliance with all Federal Safe Drinking Water Act and Oregon Drinking Water Quality Act Rules and Regulations.
- Maintain water system flushing, fire hydrant maintenance, valve survey and exercising, leak detection, water service installation, repair, replacement, and cross-connection programs.

**PROGRAM NARRATIVE**

**WATER FUND: CANAL MAINTENANCE (615-40425)**

**Responsible Manager/Title:** Karen Kelley, Utility Superintendent – Water

Developed By: Jeff Kinney, Water Operations Supervisor

**FUNCTIONS AND RESPONSIBILITIES**

- Performs routine operation and maintenance of the Albany-Santiam Canal. Water is diverted from the South Santiam River into the Canal southeast of Lebanon. The Canal runs approximately 18 miles from the diversion dam to the Vine Street Water Treatment Plant (WTP) and into the Calapooia River.
- Removes debris, performs vegetation and pest management, and routinely inspects and repairs bank condition to preserve bank stability.
- Operates hydro-electric generator to maximize revenue and comply with all relevant articles in the Federal Energy Regulatory Commission license.
- Controls and monitors flow and water levels to ensure adequate raw water supplies for Albany and Lebanon water treatment plants, hydro-electric facility, flow augmentation, and to control against flooding.
- Performs sampling and inspections according to developed schedules and procedures.

**STRATEGIES/ACTIONS**

**PROGRAM NARRATIVE**

**WATER FUND: WATER SDC IMPROVEMENT FEE PROJECTS (615-40455)**

**Responsible Manager/Title:** Staci Belcastro, P.E., City Engineer

**FUNCTIONS AND RESPONSIBILITIES**

- This program is dedicated to funding eligible, capacity-increasing projects that are a direct result of new growth and development. Revenues are received from Water System Development Charges (SDCs).
- Provide over-sizing component funding for City projects constructed by development projects.
- Identify and complete capacity-increasing improvements necessary to support economic development and future growth.
- The current SDC for the water system is \$2,690 for a single-family residence with a 3/4-inch meter (effective July 2018). This program receives \$2,304 of the fee.
- In 1989, legislation was adopted in Oregon requiring justification and separate accounting of revenues and expenditures for all SDCs. This budget complies with that legislation.

## PROGRAM NARRATIVE

### WATER FUND: WATER SDC REIMBURSEMENT FEE PROJECTS (615-40460)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

---

---

#### FUNCTIONS AND RESPONSIBILITIES

- Revenues are received from System Development Charges (SDCs). These revenues reimburse the City for past investments in capacity-increasing projects identified in the City's adopted water SDC methodology.
- The current SDC for the water system is \$2,690 for a single-family residence with a 3/4-inch meter (effective July 2018). This program receives \$386 of the fee.
- Funding provided through this program is used to complete capital projects within the water system.
- In 1989, legislation was adopted in Oregon requiring justification and separate accounting of revenues and expenditures for all SDCs effective July 1, 1991. This budget was created to comply with that legislation.

## PROGRAM NARRATIVE

### WATER FUND: WATER ECONOMIC DEVELOPMENT (615-40465)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program annually receives up to \$100,000 from service charges to help fund economic development-related capital projects as approved by the City Council.
- Fund balance for this program will be capped at \$500,000.
- Council authorization to annually fund this program began in Fiscal Year 2003-2004.

## PROGRAM NARRATIVE FORM

### STORMWATER FUND: STORMWATER ADMINISTRATION (625-40505)

**Responsible Manager/Title:** Chris Bailey, Public Works Operations Director  
Jeff Blaine, P.E., Public Works Engineering and Community Development Director

---

#### FUNCTIONS AND RESPONSIBILITIES

- This program provides funding for administration of the Stormwater fund and programs and the Public Works Internal Services fund, which includes Administration charges and charges for Operations administration, PW Engineering Services, Water Quality Control Services, and Facilities Engineering.
  - Maintains the contingency for the Stormwater fund.
  - Maintains a sustainable funding plan for the utility.
-

## PROGRAM NARRATIVE FORM

**STORMWATER FUND: STORMWATER OPERATIONS (625-40510)**  
**Responsible Manager/Title:** Chris Bailey, Public Works Operations Director

### FUNCTIONS AND RESPONSIBILITIES

- Manage stormwater runoff to minimize impacts to private property and public infrastructure.
- Inspect, maintain, and repair stormwater infrastructure including post-construction stormwater quality facilities.
- Respond to storm events to control street flooding, place high water signs, and close streets as necessary.
- One FTE is assigned to this program. Work is also performed by Wastewater Collections, Street Maintenance, and Water Quality Control staff.
- Respond to spills that may impact the stormwater system, including those affecting area streams and rivers.
- Ensure that National Pollutant Discharge Elimination System (NPDES) 1200-Z stormwater permit and Willamette Total Maximum Daily Load (TMDL) actions are implemented as required.

### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### STORMWATER FUND: STORMWATER CAPITAL (625-40550)

Responsible Manager/Title: Staci Belcastro, P.E., City Engineer

---

---

#### FUNCTIONS AND RESPONSIBILITIES

- Revenues are received from stormwater service charges, post-construction stormwater quality permit fees, and other post-construction stormwater quality program activities.
  - This program provides funding to repair, replace, or upgrade the stormwater collection system.
  - Funding provided through this program is used for design review and construction inspection of developer-initiated post-construction stormwater quality facilities.
  - Complete landscaping requirements on facilities where the developer has funded City installation of plant materials.
  - Construct post-construction stormwater quality retrofit projects.
- 
-

INTERNAL  
SERVICE  
FUNDS

## INTERNAL SERVICE FUNDS

### PROGRAM FUNCTIONS, REVENUE TRENDS, AND ASSUMPTIONS

Internal Service funds are used to account for the financing of goods and/or services provided to various City departments on a cost-reimbursement basis. The City has two Internal Service funds.

#### CENTRAL SERVICES FUND

The Central Services Fund provides services to all City departments. Those services are provided by the following programs: City Council & Administration, City Manager's Office, Finance, Human Resources, Information Technology Services, Geographic Information Systems Services, Permit Tracking Services, and Building Maintenance.

On a Citywide basis, each operating program is charged fees for the services provided by the Central Services Fund. The fees are based on a range of factors including number of personnel, current operating budget, pieces of information technology equipment, usage of the GIS and Permit Tracking systems, square footage, and age of City buildings.

#### PUBLIC WORKS SERVICES FUND

The Public Works Services Fund is divided into six programs: Administration, Engineering Services, Operations Administration, Water Quality Control Services, Public Works Customer Services, and Facilities and Maintenance Engineering, which primarily provide services to the Water, Sewer, and Street funds. Responsibilities include management of public improvements, traffic engineering and design, fee and rate development guidance, laboratory testing of water and wastewater samples, water and sanitary sewer flow monitoring, oversight of the bridge maintenance program, and oversight and development of the automated process control and monitoring system for water and sewer treatment.

<b>RESOURCES</b>		<b>REQUIREMENTS</b>	
Charges for Services	\$36,237,800	Personnel	\$27,641,400
Intergovernmental Resources	5,000	Materials and Services	8,945,100
Other Revenues	80,000	Capital	391,500
Investment Earnings	22,800	Transfers out	40,000
Transfers In	458,200		<hr/>
Beginning Balance	214,200		\$37,018,000
	<hr/> <hr/>		
	\$37,018,000		

## **COST ALLOCATION METHODOLOGY FOR CENTRAL SERVICES FUND PROGRAMS**

### **ADMINISTRATIVE SERVICES**

Administrative Services includes four programs: City Council and Administrative, City Manager's Office, Finance, and Human Resources. To calculate the amount of administrative charges to be allocated Citywide, the estimated budgets of the four programs are added together to determine the gross budget. Interest, miscellaneous revenues, and estimated beginning balance are subtracted from the gross budget to determine the net budget to allocate.

The net budgets for the four programs are divided into three cost centers: personnel, special assessments, and everything else. The total budget of 'personnel' cost center is allocated Citywide based on employee full-time equivalents (FTE). The total budget of the 'special assessment' cost center is allocated to the funds which generate property assessments: Water, Sewer, Street, and Parks funds. The 'everything else' cost center is allocated Citywide based on a fund's current year operating budget. The City does not allocate Central Services charges to the Grants, Risk Management, Public Safety Levy, Capital Replacement, Debt Service, Capital Projects, and Permanent funds.

For the 2019-21 biennium, the net budget to allocate is \$8,875,500, and the operating budget allocation basis is \$185,546,500, making the administrative central service charge average \$0.0478 per \$1 of operating budget.

### **INFORMATION TECHNOLOGY (IT)**

Information Technology Services is responsible for maintenance and support of the City's network infrastructure, business applications, telephone system, server room operations, database systems, systems security, backup and restore services, and hardware maintenance and replacement.

The first step in calculating IT service charges is to prepare the estimated budget for the IT Services program and to prepare a list of all of the IT equipment, personal computers, laptop computers, and mobile data terminals it is responsible for servicing. The IT services estimated budget is allocated as a Citywide service charge based on the number of pieces of equipment on the list.

For the 2019-21 biennium, the net budget allocation is \$3,415,100, and the total number of pieces of equipment in the allocation basis is 448, making the information technology charge of \$7,623 per piece of equipment.

### **GEOGRAPHIC INFORMATION SYSTEMS (GIS)**

GIS Services coordinates the planning, implementation, and maintenance of the Citywide Geographic Information System. The GIS Services program provides mapping services, analysis, application development, GIS software, and GIS training to participating departments. The GIS Services estimated budget is reduced by GIS sales, interest earnings, and beginning balance to determine the amount to allocate. The net budget is distributed to using programs based on their estimated use of services.

For the 2019-21 biennium, the GIS charges to using programs will be \$921,700.

**PERMIT TRACKING**

Permit Tracking is responsible for the day-to-day operation of the City's permit tracking software, including development, maintenance, and implementation of source code and documents required for generating permits and collecting fees. The Permit Tracking budget is reduced by estimated interest earnings and beginning balance to determine the net amount to allocate. The net budget is charged to using programs based on their estimated use of services.

For the 2019-21 biennium, the Permit Tracking charges to using programs will be \$241,500.

**BUILDING MAINTENANCE**

Building Maintenance is responsible for providing in-house and contractual services for building maintenance, repair, and renovation of sixteen City facilities including City Hall, both libraries, four fire stations, the police station, and parks, airport, and transit facilities. The estimated Building Maintenance budget is allocated based on a formula which considers a number of factors including square footage and age of the facility.

For the 2019-21 biennium, the Building Maintenance charges to using programs will be \$1,640,400.

**FISCAL YEAR SURPLUS/DEFICIT**

At biennial year-end, any net surplus (total revenues less total expenditures) will be refunded Citywide using the same allocation proportion as when initially charged. An allowance for the estimated beginning balance of the new fiscal year will be considered when determining the amount of the refund. In a deficit situation, significant additional charges would be approved and program expenditures appropriated by City Council action.

**PROGRAM NARRATIVE**

**CENTRAL SERVICES: COUNCIL & ADMINISTRATION (701-11001)**

**Responsible Manager/Title:** Peter Troedsson, City Manager

**FUNCTIONS AND RESPONSIBILITIES**

- The seven-member City Council is responsible for establishing general policies that govern the functions and operations of the City, accomplished primarily through the adoption of ordinances and resolutions.
- The Council meets in regular meetings on 24 occasions during the year. In addition, many special meetings and Council work sessions are held to study upcoming issues and develop an understanding of their impacts upon the community.
- Council members represent the City in many areas of community activity; e.g., AMEDC, Linn-Benton Transit Committee, Cascades West Council of Governments, and Albany Visitors Association.
- The Council oversees the development of a balanced budget that reflects changing costs, revenues, and constitutional limitations.
- The Council develops a multiyear Strategic Plan and adopts updates annually.

**PROGRAM NARRATIVE**

**PUBLIC WORKS SERVICES FUND: ENGINEERING SERVICES (705-40605)**

**Responsible Manager/Title:** Staci Belcastro, P.E., City Engineer

**FUNCTIONS AND RESPONSIBILITIES**

- Manage the design and construction of capital improvement projects.
- Manage public improvements constructed through the Local Improvement District (LID) process. Includes efforts to form the district, prepare the engineer’s report, conduct engineering designs, manage construction, and develop final assessments.
- Coordinate with developers through the Site Improvement (SI) Project process to evaluate the adequacy of existing infrastructure and to issue permits for privately constructed public improvements.
- Transportation management responsibilities include traffic engineering and design, transportation planning, and development review.
- Provide financial planning, System Development Charges (SDC) fee and rate-setting guidance, and policy development for the water, wastewater, stormwater, and transportation utilities.
- Provide long-range facility planning services for the City’s water, wastewater, stormwater, and transportation facilities.
- Manage administration of the sewer lateral replacement program.
- Support Community Development in developing conditions of approval for land use applications.
- Manage the City’s Erosion Prevention Sediment Control (EPSC) program for compliance with State of Oregon regulations and guidelines.
- Manage the City’s Post-Construction Stormwater Quality program for compliance with local, state, and federal regulations and guidelines.
- Oversee and develop the Bridge Maintenance Program. Provide interaction with the state highway department and subcontractor for National Bridge Inventory (NBI) bridge inspections.

## PROGRAM NARRATIVE

### PUBLIC WORKS SERVICES FUND: OPERATIONS ADMINISTRATION (705-40615)

Responsible Manager/Title: Chris Bailey, Public Works Operations Director

---

#### FUNCTIONS AND RESPONSIBILITIES

- Provides management for the Operations work groups including Water Distribution, Wastewater Collection, Water and Wastewater Treatment Plants, Street Maintenance, Facilities Engineering, Transit, and Utility Facilities Maintenance.
- Provides emergency on-call service for Public Works.

---

#### STRATEGIES/ACTIONS

<u>Strategic Plan Theme</u>	<u>Target Date</u>	<u>Status</u>	<u>Strategies/Actions</u>

## PROGRAM NARRATIVE

### PUBLIC WORKS SERVICES FUND: FACILITIES & MAINTENANCE ENGINEERING (705-40620)

**Responsible Manager/Title:** Chris Bailey, Public Works Operations Director

Developed by: Mike Bryan, Public Works Technical Services Manager

#### FUNCTIONS AND RESPONSIBILITIES

- Manage Public Works infrastructure asset data through the Cartegraph Maintenance Management Software (CMMS) system.
- Assist in the review of existing infrastructure condition reports and assist in developing plans for future rehabilitation/replacement work.
- Manage preventive, predictive, and corrective maintenance management tasks including repairs and replacement of the various pieces of equipment at the water treatment plants (WTPs) and Albany-Millersburg Water Reclamation Facility (A-M WRF) as well as all remote sites.
- Provide inventory support and control for the Operations department.
- Oversee and develop Supervisory Control and Data Acquisition (SCADA) automated process control and monitoring systems for the WTPs and A-M WRF and associated systems outside of the plants.
- Perform weekly, biweekly, monthly, six-month, and annual inspections of 8 reservoirs, 5 water pump stations, and 16 sewer lift stations as well as performing large-scale preventive maintenance and repairs at the treatment facilities. Perform most of the fabrication work for all the sections in Public Works.

#### STRATEGIES/ACTIONS

## PROGRAM NARRATIVE

### PUBLIC WORKS SERVICES FUND: WATER QUALITY CONTROL SERVICES (705-40625)

**Responsible Manager/Title:** Kristin Preston, Wastewater Superintendent

#### **FUNCTIONS AND RESPONSIBILITIES**

- Provides outreach for citizens of Albany on water conservation, stormwater runoff, and other issues of concern to the City. Provides educational outreach to Albany schools on water and related environmental issues.
- Performs laboratory tests on canal samples, stormwater samples, biosolids, and other tests as required. Coordinates contract lab sample collection and testing.
- Provides water conservation opportunities for customers like indoor/outdoor water conservation kits and rebate programs.
- Assists in developing City response to regulatory requirements relating to water quality, including federal and state stormwater, Total Maximum Daily Load (TMDL), and pretreatment requirements.

# CAPITAL BUDGET

## City Manager's Message

### To the City Council and Citizens of Albany:

Stewardship of our City's infrastructure requires planning for re-investment and improvement. This is an integral part of Albany's strategic planning process and helps to provide a long-range plan for the improvement of the City's infrastructure, in support of the goals and objectives in our Strategic Plan. The 2020-2024 Capital Improvement Program (CIP) is a planning document that identifies anticipated capital projects over the next five years; it totals \$45.3 million.

All City departments having a responsibility for capital projects contribute to the development of the CIP. It is a short-range plan that identifies capital projects and equipment purchases, provides a planning schedule and identifies funding sources. It provides a working blueprint for sustaining and improving the City's infrastructure, and reflects coordination of strategic planning, financial capacity, and physical development. The CIP stands at the center of the City's Community Development, Public Works, and Finance departments.

Oregon is the third fastest growing state in the United States, and Albany is experiencing much of that growth. The benefits of growth are well known, but growth doesn't come without growing pains. As the City's population grows, as buildings are built, public infrastructure needs to grow in order to support the growing population. The lists of "Unfunded Projects" in each section are lengthy, and they reflect the needs and desires of our growing and thriving community.

At the same time, existing infrastructure, some over 100 years old, continues to age...requiring replacement or refurbishment. The record keeping of 100 years ago was not nearly as comprehensive as it is today, and there are often surprises - like the wooden water pipes that were discovered in the summer of 2018 as downtown streets were reconstructed during the streetscape project. Public infrastructure, just like your own home or vehicle, needs to be maintained. If maintenance is deferred or overlooked, maintenance becomes more expensive. In some cases, the degradation of the system can lead to catastrophic results.

Evolving regulatory requirements also have an impact on planning for capital investments. Two examples are the requirements associated with the Americans with Disabilities Act (ADA) and those associated with the Municipal Separate Storm Sewer System – MS4 for short. The ADA aims to make public infrastructure accessible to persons with disabilities and sets out standards for accessible design. Obviously, municipalities with infrastructure as old as 100 years will take some time to come into full compliance. The MS4 imposes requirements that seek to mitigate the effects of polluted stormwater runoff which is commonly transported through municipal storm sewer systems and discharged into local water bodies. While the public benefits of regulatory requirements such as these are easy to understand, the costs of compliance are significant.

In the development of Albany's CIP, we allocate resources by evaluating the condition of the infrastructure, its level of use, and the long-term costs of continued deterioration. Projects that are funded are those which score the highest using these criteria. Projects that are deferred tend to be those that are least likely to have an immediate effect on the infrastructure. This prioritization strategy is necessary when resources are limited, but the risk of infrastructure failures increases when we cannot adequately invest in maintaining and preserving the life of the component parts.

Management and planning staff continue to seek partnerships and innovative funding opportunities and mechanisms. They keep a sharp eye out for advances in technology that help to reduce the costs of maintenance. Nevertheless, current levels of funding simply do not fully support the City's infrastructure needs. Opportunities to fund new transportation infrastructure or upgrade existing infrastructure are expected to be very limited, and the deferral of maintenance continues in streets, transportation, and utility improvements.

The costs of aging infrastructure are unavoidable. Our emphasis is on sound stewardship, and our staff work diligently to maintain and improve the capital assets in the City's portfolio within a resource-constrained environment. The CIP is an important part of documenting this work and planning for the future of our City's capital needs.

Respectfully submitted,

Peter Troedsson  
City Manager

## Decisions, Decisions, Decisions!

*Strategic planning will focus our community strategies and actions*

The City of Albany Strategic Plan is guided by three fundamental elements: our mission, our vision, and our core values. Our mission statement is based on the principles of high quality and continuous improvement. Our vision statement presents a compelling future toward which our strategic plan is directed. Both our mission and our vision are founded on basic values that guide all our actions and reflect what we expect from our employees and elected officials.

<p><b>Our Mission:</b> Providing quality public services for a better Albany community.</p> <p><b>Our Vision:</b> A vital and diverse community that promotes a high quality of life, great neighborhoods, balanced economic growth, and quality public services.</p>
---

If our mission and vision statements are to have any meaning, they must be accompanied by deliberate planning efforts to move the organization and community toward a desired future. This requires clearly defined goals, proactive objectives, committed leadership, and effective management under significant forces of change. These forces include changing community demographics, new state and federal mandates, fiscal constraints, changing economic conditions, emerging technologies, and many other influences on our service delivery efforts. High-performing organizations are those that learn to anticipate and adapt to change by creating value for those we serve, and motivation and meaning for those who serve them. The best tool for accomplishing our community objectives is strategic planning. Therefore, the Albany City Council has developed a strategic plan.

The four primary themes of the strategic plan are Great Neighborhoods, a Safe City, a Healthy Economy, and an Effective Government.

### Financial Planning

The Capital Improvement Program (CIP) is a planning document that identifies capital projects in the next five-year horizon for elected officials, citizens, and staff. The first two years of the CIP will be the basis for developing the capital portion of the forthcoming city budget for 2019-2021. This CIP shows the total cost of a project in the year it is funded. Once a project appears in the first two years of the CIP and makes it into the budget, it does not appear again in the CIP because the project has moved beyond the planning phase.

### How to Use This Report

Each section of the report deals with a major infrastructure service the City provides. You will find separate sections for accessibility, finance, parks, public facilities, revitalization, stormwater, transportation, wastewater, and water. There is also a community needs section showing the most important projects without secured

funding sources.

Each project scheduled over the next five years is individually identified. Each project shows the total cost and the sources of money used to pay for it. In certain cases, special emphasis by way of a signpost is shown for projects financed through General Obligation bonds or revenue bonds, along with those projects qualifying for System Development Charge funding for some or all of their costs.

Example:

**REVENUE BOND**

**SDC**

Each project has a unique CIP identification number attached to it. Related projects occurring in different areas, or over several years, are linked by use of a phase identifier. As a result, on any given project sheet, you will also see all the related projects regardless of the CIP section in which they appear.

Throughout the CIP document there are many commonly-used acronyms. The following list provides those most frequently used:

- AC – Asbestos Cement
- CARA – Central Albany Revitalization Area
- HDPE – High Density Polyethylene
- SDC – System Development Charges
- STP – Surface Transportation Program

## **The CIP Process**

Actually, it is fairly simple. This report is distributed to the City Council, Planning Commission, and Budget Committee and copies are made available to the public at the libraries, City Hall, and on the City's website. A joint work session of the City Council, Planning Commission, and Budget Committee is held to go over the proposed project list and give opportunity to ask questions to clarify issues and information.

Following the joint work session, a public hearing is held where everyone is invited to express feelings about these plans for the future. Following the public hearing process, the City Council revises the CIP as necessary and then adopts the final Program. This final version becomes the basis for projects found in the City Budget.

## **Cross Check: Accomplishments and Ongoing Projects**

The following list shows projects funded in prior CIPs and budgets that are currently in process or that have been revised or completed. Because these and earlier continuing projects have been authorized and funded, they no longer appear in the detail pages of the CIP.

## **ACCESSIBILITY**

**COMPLETED #2004, Phase 2, Improved Pedestrian Crossings at Transit Stops (Phase 2)**

**COMPLETED #2216 Dave Clark Path ADA Improvements**

## **PARKS**

**COMPLETED #1892 Sunrise Park Playground Replacement**

**IN PROCESS #2379 Pickleball Courts Phase 2**

Construction is currently scheduled for summer 2019.

**DEFERRED #2008 East Thornton Lake Natural Area Development**

Construction has been suspended indefinitely due to a lack of operating and maintenance resources. Design of improvements is proceeding.

## **PUBLIC FACILITIES**

**IN PROCESS #2179 Fire Station 14 Water Reclamation Project**

This project is currently on hold pending sufficient funding.

## **REVITALIZATION**

**ONGOING #1339 CARA Central Albany Building Revitalization Program**

This Central Albany Revitalization Area (CARA)-funded program offers technical assistance, loans, and grants for the private redevelopment of commercial structures, as well as funding for specific public infrastructure projects in the 919-acre Urban Renewal District.

## **STORMWATER**

**IN PROCESS #1958 Stormwater Master Plan**

This project is currently underway with an estimated completion in winter 2020.

## **TRANSPORTATION**

**COMPLETED #1002, Phase 6 Hill Street: Queen Avenue to 24<sup>th</sup> Avenue**

**COMPLETED #2225 Oak Street Rehabilitation – 34<sup>th</sup> to 38<sup>th</sup> Avenue**

**COMPLETED #2378 24<sup>th</sup> Avenue & Geary Street Pedestrian Improvements**

**IN PROCESS #2064 Crocker & Gibson Hill Traffic Signal**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2124 Santa Maria Street Improvements**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2207 Hill Street: 24<sup>th</sup> Avenue to 34<sup>th</sup> Avenue**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2407 Lochner Road Improvements**

Construction is currently scheduled for summer 2020.

**WASTEWATER**

**COMPLETED #2215 2018 Collection System Rehabilitation Projects**

**COMPLETED #2389 Albany-Millersburg Water Reclamation Facility Vertical Loop Reactor (VLR) Equipment Upgrades**

**IN PROCESS #2295 2019 Collection System Rehabilitation Projects**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2323 Cox Creek Interceptor Projects – P7**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2377 Santa Maria Sewer Extension**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2390 2019 Sewer Point Repairs**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2391 14<sup>th</sup> & Oak Lift Station Upgrade**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2405 Riverfront Interceptor (RFI) Wet Weather Lift Station and Force Main Improvements**

Construction is currently scheduled for summer 2019.

**DEFERRED #2426 Cox Creek Interceptor Projects – P8**

This project has been reprogrammed into the CIP for fiscal year 2021/2022.

**DEFERRED #2331 Cox Creek Interceptor Projects – P10A**

This project has been reprogrammed into the CIP for fiscal year 2023/2024.

**WATER**

**COMPLETED #1606 Lafayette, Cloverdale, Peach Tree, Cherry and Fairway Area**

**COMPLETED #2187 Canal Diversion Structures**

**COMPLETED #2290 Pine Meadows Water Line Replacement**

**COMPLETED #2300 Oak Street Water Line – 34<sup>th</sup> to 38<sup>th</sup> Avenue**

**COMPLETED #2314 Crown Zellerbach Gate Evaluation and Improvements**

**COMPLETED #2332 Backwash Ponds Improvements**

**IN PROCESS #1002, Phase 2 Hill Street: 24<sup>th</sup> Avenue to 34<sup>th</sup> Avenue**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2221 Belmont Avenue Area Water Line Replacements**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2319 Vine Street WTP Accelerator Improvements**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2371 Santa Maria Water Line**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2372 Albany-Millersburg Water Treatment Plant Intake Generator**

Construction is currently scheduled for summer 2019.

**IN PROCESS #2398 Vine Street Water Treatment Plant Improvement Projects**

Construction is currently scheduled for summer 2019.

## Got a Question?

Some of the information and issues in this report can be rather complex. If you are having trouble understanding something or have a question, your City staff stands ready and willing to provide the information you need.

# Paying for Capital Projects

*A preliminary look at financing, pending further decisions*

Let us make it clear right at the top: there is not enough money available for all the projects the City needs to do. In most cases the source of money determines which projects get included. For instance, Water Fund revenue can only be spent on water projects. The money each of these funds receives must be spent for the purposes for which the fund was created.

## Sources of Funding

The table on the next page shows the relative breakdown of funding sources for all the projects contained in the 2020-2024 CIP.

This chart shows a projection of funds needed for projects in any given year. As you can see, the relative amounts of money can vary significantly and can change from year to year based on the projects being constructed.

Grants are a one-time source of money. To rely on grants as a major source of improving our infrastructure is a precarious approach. The money may or may not be there and is available only through decisions made outside our community. While the City actively looks to get grants where available, we still have to provide our own source of money for a portion of the cost, even on grant projects.

Any given project can have funding from more than one source. For instance, a major sewer upgrade project may be funded by a combination of Sewer Rate revenue and Sewer Improvement System Development Charges (SDC) revenue. Each project in this CIP will have all funding sources clearly identified.

**What is a Fund?**  
A fund is an accounting term that denotes a stand-alone operation that has its own set of accounting books. Even though it is part of the City, for financial purposes it operates as a separate service.

## Projected Cost Totals by Funding Source

<b>FUNDING SOURCE</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024</b>	<b>TOTAL</b>

Settlement Proceeds	\$3,753,000	\$0	\$0	\$0	\$0	\$3,753,000
Sewer Rates/Operating Revenues	\$4,057,300	\$975,000	\$2,597,000	\$2,187,000	\$3,823,000	\$13,639,300
State of Oregon	\$0	\$515,000	\$0	\$0	\$0	\$515,000
State of Oregon STP - AAMPO	\$0	\$1,353,700	\$0	\$0	\$0	\$1,353,700
Street Capital Reserves	\$1,140,000	\$2,907,300	\$2,639,000	\$1,789,000	\$3,079,000	\$11,554,300
Water Rates/Operating Revenues	\$2,159,000	\$1,991,000	\$1,204,000	\$2,260,000	\$4,300,000	\$11,914,000
<b>TOTAL:</b>	<b>\$11,549,000</b>	<b>\$7,822,000</b>	<b>\$7,602,000</b>	<b>\$7,144,000</b>	<b>\$11,202,000</b>	<b>\$45,319,000</b>

## **Financing Projects with Bonds or Loans**

The City finances capital projects primarily through taxes and fees for service. In order to stretch the buying power of the available resources and to pay for big-ticket projects, the City may issue General Obligation bonds or revenue bonds. Bonds are sold in the worldwide financial marketplace in order to get the lowest interest rate possible. The federal tax code provides for municipal bonds that can be tax-exempt for the people or institutions that buy them. Because of this tax break, the interest rate is usually much lower than would be paid for a prime-rate loan from a bank. This saves the taxpayers money.

There are two types of bonds:

General Obligation (GO) bonds must be approved by a vote of the people before they can be issued. This is because GO bonds result in an additional property tax above and beyond the property tax otherwise paid. The bonds are secured by the revenue from the tax and the tax lasts only for the life of the bonds, usually 15 to 20 years.

Revenue bonds are not backed by property taxes and, in Albany, also require a vote of the people. Revenue bonds are repaid out of specific revenues, such as water rates for a water revenue bond.

In addition to bonds, the City can secure a loan from a bank or other source. It is important to remember bonds and loans are not a source of revenue; they are financing tools. The sources of revenue to pay for the projects are the taxes or rates that secure the bonds or loan.

## **The Five-Year Plan in a Snapshot**

The following table shows the total cost of projects authorized in each of the next five years for each major category of capital projects. Some projects will be paid for in a single year, while other projects will take three years or more to complete.

Occasionally new issues, changing cost and revenue realities, or shifts in City priorities will cause a project, or a number of projects, to be either bumped forward or back in the five-year schedule. Any changes of this nature would be reflected in future CIP documents.

## Projected Cost Totals by Category

<b>CATEGORY</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024</b>	<b>TOTAL</b>
Accessibility	\$0	\$0	\$0	\$209,000	\$0	\$209,000
Parks	\$0	\$0	\$0	\$0	\$0	\$0
Public Facilities	\$0	\$0	\$0	\$0	\$0	\$0
Revitalization	\$0	\$0	\$0	\$0	\$0	\$0
Stormwater	\$0	\$0	\$0	\$0	\$0	\$0
Transportation	\$1,140,000	\$4,856,000	\$2,639,000	\$1,789,000	\$3,079,000	\$13,503,000
Wastewater	\$8,175,000	\$975,000	\$3,759,000	\$2,187,000	\$3,823,000	\$18,919,000
Water	\$2,234,000	\$1,991,000	\$1,204,000	\$2,959,000	\$4,300,000	\$12,688,000
<b>GRAND TOTALS:</b>	<b>\$11,549,000</b>	<b>\$7,822,000</b>	<b>\$7,602,000</b>	<b>\$7,144,000</b>	<b>\$11,202,000</b>	<b>\$45,319,000</b>

### Major Needs that Remain Unfunded

*Projects to strengthen our community...if funding is made available*

This section of the CIP highlights projects that are considered important but don't have a funding plan identified.

#### Central Albany Revitalization

Central Albany remains a focus for public and private redevelopment and economic development activity. While CARA funding has stimulated significant private investment, completion of the vision for central Albany will require spending beyond the scope of the renewal agency. The following are among the projects that do not have fully identified funding:

- Public Spaces – The Central Albany Land Use and Transportation Study (CALUTS) Plan and the Town Center Plan call for a suite of public spaces designed to enhance the central Albany area, provide spatial organizing elements, offer alternate transportation options, and stimulate private investment.
- Water Avenue – The Water Avenue Streetscape Design Guide (2008) calls for reconstruction of Water Avenue from Washington Street to Main Street. This will be a key investment to support redevelopment of parcels along the river, including the riverfront housing in the Town Center Plan concept. CARA has formally committed to development of the Water Avenue corridor and has directed staff to take steps to arrive at buildable plans for the street as well as adjacent publicly owned lands. With buildable plans in hand, it is expected that a combination of CARA backed funding and other grants related to park space redevelopment and improved river access will bring the project to fruition.

#### Park Repair and Replacement Needs

There is a significant backlog of park repair and replacement projects. Examples of these projects include the replacement of unsafe, 35-year-old playgrounds; ball field lighting systems; irrigation systems; walkways and parking lots; and park buildings/structures. The 2006 Parks Master Plan proposes several projects that would address many of these needs through a funding mix including Parks SDCs, annual operating dollars, private donations, and grants. Currently, the total backlog is estimated at \$3.5 million. However, these funds have not yet been secured. Without a new funding source, the backlog will not be adequately addressed, requiring that facilities and equipment may be closed or removed when no longer serviceable.

#### Fire and Police Departments

- Both Fire and Police emergency responders lack adequate local training facilities to develop new skills and maintain proficiency and current capabilities. Emergency responders' skills must be maintained to safely and adequately handle the numerous high-risk and hazardous events they encounter. The Fire Department's training tower was demolished to accommodate construction of a new main fire station. Construction of the new station did not include replacing this critical aspect of a training center and firefighters currently travel to other communities to complete this essential training. A functional tower is an important training aid for firefighters and an important

part of a training center. At this time the best solution is to relocate the City bus storage from behind Fire Station 12, build a new training tower, and enhance the training capabilities at that location. The Departments will continue to evaluate options for adequate space to conduct necessary training activities.

- Fire and Police facilities need to be maintained. The asphalt around Fire Station 12 on 34<sup>th</sup> Avenue needs to be replaced at a price of approximately \$200,000. A direct funding source for building and property maintenance is currently not available, and this creates ongoing maintenance issues for the Fire Department as facilities age. Both Fire and Police need long-term dedicated funding to properly maintain existing facilities.
- Fire Department emergency communications systems and radios need to be upgraded and replaced. Current emergency radios have reached the end of their life span and are failing and a new County-wide radio system is needed. An adequate radio directly relates to firefighter safety as firefighters must be able to communicate appropriately with command staff and dispatch during a critical emergency event. This is a major project that will require much coordination and funding from multiple agencies or an outside grant. As a City, we must identify the best course of action to replace our aging system and then funds must be allocated to implement a new system. A consultant is being hired to evaluate the current communications system and provide recommendations. Once a clear path forward has been established, a funding strategy must be identified to replace the radio system and improve the safety for our firefighters.

## **Street Construction and Preventative Maintenance**

The needs for street repair and improvement continue to grow while funding remains relatively stagnant and insufficient to address needs. A recent increase in the state gas tax will help but won't be enough to fully fund proper repair and maintenance of the City's pavement infrastructure. Collector and arterial streets alone require an estimated one-time investment of \$20M (in 2017 \$) to improve the worst streets and an ongoing annual investment of approximately \$5M (in 2017 \$) to keep them in decent condition (Council goal is a minimum Pavement Condition Index (PCI) of 60). Current revenues fall substantially short of these funding levels. Residential streets also require maintenance, further expanding the funding gap.

Without adequate maintenance, roads will continue to deteriorate and ultimately require full reconstruction. Reconstruction of streets is several times more expensive than ongoing repair and preventative maintenance.

## **Stormwater Infrastructure**

In 2017 the City established a new utility for stormwater which created a dedicated funding source for stormwater activities. Initial service charges were set to cover the limited stormwater activities already conducted by the City but previously funded using other resources. In 2018, the City Council approved a schedule of stormwater rate increases that will generate funding to move beyond simply replacing existing funding and begin generating revenue that can be used to improve the system and comply with new regulations. At the same time, the program of systematic cleaning and inspection of stormwater infrastructure is continuing. This data will be used to populate the database of stormwater assets so that the City can implement an asset management approach to maintaining the stormwater system.

Stormwater utility funding is critical to the success of stormwater management in Albany. The future funding targets accepted by the City Council in 2018 are designed to fund capital improvements associated with street improvement projects, and implementation of the new Municipal Separate Storm Sewer System (MS4) permit. Work is ongoing to develop a stormwater master plan that will identify

capital improvement projects to address existing capacity constraints as well as utility extensions to serve growth. Additional funding will be required in future years to begin implementing an asset management approach for stormwater, to fund capital projects for pipe replacement, and to address unserved and underserved areas of the city.

### **Albany Train/Multimodal Station**

The Albany train/multimodal station has been a great success. The station is seeing high volumes of use and often the existing parking is near or at capacity. To allow continued growth of the multiple transportation services using the station to service the region, additional space for parking will need to be developed.

### Addressing Physical Barriers

The City recognizes that one of the characteristics of a truly great city is a commitment to ensuring all members of the community have equal access to public and private facilities and amenities. We strive to have inclusive public infrastructure that adequately meets the needs of all citizens. Through progressive efforts, Albany's public facilities will become increasingly accessible.

#### Acknowledging We Cannot Remedy All Issues Now

From steep slopes to stairs, there are many barriers to accessibility around the City. This is common in established cities, as much of the infrastructure, including sidewalks, was constructed before accessibility standards were enacted or even considered. The prevalence of these barriers may make complete accessibility seem daunting. Careful planning and proactive efforts ensure continued measurable progress will bring considerable benefits to Albany's citizens. In addition, because all new projects are required to be accessible, the number of deficiencies throughout the city will decline as the City continues to invest in replacing infrastructure that has exceeded its design and functional life.

In compliance with the Americans with Disabilities Act (ADA), fixing accessibility deficiencies is incorporated into the City's transportation infrastructure upgrade plans. This includes incorporation into transit improvement plans and the installation of new curb ramps where none exist. Staff will continue to design and implement plans for improved accessibility. Such plans for new projects will meet either the *ADA Standards for Accessible Design* or the Access Board's *Accessibility Guidelines for Pedestrian Facilities in the Public Right-of-Way*.

#### Transitioning toward Accessible Facilities

This past year saw completion of the Dave Clark ADA Improvements project. The Dave Clark ADA project provided an accessible route between downtown Albany and Bowman Park with repair of broken sidewalks and construction of curb ramps. The primary ADA construction project identified in this CIP window is for improvements on Washington Street.

Separate from dedicated ADA projects, the City continues to make substantial investments in improving accessibility throughout Albany. These efforts are typically paired with other required maintenance or capital project activities. For instance, when a street improvement is planned, City staff evaluates the need for curb ramp placement or replacement and incorporates this work into the project. Many new ADA-compliant curb ramps are added each year through this process. This past year in conjunction with street improvements, 43 ramps were replaced. A small amount of funding is also set aside each year to allow the City to address a limited number of complaint areas as they arise. Another 31 ramps have been replaced in response to specific ADA concerns expressed by residents.

A citywide ADA transition plan update is underway. The updated transition plan will set a path toward bringing the City’s Public right-of-way, parks, public facilities, and programs into compliance with the ADA. As required by the Americans with Disabilities Act, complaint areas are a first priority.

Private development proposals are also evaluated for accessibility compliance, inspections are performed to ensure all new public and private construction meets accessibility requirements, and complaints about inaccessible public and private elements and facilities are received and investigated. Our goal is to address access-related citizen concerns in a timely and productive manner while continuing to transition City facilities toward improved accessibility.

Lastly, the City considers accessibility and evaluates ADA compliance as part of many other activities. For example, the Parks Department plans to include an ADA component in their upcoming master plan, ADA improvements have been incorporated into annual action plans for Community Development Block Grants (CDBG), and accessibility has been considered in the City’s Emergency Management Plan.

### **Funding Summary**

The following table shows the total amount of projects scheduled in each of the five years of this CIP, broken down by the source of the funding. The costs shown are the projected construction costs in the year the project is proposed. Each year we take the estimated cost of the projects and bring them up to current year costs by applying the change in the Engineering News-Record (ENR) construction cost index for Seattle. The future year costs then have an annual three percent inflation factor added in to estimate the cost in the year proposed.

### **Projected Cost Totals**

<b>FUNDING SOURCE</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024</b>	<b>TOTAL</b>
ADA Capital Reserves	\$0	\$0	\$0	\$209,000	\$0	\$209,000
<b>GRAND TOTALS:</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$209,000</b>	<b>\$0</b>	<b>\$209,000</b>

## Funded Projects Summary & Detail

The following projects have been identified for inclusion in this five-year Capital Improvement Program.

Each project shown below is explained in detail on the pages that follow. Projects are listed in the fiscal year order they are planned to occur, and in CIP ID# order within a given fiscal year set.

CIP #	Phase	Title	Projected Total
<b>Plan Year: 2022 – 2023</b>			
2172		WASHINGTON STREET ADA IMPROVEMENTS – 2ND AVENUE TO 9TH AVENUE	\$209,000
<b>Total for FY 2022 - 2023</b>			<b>\$209,000</b>
<b>Grand Total for Accessibility:</b>			<b>\$209,000</b>

**Plan FY: 2022-2023 WASHINGTON STREET ADA IMPROVEMENTS – 2ND AVENUE TO 9TH AVENUE**

**CIP Project #: 2172**

**Master Plan:**

**Plan Element:**

**Category:** Accessibility

**Classification:**

**Department:** Public Works Department

**Total Cost: \$209,000**

This project will construct ADA improvements including ramps and sidewalks that do not meet current ADA standards between 2nd Avenue and 9th Avenue. Washington Street is a major gateway to downtown and the riverfront. Street improvements as shown in CIP 2387 in the Transportation section of the CIP, sewer improvements as shown in CIP 2396 in the Wastewater section of the CIP, and water line improvements as shown in CIP 2404 in the Water section of the CIP will also be coordinated with this project.

Operating Budget Impact: None.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2705	ADA CAPITAL RESERVES	\$209,000
Total:		\$209,000

## **Parks Projects Limited by Available Capital and Operating Funds**

Parks projects are funded by a mix of funds from outside grants, private donations, Parks System Development Charges, and the Parks and Recreation Department's annual operating fund. Despite a strong recovery from the Great Recession over the last decade, revenues for park projects and operating funds continue to fall short of identified needs. These conditions require a continuation of our conservative approach to improvements listed in the Parks Master Plan.

A high priority of the Parks Master Plan is the replacement of outdated and inadequate playgrounds in existing parks. Since the adoption of the master plan, new playgrounds have been installed in Eads, Takena, Swanson, Riverview Heights, Teloh Calapooia, Burkhart, and Sunrise parks. These projects were accomplished through a mix of Parks Fund operating revenues, state and federal grants, donations, and Parks SDCs. The playground at Sunrise Park was remodeled as part of a renovation project funded through the City's Community Development Block Grant Program and Parks Fund.

The remaining playground replacement projects have been suspended indefinitely due to a lack of reliable funding. Projects at Henderson, Draper, Deerfield, Grand Prairie, Pineway, and Lehigh parks have been deferred to future years.

No new Parks projects are proposed in the FY 2020-2024 CIP. However, work will continue on the design of two projects previously included. The first project is the development of a new neighborhood park in NE Albany, between Timber Ridge School and the proposed new elementary school on Timber Ridge Street. Parks SDC revenues will fund this project in its entirety. The project is scheduled for FY 2019-2020. Planning and design will also continue for the first phase of development at East Thornton Lake Natural Area. Given projected constraints on operating and maintenance budgets, the construction of these projects will advance if operating funds can be secured.

All other previously scheduled Parks projects have been either delayed or suspended indefinitely due to a lack of predictable funding over the next few years. The Parks Master Plan will be updated in 2019, resetting the list of proposed projects, implementation schedule, and project financing.

# Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City’s infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered “unfunded” because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

## Miscellaneous - Parks

CIP #	Phase	Title	Projected Total
1937		NEW HIKE/BIKE TRAIL DEVELOPMENT	\$500,000
2411		HISTORIC CUMBERLAND CHURCH RESTORATION	\$500,000
<b>Total for Unfunded Miscellaneous – Parks:</b>			<b>\$1,000,000</b>

## Park Development

CIP #	Phase	Title	Projected Total
1886		TIMBER LINN PARK IMPROVEMENTS – PHASE 1B	\$400,000
1887		TIMBER LINN PARK IMPROVEMENTS – PHASE 1C	\$600,000
1895		COMMUNITY PARK DEVELOPMENT – PHASE 1	\$1,500,000
1903		NEIGHBORHOOD PARK DEVELOPMENT – TIMBER RIDGE SITE	\$300,000
1936		COMMUNITY PARK DEVELOPMENT – PHASE 2	\$1,000,000
2380		TIMBER RIDGE PARK DEVELOPMENT	\$350,000
<b>Total for Unfunded Park Development:</b>			<b>\$4,150,000</b>

## Park Renovations

CIP #	Phase	Title	Projected Total
1893		DEERFIELD PARK RENOVATION	\$400,000
<b>Total for Unfunded Park Renovations:</b>			<b>\$400,000</b>

## Replacement Projects

CIP #	Phase	Title	Projected Total
1889		GRAND PRAIRIE PARK PLAYGROUND REPLACEMENT	\$150,000
1896		DRAPER PARK PLAYGROUND REPLACEMENT	\$150,000
1898		PINEWAY PARK PLAYGROUND REPLACEMENT	\$100,000
1899		HENDERSON PARK PLAYGROUND REPLACEMENT	\$70,000
2321		LEHIGH PARK PLAYGROUND REPLACEMENT	\$200,000
<b>Total for Unfunded Replacement Projects:</b>			<b>\$670,000</b>

**Grand Total for Unfunded Parks: \$6,220,000**

### Issues Before the Community

#### Emergency Facilities

Fire and Police emergency responders lack adequate local training facilities to develop new skills and maintain proficiency and current capabilities. Emergency responders' skills must be maintained to safely and adequately handle the numerous high-risk and hazardous events they encounter. Currently training has been focused on property located behind Fire Station 12 on 34<sup>th</sup> Avenue; however, City buses occupy space that is needed to expand current capacity. The Public Works department has purchased new property and additional efforts have begun to relocate City buses away from Fire Station 12 so that additional space for training will become available for all emergency responders inside of Albany. Once the property behind Fire Station 12 becomes available, funding will be needed to adequately build out a training facility suitable to address the needs of our first responders into the future.

#### City Buildings

Many City buildings, including fire stations, need major maintenance work: parking lot replacement, roof repairs, carpet, paint, and heating and cooling systems. Much of the work has been deferred year after year in favor of other pressing needs.

#### Funding Summary

The City, counties, and schools get money for capital projects from the same source; local taxpayers. In the fall of 2005, the Albany City Council established a reserve account to be used for one or more of the City's building needs. Ongoing projects have depleted these funds, and they have not been replenished over the past few years due to funding other pressing needs. Funding for major facilities projects is needed, as major repairs are needed, but not possible, out of yearly General Fund operating budgets. Staff continues to look for additional sources of money to supplement available funds.

# Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City's infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered "unfunded" because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

## Fire Facilities

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
1943		DEVELOP EMERGENCY SERVICE TRAINING CAPABILITIES	\$2,500,000
2180		UPDATE CURRENT RADIO SYSTEM TO 700/800 MHZ	\$2,000,000
2368		FIRE STATION 12 PARKING LOT REPLACEMENT	\$200,000
<b>Total for Unfunded Fire Facilities:</b>			<b>\$4,700,000</b>

**Grand Total for Unfunded Public Facilities:           \$4,700,000**

## Revitalization Underway!

*CARA works to turn vision into reality*

The Central Albany Revitalization Area's (CARA's) goal is to implement the community-based Town Center Plan vision for revitalizing Central Albany.

As an urban renewal district, CARA's funding comes from property tax dollars collected from increases in property values (the tax increment above 2001 values), not by imposing new taxes. CARA is able to fund activities within its 919-acre boundary from the Willamette River to the Queen Avenue/Ninth Avenue/Pacific Boulevard area roughly between Geary Street and the Elm Street medical area.

### The Results

To date, CARA has committed about \$36 million on projects that assist the revitalization of Central Albany.

The majority of the projects have taken the form of taxable public-private partnerships. These partnerships have seen a CARA investment of roughly \$10.5 million, which has leveraged \$52 million in private investments, equating to a ratio of \$1 of public money leveraging \$5 of private funds. Funding from the urban renewal district takes the form of loans, grants, and forgivable loans.

### Goals of the CARA Plan

CARA has worked to meet the specific goals of the urban renewal plan in the following ways:

*Enhance public infrastructure in the downtown community:*

Construction of the Downtown Streetscape project was completed during the summer of 2018. This \$8.4 million project provides upgrades to enhance the public right of ways and promotes healthy business growth in the downtown community. Improvements included sidewalk, new asphalt pavement, street lighting, street furniture, stormwater quality planters, landscaping, and associated work on water and sewer infrastructure. This level of upgrades has not been seen in the downtown area in decades. These improvements coupled with the recent construction of the Historic Carousel and Downtown Fire Station will help provide the foundation needed for the community to grow in a positive manner.

*Retain and Enhance the Value of Existing Private Investment and Public Investment in the Area:*

**CARA Project  
Before & After Pictures**

Projects to date include the funding of five economic development projects, which created 145 new jobs in our community, and through the strategic investment of \$510,000 leveraged \$2.1 million of private investment.

*Preserve the Historic Districts, Historic Resources, and Existing Housing in the Area:*

Over 116 historic preservation projects in the area have been funded, including saving entire structures, storefront rehabilitation, exterior work, significant interior renovation, and reclamation of unused upper floor spaces.

*Create a Readily Identifiable Core that is Unique and Vibrant with a Mixture of Entertainment, Housing, Specialty Shops, Offices, and Other Commercial Uses:*

- Financial assistance in the form of small grants totaling \$395,200 for 74 small business owners in the downtown core. Projects that create vitality and attract people including the Albany Historic Carousel, the Pix Theatre, and ADA accessible event space in downtown.

- Financial assistance towards the Ironworks project. This development, now completed, includes a 15,000 square-foot office building, seven LEED-certified town homes, and an apartment building. In 2010, this project was the recipient of the Oregon Brownfield Award.

# Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City’s infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered “unfunded” because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

## Development Partnerships

CIP #	Phase	Title	Projected Total
1338		PROPERTY ACQUISITION & ASSEMBLY	\$250,000
1342		PAINT PROGRAM	\$100,000
1343		ALBANY SQUARE DEVELOPMENT	\$150,000
1344		WATER AVENUE IMPROVEMENTS	\$2,000,000
1346		TRANSITION AREAS REDEVELOPMENT	\$1,250,000
1347		HOUSING DEMONSTRATION	\$250,000
1349		HOUSING REHABILITATION	\$700,000
<b>Total for Unfunded Development Partnerships:</b>			<b>\$4,700,000</b>

## General Facilities

CIP #	Phase	Title	Projected Total
1331		CANAL ESPLANADE	\$3,693,000
1333		COMMUNITY GATEWAYS	\$625,000
<b>Total for Unfunded General Facilities:</b>			<b>\$4,318,000</b>

## Infrastructure

CIP #	Phase	Title	Projected Total
1366		COMMUNICATIONS INFRASTRUCTURE	\$500,000
1367		UNDERGROUND OVERHEAD UTILITIES	\$1,000,000
1368		ROADS, WATER, SEWER, STORMWATER, RAIL CROSSING	\$3,000,000
1370		ALLEY REDEVELOPMENT	\$750,000
1371		DOWNTOWN GRID SYSTEM	\$100,000
1372		TRAFFIC CALMING	\$250,000
1373		QUEEN AVENUE RAIL CROSSING	\$300,000
1374		1ST AVENUE UNDERCROSSING	\$500,000
<b>Total for Unfunded Infrastructure:</b>			<b>\$6,400,000</b>

## Pedestrian/Bicycle Connectivity

CIP #	Phase	Title	Projected Total
1375		WILLAMETTE RIVERFRONT PATH – CALAPOOIA CROSSING	\$1,000,000
1376		WILLAMETTE RIVERWALK – BOWMAN/HARRISON CONNECTION	\$250,000
1377		CALAPOOIA RIVERWALK	\$500,000
1379		8TH AVENUE CANAL ESPLANADE	\$500,000

## Revitalization

CIP #	Phase	Title	Projected Total
1380		THURSTON CANAL ESPLANADE	\$600,000

**Total for Unfunded Pedestrian/Bicycle Connectivity: \$2,850,000**

### Public Spaces & Facilities

CIP #	Phase	Title	Projected Total
1352		BROADALBIN STREET IMPROVEMENTS	\$360,000
1353		ALBANY SQUARE	\$200,000
1354		ALBANY LANDING	\$350,000
1356		DOWNTOWN BEAUTIFICATION	\$300,000
1357		AWNING PROGRAM	\$125,000
1358		RIVERFRONT HOUSING AREA STREETScape	\$120,000
1359		MAIN STREET AREA STREETScape	\$75,000
1360		SIDEWALK PROGRAM	\$250,000
1361		STREET TREE PLANTING	\$250,000
1362		HISTORIC DISTRICTS SIGNAGE	\$200,000
1363		DOWNTOWN PARKING AREAS	\$350,000
1364		GOVERNMENT CENTER PARKING STRUCTURE	\$2,000,000
1365		WATER AVENUE AREA PARKING STRUCTURE	\$1,500,000
1384		PUBLIC FACILITIES	\$550,000
1990		DOWNTOWN STREETScape	\$560,000

**Total for Unfunded Public Spaces & Facilities: \$7,190,000**

### Watershed Health & Education

CIP #	Phase	Title	Projected Total
1381		WATERSHED HEALTH	\$265,000
1382		RIPARIAN RESTORATION	\$50,000
1383		ALBANY GROVE	\$75,000

**Total for Unfunded Watershed Health & Education: \$390,000**

**Grand Total for Unfunded Revitalization: \$25,848,000**

# Protecting our Resources

### *Making Progress*

Albany receives an average annual rainfall of approximately 42 inches. During rain events, it is important to have infrastructure in place to manage the stormwater runoff. Infrastructure for stormwater includes pipes and ditches and facilities to hold, infiltrate, and clean up stormwater in a safe and efficient manner that protects against flooding while also minimizing impacts to the environment. Albany has an estimated 137 miles of stormwater pipes, 70 miles of ditches, 2,414 manholes, 4,363 catch basins/inlets, along with 150 stormwater quality facilities.

In order to properly operate and maintain the stormwater system, it is important the City understand how the existing stormwater system performs, plan for future infrastructure needs, adapt to new regulatory requirements, and understand new methods and technologies for protecting Albany's valuable water resources.

### **Assessing Our System and Planning for the Future**

Albany's Strategic Plan identifies an objective to develop and implement an updated stormwater master plan. Consistent with this objective, the City is completing efforts to evaluate our existing system and plan for future growth. The last master plan, completed in 1988, did not evaluate North Albany and does not reflect current stormwater management practices, the current level of development within the community, or current regulatory requirements. When the master plan is completed, a comprehensive project list will be added to this section of the CIP.

One of the stormwater challenges the City is faced with is how to respond to new and upcoming regulatory requirements mandated by the Environmental Protection Agency (EPA) and the Oregon Department of Environmental Quality (DEQ). In June 2018, the City received approval of our third five-year plan for complying with the Willamette River Total Maximum Daily Load (TMDL). Now that Albany has surpassed the 50,000 population threshold, the City also will be required to obtain a Municipal Separate Storm Sewer System (NPDES MS4) permit from DEQ. DEQ issued a new general NPDES MS4 permit in November 2018 and Albany will be required to apply for coverage under the general permit or the City may choose to apply for an individual permit. To comply with the approved TMDL plan and new NPDES MS4 Phase II permit, the City will need to make significant changes to our stormwater management practices within the five-year window of this CIP. In response to the new permit, regulatory compliance costs are anticipated to increase by \$1,000,000 per year.

### **Taking steps to address the Funding Challenge**

Stormwater service charges were implemented March 1, 2017 to provide a dedicated funding source for stormwater related activities. However, initial service charges will not fund an asset management approach to managing our infrastructure. Without additional funding, system failures that result in disruption of service, street flooding, and property damage should be anticipated. With only 56% of the system being assessed to date, approximately \$24M in capital project needs have been identified to replace pipes that have failed or are anticipated to fail in the next 10 years.

Following completion of the master planning effort discussed above, Council can consider implementing a stormwater System Development Charge (SDC). This SDC could be used as another component of a stormwater funding methodology.

No new stormwater projects are proposed for funding at this time, however, many of the identified Transportation CIP projects have associated stormwater infrastructure improvements. Until adequate stormwater revenues are secured, street funds will continue to cover the cost of stormwater improvements for related street projects.

## Partnering with our neighbors

The City's transportation system consists of city, state, and Linn and Benton county roads. The City maintains 403 lane miles of improved streets, 20 traffic signals, 7,290 signs, and 65 miles of painted pavement striping. The transportation network is the City's single largest capital asset.

Federal regulations require that communities with populations greater than 50,000 and adjacent communities within the "urbanized area" of the larger community form Metropolitan Planning Organizations (MPOs). As a result, in 2013 the Albany Area Metropolitan Planning Organization (AAMPO) was formed with the cities of Albany, Millersburg, Tangent, and Jefferson and Linn and Benton counties. AAMPO provides a platform for Albany and our neighboring communities to work together on regional planning efforts.

In past years, Albany's street capital projects have primarily been funded from Surface Transportation Program (STP) funding from the state, Sewer and Water in-lieu-of Franchise Fees that are transferred into the Street Fund each year, state gas tax revenues, and Street SDCs. Historically, STP revenues have been used to fund Albany's largest street reconstruction projects. It has not been uncommon for multiple years' worth of STP funding to be consolidated in order to fund a single project.

With the formation of AAMPO, Albany no longer directly receives STP funds from the state. The state provides STP funds to AAMPO based on the entire urbanized area. It is then up to the AAMPO policy board, made up of representatives of each agency, to decide how best to distribute the funds within the AAMPO boundaries. This year's CIP was developed based on AAMPO's anticipated distribution of STP funds and the City's share of state gas tax revenue. The STP funding is dependent on the U.S. Congress's funding of the Highway Trust Fund.

### Financial Challenges Remain

Albany's Strategic Plan identified an objective to maintain collector and arterial streets in fair or better condition and address local street needs as funding allows. Due to a lack of financial resources, Albany's streets are not being maintained at a level that will allow all streets to remain in "fair" condition. The number of miles of streets has grown, the cost to maintain streets is increasing, and the amount of money available to fund street maintenance activities is not sufficient.

Albany's residents are concerned about our streets. We hear you, however, without additional funding, the backlog of streets needing repair or reconstruction will continue to grow significantly. Albany is not alone in this problem. The entire nationwide transportation system is declining. The creation of a transportation utility fee has been discussed in the past to help close the annual funding gap in street maintenance but has not been implemented due to a concern of overburdening citizens with utility fees.

## Funding Summary

The following table shows the total value of projects scheduled in each of the five years of this CIP, broken down by the source of the funding. The costs shown are the projected total costs in the year the project is proposed.

Each year the estimated cost of the projects are brought up to current year costs by applying the change in the Engineering News-Record (ENR) construction cost index for Seattle. The future year costs then have an annual three percent inflation factor added in to estimate the cost in the year proposed.

## Projected Cost Totals

FUNDING SOURCE	2020	2021	2022	2023	2024	TOTAL
SDC – Improvement – Transportation	\$0	\$80,000	\$0	\$0	\$0	\$80,000
State of Oregon	\$0	\$515,000	\$0	\$0	\$0	\$515,000
State of Oregon STP - AAMPO	\$0	\$1,353,700	\$0	\$0	\$0	\$1,353,700
Street Capital Reserves	\$1,140,000	\$2,907,300	\$2,639,000	\$1,789,000	\$3,079,000	\$11,554,300
<b>GRAND TOTALS:</b>	<b>\$1,140,000</b>	<b>\$4,856,000</b>	<b>\$2,639,000</b>	<b>\$1,789,000</b>	<b>\$3,079,000</b>	<b>\$13,503,000</b>

# Funded Projects Summary & Detail

The following projects have been identified for inclusion in this five-year Capital Improvement Program.

Each project shown below is explained in detail on the pages that follow. Projects are listed in the fiscal year order they are planned to occur, and in CIP ID# order within a given fiscal year set.

CIP #	Phase	Title	Projected Total
<b>Plan Year: 2019 – 2020</b>			
2306		BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH	\$40,000
2408		9TH AVENUE STREET IMPROVEMENTS	\$1,100,000
<b>Total for FY 2019 – 2020</b>			<b>\$1,140,000</b>
<b>Plan Year: 2020 – 2021</b>			
2226		24TH AVENUE REHABILITATION – JACKSON STREET TO GEARY STREET	\$1,906,000
2228		DAVIDSON STREET REHABILITATION – 14TH AVENUE TO 16TH AVENUE	\$515,000
2322		BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH	\$40,000
2383		QUEEN AVENUE OVERLAY: 99E TO MARION STREET	\$2,395,000
<b>Total for FY 2020 – 2021</b>			<b>\$4,856,000</b>
<b>Plan Year: 2021 – 2022</b>			
2370		BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH	\$40,000
2382		QUEEN AVENUE OVERLAY: 99E TO CITY LIMITS	\$1,803,000
2420		ELM STREET OVERLAY: 5TH AVENUE TO QUEEN AVENUE	\$796,000
<b>Total for FY 2021 – 2022</b>			<b>\$2,639,000</b>
<b>Plan Year: 2022 – 2023</b>			
2385		14TH AVENUE OVERLAY: GEARY STREET TO WAVERLY DRIVE	\$765,000
2387		WASHINGTON STREET OVERLAY: 1ST AVENUE TO PACIFIC BLVD	\$984,000
2388		BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH	\$40,000
<b>Total for FY 2022 – 2023</b>			<b>\$1,789,000</b>
<b>Plan Year: 2023 – 2024</b>			
2233		5TH AVENUE OVERLAY: LYON STREET TO MAIN STREET	\$844,000
2381		WAVERLY DRIVE OVERLAY: SANTIAM TO QUEEN AVENUE	\$844,000
2421		BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH	\$40,000
2422		34TH AVENUE OVERLAY: 99E TO JACKSON STREET	\$1,351,000
<b>Total for FY 2023 – 2024</b>			<b>\$3,079,000</b>
<b>Grand Total for Transportation:</b>			<b>\$13,503,000</b>

---

**Transportation**

**Plan FY: 2019-2020 BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH**

**CIP Project #: 2306**

---

**Master Plan:**

**Category:** Transportation

**Department:** Public Works Department

**Plan Element:**

**Classification:** Pedestrian & Bikeway

**Total Cost: \$40,000**

This is an annual dedication to provide funds for match requirements on bicycle and pedestrian grants that are made available from the Oregon Department of Transportation. Many of the grants available require a local match. This dedication will provide a funding source should appropriate opportunities arise. All grant opportunities will come before the City Council for approval prior to acceptance.

Operating Budget Impact: None. There is no impact to street maintenance costs because this is reserve funding for potential grants, should the opportunity arise.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$40,000
	Total:	\$40,000

**Plan FY: 2019-2020 9TH AVENUE STREET IMPROVEMENTS**

**CIP Project #: 2408**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Street Reconstruction/Improvements

**Department:** Public Works Department

**Total Cost: \$1,100,000**

This project will rehabilitate heavily-deteriorated pavement on 9th Avenue from Broadway Street to Elm Street. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Water Line Improvements as shown in CIP 2409 in the Water section of the CIP will also be coordinated with this project. Associated stormwater improvements are included in the total cost for this project because adequate stormwater funds are not available in the Stormwater Capital Projects fund.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$1,100,000
Total:		\$1,100,000

**Plan FY: 2020-2021 24TH AVENUE REHABILITATION – JACKSON STREET TO GEARY STREET**

**CIP Project #: 2226**

**Master Plan:** Transportation Master Plan

**Plan Element:** B18

**Category:** Transportation

**Classification:** Street Reconstruction/Improvements

**Department:** Public Works Department

**SDC**

**Total Cost: \$1,906,000**

This project will rehabilitate heavily deteriorated pavement on 24th Avenue from Jackson Street to Geary Street, as well as two blocks of Oak Street from 24th Avenue to Pine Meadows Drive. This project also includes construction of infill sidewalk and repairs to existing storm drain lines. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. In addition, bike boulevard treatments will be installed, including wayfinding, traffic calming and intersection improvements. Water line improvements as shown in CIP 2003 will also be coordinated with this project. Associated stormwater improvements are included in the total cost for this project because adequate stormwater funds are not available in the Stormwater Capital Projects fund.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STATE OF OREGON STP - AAMPO	\$562,000
250-50-2700	STREET CAPITAL RESERVES	\$1,264,000
250-50-2703	SDC-IMPROVEMENT-TRANSPORTATION	\$80,000
Total:		\$1,906,000

**Plan FY: 2020-2021 DAVIDSON STREET REHABILITATION – 14TH AVENUE TO 16TH AVENUE**

**CIP Project #: 2228**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Street Reconstruction/Improvements

**Department:** Public Works Department

**Total Cost: \$515,000**

This project will rehabilitate heavily-deteriorated pavement on Davidson Street from 14th Avenue to 16th Avenue. This street segment is adjacent to the main library. This project also includes repairs to existing storm drain lines. Additionally, curb ramps will be replaced as part of this project to meet current Americans with Disabilities Act requirements. Water line improvements as shown in CIP 2301 will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STATE OF OREGON	\$515,000
Total:		\$515,000

**Plan FY: 2020-2021 BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH**

**CIP Project #: 2322**

---

**Master Plan:**

**Category:** Transportation

**Plan FY: 2020-2021 QUEEN AVENUE OVERLAY: 99E TO MARION STREET**

**CIP Project #: 2383**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$2,395,000**

This project will rehabilitate heavily-deteriorated pavement on Queen Avenue from Highway 99E east approximately 3,000 feet to Marion Street. Improvements will tie into planned improvements ODOT is completing at the railroad crossing just east of Highway 99E. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Water improvements as shown in CIP 2401 in the Water section of the CIP will also be coordinated with this project. Associated stormwater improvements are included in the total cost for this project because adequate stormwater funds are not available in the Stormwater Capital Projects fund.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STATE OF OREGON STP - AAMPO	\$791,700
250-50-2700	STREET CAPITAL RESERVES	\$1,603,300
Total:		\$2,395,000

	Total:	\$40,000

**Plan FY: 2021-2022 QUEEN AVENUE OVERLAY: 99E TO CITY LIMITS**

**CIP Project #: 2382**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

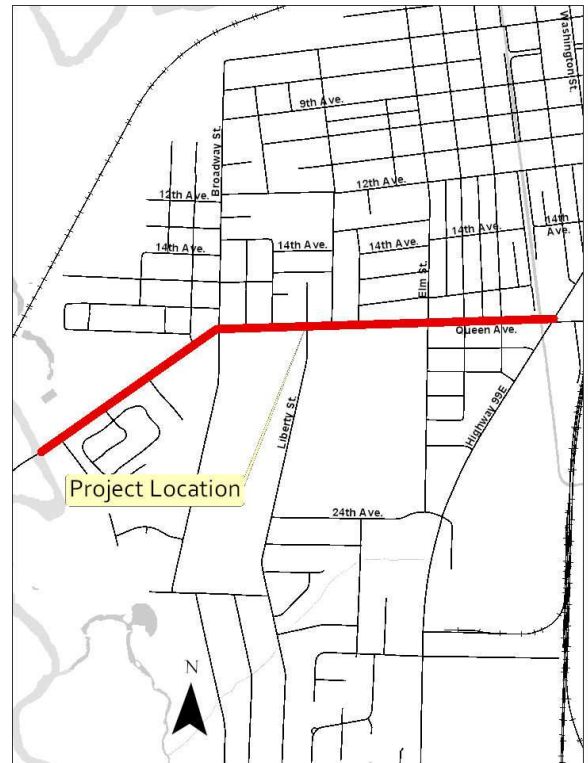

**Total Cost: \$1,803,000**

This project will rehabilitate heavily-deteriorated pavement on Queen Avenue from Highway 99E west approximately 5,400 feet to the City Limits. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Water line improvements as shown in CIP 2400 in the Water section of the CIP will also be coordinated with this project. Associated stormwater improvements are included in the total cost for this project because adequate stormwater funds are not available in the Stormwater Capital Projects fund.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$1,803,000
Total:		\$1,803,000

**Plan FY: 2021-2022 ELM STREET OVERLAY: 5TH AVENUE TO QUEEN AVENUE**

**CIP Project #: 2420**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$796,000**

This project will pave a 2-inch asphalt overlay on Elm Street from Queen Avenue north approximately 3,400 feet to 5th Avenue. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Associated stormwater improvements are included in the total cost for this project because adequate stormwater funds are not available in the Stormwater Capital Projects fund.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$796,000
Total:		\$796,000

**Plan FY: 2022-2023 14TH AVENUE OVERLAY: GEARY STREET TO WAVERLY DRIVE**

**CIP Project #: 2385**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$765,000**

This project will pave a 2-inch asphalt overlay on 14th Avenue from Geary Street east approximately 3,000 feet to Waverly Drive. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Sewer improvements as shown in CIP 2397 in the Wastewater section of the CIP and water line improvements as shown in CIP 2403 in the Water section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$765,000
Total:		\$765,000

**Plan FY: 2022-2023 WASHINGTON STREET OVERLAY: 1ST AVENUE TO PACIFIC BLVD**

**CIP Project #: 2387**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$984,000**

This project will pave a 2-inch asphalt overlay on Washington Street from 1st Avenue to Pacific Boulevard. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Sewer improvements as shown in CIP 2396 in the Wastewater section of the CIP, water line improvements as shown in CIP 2404 in the Water section of the CIP, and curb ramps and sidewalk improvements as shown in CIP 2172 in the Accessibility section will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$984,000
Total:		\$984,000

**Plan FY: 2022-2023 BICYCLE AND PEDESTRIAN IMPROVEMENT GRANT MATCH**

**CIP Project #: 2388**

---

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pedestrian & Bikeway

**Department:** Public Works Department

**Total Cost:** \$40,000

This is an annual dedication to provide funds for match requirements on bicycle and pedestrian grants that are made available from the Oregon Department of Transportation. Many of the grants available require a local match. This dedication will provide a funding source should appropriate opportunities arise. All grant opportunities will come before the City Council for approval prior to acceptance.

Operating Budget Impact: None. There is no impact to street maintenance costs because this is reserve funding for potential grants, should the opportunity arise.

250-50-2700	STREET CAPITAL RESERVES	\$40,000
	Total:	\$40,000

**Plan FY: 2023-2024 5TH AVENUE OVERLAY: LYON STREET TO MAIN STREET**

**CIP Project #: 2233**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$844,000**

This project will pave a 2-inch asphalt overlay on 5th Avenue from Lyon Street to Main Street. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$844,000
Total:		\$844,000

**Plan FY: 2023-2024 WAVERLY DRIVE OVERLAY: SANTIAM TO QUEEN AVENUE**

**CIP Project #: 2381**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$844,000**

This project will pave a 2-inch asphalt overlay on Waverly Drive between Santiam Highway south approximately 2,400 feet to the intersection with Queen Avenue. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Sewer improvements as shown in CIP 2392 in the Wastewater section of the CIP and water line improvements as shown in CIP 2399 in the Water section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$844,000
Total:		\$844,000

250-50-2700	STREET CAPITAL RESERVES	\$40,000
	Total:	\$40,000

**Plan FY: 2023-2024 34TH AVENUE OVERLAY: 99E TO JACKSON STREET**

**CIP Project #: 2422**

**Master Plan:**

**Plan Element:**

**Category:** Transportation

**Classification:** Pavement Overlay

**Department:** Public Works Department

**Total Cost: \$1,351,000**

This project will pave a 2-inch asphalt overlay on 34th Avenue from Highway 99E east approximately 4,700 feet to Jackson Street. The existing pavement is deteriorated due to age. Curb ramps will also be replaced as part of this project to meet current Americans with Disabilities Act requirements. Water improvements as shown in CIP 2414 in the Water section of the CIP will be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by reducing the amount of temporary patching and other maintenance of the deteriorated pavement.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
250-50-2700	STREET CAPITAL RESERVES	\$1,351,000
Total:		\$1,351,000

# Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City’s infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered “unfunded” because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

## Airport

CIP #	Phase	Title	Projected Total
1697	1	REHABILITATE THE FIXED BASE OPERATOR BUILDING	\$222,000
1697	2	REHABILITATE THE FIXED BASE OPERATOR BUILDING	\$250,000
1697	3	REHABILITATE THE FIXED BASE OPERATOR BUILDING	\$298,000
1880		SEWER EXTENSION TO NORTH HANGARS	\$750,000
1926		ALBANY AIRPORT SEWER EXTENSION	\$200,000
2163		WEATHER REPORTING EQUIPMENT & INSTALLATION	\$200,000
2164		CONSTRUCT TAXIWAY	\$162,500
<b>Total for Unfunded Airport:</b>			<b>\$2,082,500</b>

## Bicycle Projects

CIP #	Phase	Title	Projected Total
2011		WAVERLY DRIVE BIKE SHARROWS (B2)	\$5,000
2013		24TH AVENUE BIKE SHARROWS (B4)	\$5,000
2015		CENTER STREET BIKE SHARROWS (B6)	\$6,000
2016		US 20, NORTH ALBANY SHOULDER TO BIKE LANES (B7)	\$31,000
2017		1ST AVENUE BIKE BOULEVARD (B8)	\$43,000
2018		2ND AVENUE BIKE BOULEVARD (B9)	\$43,000
2019		MADISON STREET – 7TH AVENUE BIKE BOULEVARD (B10)	\$40,000
2020		7TH AVENUE BIKE BOULEVARD (B11)	\$95,000
2021		TAKENA BIKE BOULEVARD (B12)	\$53,000
2022		LIBERTY – LAKEWOOD BIKE BOULEVARD (B13)	\$76,000
2023		12TH AVENUE (WEST) BIKE BOULEVARD (B14)	\$32,000
2024		BAIN STREET BIKE BOULEVARD (B15)	\$49,000
2025		SOUTH SHORE DRIVE BIKE BOULEVARD (B16)	\$33,000
2026		SHORTRIDGE STREET BIKE BOULEVARD (B17)	\$27,000
2027		24TH AVENUE BIKE BOULEVARD (B18)	\$13,000
2028		38TH AND 39TH AVENUE BIKE BOULEVARDS (B19)	\$106,000
<b>Total for Unfunded Bicycle Projects:</b>			<b>\$657,000</b>

## Bridges

CIP #	Phase	Title	Projected Total
1063		7TH AVENUE AT ALBANY CANAL	\$77,000
1064		9TH AVENUE AT ALBANY CANAL	\$70,000
1065		10TH AVENUE AT ALBANY CANAL	\$49,000

CIP #	Phase	Title	Projected Total
1066		11TH AVENUE AT ALBANY CANAL	\$42,000
1069		SALEM AVENUE AT PERIWINKLE CREEK	\$56,000

**Total for Unfunded Bridges: \$294,000**

### Intersection Projects

CIP #	Phase	Title	Projected Total
2036		WAVERLY DRIVE/QUEEN AVENUE INTERSECTION ADD LANE(S) (I6)	\$72,000
2037		WAVERLY DRIVE/GRAND PRAIRIE INTERSECTION ADD LANE(S) (I7)	\$175,000
2038		US 20/NORTH ALBANY ROAD INTERSECTION ADD LANE(S) (I8)	\$40,000
2039		US 20/SPRINGHILL DRIVE INTERSECTION ADD LANE(S) (I9)	\$14,000
2040		KNOX BUTTE/CENTURY DRIVE INTERSECTION CONTROL CHANGE (I10)	\$345,000
2042		US 20 (LYON STREET)/2ND AVENUE INTERSECTION ADD LANE(S) (I12)	\$23,000
2043		US 20/CLAY STREET SAFETY (I13)	\$185,000
2044		OR 99E/34TH AVENUE INTERSECTION ADD LANE(S) (I14)	\$192,000
2046		ELLINGSON ROAD/COLUMBUS STREET INTERSECTION CONTROL CHANGE (I16)	\$345,000

**Total for Unfunded Transit Projects:**

**\$3,500,000**

**Grand Total for Unfunded Transportation: \$247,619,500**

## Catching Up on Deferred Maintenance

### *Replacement Needs Prominent*

The City's wastewater system consists of a collection system that is made up of 196 miles of gravity flow pipes, 6.6 miles of pressure pipes, 4,337 manholes, 11 sewer lift stations, the Water Reclamation Facility, and Talking Water Gardens wetlands.

Staff systematically performs extensive condition assessments of the City's wastewater system in order to identify and prioritize the perpetual life replacement of the infrastructure. Based on current assessment results, approximately 23 miles of the City's 196 miles of gravity flow sewer pipes are anticipated to require replacement or major repair within the next 10 years, or risk complete failures with interruption of service and potential overflows into basements.

The Albany City Council has set five-year planning goals for funding perpetual life replacement to avoid wastewater main failures and disruption of sewer service to Albany citizens. This strategy requires a commitment to seeking additional revenues in the coming years. The City Council will be evaluating revenues, expenditures, system needs, and the state of the local economy annually to determine what future revenue resource increases are appropriate. If wastewater rates are not raised according to the five-year plan, it will not be possible to complete many of the projects listed in the five-year life of the wastewater portion of the CIP and future CIPs will reflect these changes.

The wastewater projects identified in this year's five-year window are consistent with Council's direction and represent the minimum necessary to restore the condition of the collection system with the goal of continued provision of uninterrupted service to the Albany community. Restoration of the collection system helps reduce infiltration of groundwater and inflow of stormwater into the collection system which can impact capacity requirements within the system and require additional capital improvements for conveyance and treatment of sewer flows.

### **Evaluating System Capacity Requirements**

The City of Albany conducted a system-wide capacity analysis of the wastewater collection system in 2015. The evaluation identified a number of locations throughout town that are capacity limited and in need of eventual replacement/expansion. A handful of the identified locations are significantly limited and result in rainfall induced overflows that are not permitted under the City's discharge permit with DEQ. The cost to immediately address all of these deficiencies far exceeds the City's financial capabilities. Consequently, Council prioritized improvements based on risks and established a funding strategy to systematically construct improvements over time.

### **Funding Summary**

The following table shows the total value of projects scheduled in each of the five years of this CIP, broken down by the source of the funding. The costs shown are the projected total project costs in the year the project is proposed.

Each year the estimated cost of the projects is adjusted to current year costs by applying the change in the Engineering News-Record (ENR) construction cost index for Seattle. An annual three percent inflation factor is added to estimate future year costs.

### Projected Cost Totals

<b>FUNDING SOURCE</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024</b>	<b>TOTAL</b>

## Funded Projects Summary & Detail

The following projects have been identified for inclusion in this five-year Capital Improvement Program.

Each project shown below is explained in detail on the pages that follow. Projects are listed in the fiscal year order they are planned to occur, and in CIP ID# order within a given fiscal year set.

CIP #	Phase	Title	Projected Total
<b>Plan Year: 2019 – 2020</b>			
2309		LATERAL REPLACEMENT & BASEMENT PROTECTION	\$275,000
2415		ALBANY-MILLERSBURG WATER RECLAMATION FACILITY COMPOST IMPROVEMENTS	\$3,000,000
2416		ALBANY-MILLERSBURG WATER RECLAMATION FACILITY DEWATERING IMPROVEMENTS	\$4,900,000
<b>Total for FY 2019 – 2020</b>			<b>\$8,175,000</b>
<b>Plan Year: 2020 – 2021</b>			
2327		LATERAL REPLACEMENT & BASEMENT PROTECTION	\$275,000
2417		2021 COLLECTION SYSTEM REHABILITATION PROJECTS	\$700,000
<b>Total for FY 2020 – 2021</b>			<b>\$975,000</b>
<b>Plan Year: 2021 – 2022</b>			
2375		LATERAL REPLACEMENT & BASEMENT PROTECTION	\$275,000
2426		COX CREEK INTERCEPTOR PROJECT P8	\$3,484,000
<b>Total for FY 2021 – 2022</b>			<b>\$3,759,000</b>
<b>Plan Year: 2022 – 2023</b>			
2395		LATERAL REPLACEMENT & BASEMENT PROTECTION	\$275,000
2396		WASHINGTON STREET SEWER IMPROVEMENTS	\$1,639,000
2397		14TH AVENUE SEWER IMPROVEMENTS	\$273,000
<b>Total for FY 2022 – 2023</b>			<b>\$2,187,000</b>
<b>Plan Year: 2023 – 2024</b>			
2331		COX CREEK INTERCEPTOR PROJECT P10A	\$1,873,000
2392		WAVERLY DRIVE SEWER IMPROVEMENTS	\$675,000
2418		LATERAL REPLACEMENT & BASEMENT PROTECTION	\$275,000
2419		2024 COLLECTION SYSTEM REHABILITATION PROJECTS	\$1,000,000
<b>Total for FY 2023 – 2024</b>			<b>\$3,823,000</b>
<b>Grand Total for Wastewater:</b>			<b>\$18,919,000</b>

---

**Wastewater**

**Plan FY: 2019-2020 LATERAL REPLACEMENT & BASEMENT PROTECTION**

**CIP Project #: 2309**

---

**Master Plan:** **Plan Element:**  
**Category:** Wastewater **Classification:** Sewer Mains  
**Department:** Public Works Department

**Total Cost: \$275,000**

During FY 1999-2000, the City Council adopted three new programs to assist property owners with sanitary sewer lateral service issues.

The Basement Flooding Protection Loan Program provides a no-interest, ten-year loan to assist property owners with installation of backflow protection valves and sump pumps needed to protect buildings from flooding due to the sanitary sewer system.

The Council also adopted a Basement Flooding Protection Grant Program that provides limited City participation in the cost of basement flooding protection improvements. The grant program is targeted for properties that have experienced frequent flooding, have responded with good faith efforts to minimize the flooding risk, and in spite of these efforts, continue to experience basement flooding.

The lateral replacement program provides a one-time-only replacement of qualifying sanitary sewer service laterals on private property. Replacement of these laterals reduces the amount of infiltration entering the sanitary sewer system through cracks and breaks in older, deteriorated service lines.

Operating Budget Impact: This project will reduce sewer maintenance costs over the long term by reducing the amount of extraneous flow into the sanitary sewer system that is receiving treatment.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$275,000
	Total:	\$275,000

**Plan FY: 2019-2020 ALBANY-MILLERSBURG WATER RECLAMATION FACILITY  
COMPOST IMPROVEMENTS**

**CIP Project #: 2415**

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Treatment

**Department:** Public Works Department

**Total Cost: \$3,000,000**

The current solids reduction and stabilization systems at the AM-WRF produce unstabilized solids that do not meet regulatory requirements to be beneficially used as a biosolids soil amendment; unstabilized solids from the WRF are currently disposed of at a local landfill. This project includes construction of a new composting facility that will provide for beneficial reuse of a Class A biosolids product.

**Operating Budget Impact:** This project will reduce operation and maintenance costs over the long term by reducing the volume of solids that are hauled to and disposed of at a local landfill.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SETTLEMENT PROCEEDS	\$3,000,000
Total:		\$3,000,000

**Master Plan:** **Plan Element:**  
**Category:** Wastewater **Classification:** Treatment  
**Department:** Public Works Department

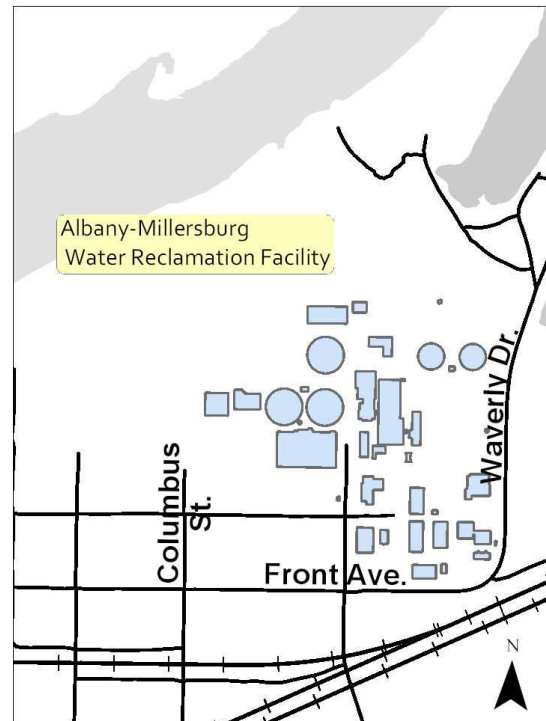

**Total Cost: \$4,900,000**

The existing belt filter presses used for solids dewatering at the AM-WRF are at the end of their useful life. This project includes construction of new upgraded on-site dewatering equipment, odor control, and ancillary improvements to the existing solids dewatering building and cake storage facility.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by completing improvements to the Albany-Millersburg Water Reclamation Facility.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	CITY OF MILLERSBURG	\$364,700
601-50-2500	SETTLEMENT PROCEEDS	\$753,000
601-50-2500	SEWER RATES/OPERATING RESERVES	\$3,782,300
Total:		\$4,900,000

**Plan FY: 2020-2021 LATERAL REPLACEMENT & BASEMENT PROTECTION**

**CIP Project #: 2327**

---

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Total Cost: \$275,000**

During FY 1999-2000, the City Council adopted three new programs to assist property owners with sanitary sewer lateral service issues.

The Basement Flooding Protection Loan Program provides a no-interest, ten-year loan to assist property owners with installation of backflow protection valves and sump pumps needed to protect buildings from flooding due to the sanitary sewer system.

The Council also adopted a Basement Flooding Protection Grant Program that provides limited City participation in the cost of basement flooding protection improvements. The grant program is targeted for properties that have experienced frequent flooding, have responded with good faith efforts to minimize the flooding risk, and in spite of these efforts, continue to experience basement flooding.

The lateral replacement program provides a one-time-only replacement of qualifying sanitary sewer service laterals on private property. Replacement of these laterals reduces the amount of infiltration entering the sanitary sewer system through cracks and breaks in older, deteriorated service lines.

Operating Budget Impact: This project will reduce sewer maintenance costs over the long term by reducing the amount of extraneous flow into the sanitary sewer system that is receiving treatment.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$275,000
	Total:	\$275,000

**Plan FY: 2020-2021 2021 COLLECTION SYSTEM REHABILITATION PROJECTS**

**CIP Project #: 2417**

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Total Cost: \$700,000**

For this fiscal year approximately 2,500 feet of sewer mains are proposed for rehabilitation with Pipe Bursting. These pipes have been prioritized based on the City's system-wide condition assessment. Pipe bursting is an effective and cost-efficient way to rehabilitate existing sewer mains that are at the end of their service. It is a form of "trenchless technology," which means costly excavations and surface restorations are minimized. (ID's for the subject lines are 6435, 6441, 6053, 6736, 5445, 5446, 5894, 6431, 5620, 5627, 139268, 7381, 6442). In addition, a number of lines have been identified with protruding taps which prevent televising the entire line, or with structural deficiencies requiring a point repair, but not rehabilitation of the entire segment. This project also includes removal of protruding taps and installation of point repairs on the following pipes: ID # 5436, 7341, 4792. A larger map can be found at the end of the CIP document.

**Operating Budget Impact:** This project will reduce long-term operations and maintenance costs through reduction in emergency responses and reduction in infiltrating groundwater that must be pumped and treated.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$700,000
Total:		\$700,000

**Plan FY: 2021-2022 LATERAL REPLACEMENT & BASEMENT PROTECTION**

**CIP Project #: 2375**

---

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Plan FY: 2021-2022 COX CREEK INTERCEPTOR PROJECT P8**

**CIP Project #: 2426**

**Master Plan:** Sanitary Sewer Master Plan

**Plan Element:** P8

**Category:** Wastewater

**Classification:** Interceptors/Collectors

**Department:** Public Works Department

**SDC**

**Total Cost: \$3,484,000**

The Cox Creek Interceptor projects will provide capacity to reduce existing overflows and to handle peak buildout flows during a 5-year design storm event. With new additional capacity, surcharging in upstream sewer lines will be significantly reduced with a goal of eliminating unpermitted overflows from the sewer system. Construction of these improvements will also allow for continued property development in the upstream sewer basin. This project will replace approximately 1,200 feet of undersized pipe with new 27-inch sewer pipe.

**Operating Budget Impact:** This project will reduce long-term operations and maintenance costs through reduction in emergency responses and reduction in infiltrating groundwater that must be pumped and treated.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$2,322,000

**Plan FY: 2022-2023 WASHINGTON STREET SEWER IMPROVEMENTS**

**CIP Project #: 2396**

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Total Cost: \$1,639,000**

This project will use pipe bursting to rehabilitate approximately 4,100 feet of 8-inch and 350 feet of 21-inch sewer lines. Pipe Bursting is a "trenchless technology" providing an effective and cost-efficient way to rehabilitate existing sewer mains that are at the end of their service. Street improvements as shown in CIP 2387 in the Transportation section of the CIP, curb ramps and sidewalk improvements as shown in CIP 2172 in the Accessibility section of the CIP, and water line improvements as shown in CIP 2404 in the Water section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce long-term operations and maintenance costs through reduction in emergency responses and reduction in infiltrating groundwater that must be pumped and treated.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$1,639,000
Total:		\$1,639,000

**Plan FY: 2023-2024 WAVERLY DRIVE SEWER IMPROVEMENTS**

**CIP Project #: 2392**

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Total Cost: \$675,000**

This project will use pipe bursting to rehabilitate approximately 2,100 feet of 8-inch and 325 feet of 10-inch sewer lines. Pipe Bursting is a "trenchless technology" providing an effective and cost-efficient way to rehabilitate existing sewer mains that are at the end of their service. Street improvements as shown in CIP 2381 in the Transportation section of the CIP and water line improvements as shown in CIP 2399 in the Water section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce long-term operations and maintenance costs through reduction in emergency responses and reduction in infiltrating groundwater that must be pumped and treated.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$675,000
Total:		\$675,000

**Plan FY: 2023-2024 LATERAL REPLACEMENT & BASEMENT PROTECTION**

**CIP Project #: 2418**

---

**Master Plan:** **Plan Element:**  
**Category:** Wastewater **Classification:** Sewer Mains  
**Department:** Public Works Department

**Total Cost: \$275,000**

During FY 1999-2000, the City Council adopted three new programs to assist property owners with sanitary sewer lateral service issues.

The Basement Flooding Protection Loan Program provides a no-interest, ten-year loan to assist property owners with installation of backflow protection valves and sump pumps needed to protect buildings from flooding due to the sanitary sewer system.

The Council also adopted a Basement Flooding Protection Grant Program that provides limited City participation in the cost of basement flooding protection improvements. The grant program is targeted for properties that have experienced frequent flooding, have responded with good faith efforts to minimize the flooding risk, and in spite of these efforts, continue to experience basement flooding.

The lateral replacement program provides a one-time-only replacement of qualifying sanitary sewer service laterals on private property. Replacement of these laterals reduces the amount of infiltration entering the sanitary sewer system through cracks and breaks in older, deteriorated service lines.

Operating Budget Impact: This project will reduce sewer maintenance costs over the long term by reducing the amount of extraneous flow into the sanitary sewer system that is receiving treatment.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$275,000
	Total:	\$275,000

**Plan FY: 2023-2024 2024 COLLECTION SYSTEM REHABILITATION PROJECTS**

**CIP Project #: 2419**

---

**Master Plan:**

**Plan Element:**

**Category:** Wastewater

**Classification:** Sewer Mains

**Department:** Public Works Department

**Total Cost: \$1,000,000**

Based on current condition assessment results, approximately 23 miles of sewer mains are in extremely poor condition and are expected to completely fail within the next five to ten years if not replaced or repaired. As such, funds identified for this project are the minimum necessary to start the rehabilitation process. Specific project locations are not mapped for this CIP because the condition assessment is ongoing and pipes will be reprioritized for replacement annually. Each fiscal year, the highest priority pipes are mapped for inclusion in the first two years of the five-year CIP.

Operating Budget Impact: This project will reduce long-term operations and maintenance costs through reduction in emergency responses and reduction in infiltrating groundwater that must be pumped and treated.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
601-50-2500	SEWER RATES/OPERATING RESERVES	\$1,000,000
	Total:	\$1,000,000

# Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City’s infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered “unfunded” because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

## Interceptors/Collectors

CIP #	Phase	Title	Projected Total
1251		KNOX BUTTE ROAD COLLECTOR: UPSIZE LINE FROM CENTURY DRIVE LIFT STATION UPSTREAM TO ONYX STREET	\$2,764,000
1253		47TH AVENUE COLLECTOR: UPSIZE LINE FROM COLUMBUS STREET UPSTREAM TO END OF GRAVITY LINE	\$1,045,000
1724		FERRY STREET AND 28TH AVENUE	\$1,938,000
1770		COX CREEK INTERCEPTOR	\$4,926,000
2341		FERRY STREET INTERCEPTOR PROJECT	\$3,489,000
2345		HILL STREET COLLECTOR: UPSIZE LINE FROM 7TH AVENUE TO 13TH AVENUE	\$1,800,000
2346		MARION STREET COLLECTORS	\$216,000
2348		COLUMBUS STREET EXTENSION	\$1,720,000
2349		SOMERSET DRIVE COLLECTORS	\$1,439,000
2351		THREE LAKES ROAD COLLECTORS	\$4,584,000
2353		HIGHWAY 20 COLLECTORS	\$2,964,000
2356		KNOX BUTTE ROAD COLLECTORS	\$3,420,000

2364		COLUMBUS STREET COLLECTORS	\$412,000
2366		CENTURY DRIVE – DRAPERVILLE COLLECTORS	\$10,830,000
<b>Total for Unfunded Interceptors/Collectors:</b>			<b>\$46,712,000</b>

## Lift Stations

CIP #	Phase	Title	Projected Total
1255		NEW LIFT STATIONS: THORNTON LAKE AND SPRINGHILL DRIVE	\$883,000
2344		NORTH ALBANY LIFT STATION	\$2,500,000
2347		MARION STREET LIFT STATION IMPROVEMENTS	\$1,000,000
2352		THREE LAKES ROAD LIFT STATION IMPROVEMENTS	\$850,000
2354		HIGHWAY 20 LIFT STATION IMPROVEMENTS	\$850,000
2357		KNOX BUTTE ROAD LIFT STATION IMPROVEMENTS	\$850,000
2358		BURKHART CREEK LIFT STATION IMPROVEMENTS	\$850,000
2360		SPRINGHILL DRIVE LIFT STATION IMPROVEMENTS	\$850,000
2361		QUARRY ROAD LIFT STATION IMPROVEMENTS	\$850,000
2363		WEST THORNTON LAKE LIFT STATION IMPROVEMENTS	\$850,000
2365		COLUMBUS STREET LIFT STATION IMPROVEMENTS	\$105,000
2367		CENTURY DRIVE LIFT STATION IMPROVEMENTS	\$1,650,000

**Wastewater**

**Total for Unfunded Lift Stations: \$12,088,000**

**Sewer Mains**

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
2340		ANNUAL COLLECTION SYSTEM REHABILITATION PROJECTS (\$/YR)	\$2,800,000
2350		MARION STREET SEWER MAIN EXTENSION	\$1,204,000
2355		TIMBER LINN SEWER MAINS	\$3,261,000
2393		QUEEN AVENUE SEWER IMPROVEMENTS	\$392,000
2394		12TH AVENUE SEWER IMPROVEMENTS	\$1,100,000

**Total for Unfunded Sewer Mains: \$8,757,000**

**Talking Water Gardens**

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
2190		TALKING WATER GARDENS: COMPLETE ENTRANCE/PARKING LOT LANDSCAPING	\$130,000
2191		TALKING WATER GARDENS: COMPLETE BRIDGE IMPROVEMENTS & LANDSCAPING	\$125,000
2192		TALKING WATER GARDENS: REROUTE OVERHEAD POWER LINES	\$400,000
2193		TALKING WATER GARDENS: ENTRANCE ROAD IMPROVEMENTS	\$700,000

**Total for Unfunded Talking Water Gardens: \$1,355,000**

**Grand Total for Unfunded Wastewater: \$68,912,000**

## **Water Sustains All**

### *Looking to the Future*

**A**s a result of the City’s partnership with the City of Millersburg, investments in transmission main capacity, and targeting replacement of leaky steel water lines, Albany water customers enjoy the security of two safe and reliable sources of drinking water, a distribution system with capacity ready to serve growth, and stable operation and maintenance expenses. These benefits are not shared by all other Oregon communities.

The City’s water system consists of a robust network of pipes, reservoirs, and pump stations. In all, the water system is made up of 265 miles of pipes, seven pump stations, seven reservoirs, 19,150 service lines, 1,855 hydrants, 7,329 valves, an 18-mile canal, and two water treatment plants.

In reviewing this year’s CIP document, it is evident that water system investments in the coming years are partially driven by replacement of water lines in conjunction with planned street improvement projects. Investing in waterlines under new streets results in less funds available for high priority perpetual life replacement needs; these projects are critical for realizing the full benefits of past investments in our water system, meeting regulatory requirements, and providing safe and reliable water service to our customers. The Albany City Council recognizes the importance of maintaining our system and has provided direction regarding five-year planning goals for perpetual life replacement. Meeting those goals requires a commitment to seeking additional revenues. The City Council evaluates revenues, expenditures, system needs, and the state of the local economy annually to determine what revenue increases are appropriate. If water rates are not raised according to the five-year plan, it will not be possible to complete many of the projects listed in the five-year life of the water portion of the CIP and future CIPs will reflect these changes.

The water system projects identified in this year’s five-year CIP are consistent with Council’s direction and represent the minimum necessary for continued consistent quality water services and to support economic development in the City.

### **Funding Summaries**

The following table shows the total value of projects scheduled in each of the five years of this CIP, broken down by the source of the funding. The costs shown are the projected total project costs in the year the project is proposed.

Each year the estimated cost of the projects is adjusted to current year costs by applying the change in the Engineering News-Record (ENR) construction cost index for Seattle. An annual three percent inflation factor is added to estimate future year costs.

## Projected Cost Totals

<b>FUNDING SOURCE</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>	<b>2023</b>	<b>2024</b>	<b>TOTAL</b>
City of Millersburg	\$75,000	\$0	\$0	\$0	\$0	\$75,000
SDC – Improvement – Water	\$0	\$0	\$0	\$699,000	\$0	\$699,000

## Funded Projects Summary & Detail

The following projects have been identified for inclusion in this five-year Capital Improvement Program.

Each project shown below is explained in detail on the pages that follow. Projects are listed in the fiscal year order they are planned to occur, and in CIP ID# order within a given fiscal year set.

CIP #	Phase	Title	Projected Total
<b>Plan Year: 2019 – 2020</b>			
2409		9TH AVENUE WATER LINE	\$304,000
2412		ALBANY-MILLERSBURG RESERVOIR INFLUENT VALVE AND FLOW METER REPLACEMENT	\$150,000
2413		GIBSON HILL CORROSION REPAIRS	\$770,000
2424		PARK TERRACE WATER LINE IMPROVEMENTS	\$210,000
2425		VINE STREET WATER TREATMENT PLANT CLEARWELL IMPROVEMENTS	\$800,000
<b>Total for FY 2019 – 2020</b>			<b>\$2,234,000</b>
<b>Plan Year: 2020 – 2021</b>			
2003		24TH AVENUE WATER LINE: HILL STREET TO GEARY STREET	\$801,000
2301		DAVIDSON STREET WATER LINE: 14TH AVENUE TO 16TH AVENUE	\$245,000
2401		QUEEN AVENUE WATER LINE: 99E TO MARION STREET	\$945,000
<b>Total for FY 2020 – 2021</b>			<b>\$1,991,000</b>
<b>Plan Year: 2021 – 2022</b>			
2188		JEFFERSON STREET WATER LINE REPLACEMENT	\$358,000
2400		QUEEN AVENUE WATER LINE: 99E TO CITY LIMITS	\$846,000
<b>Total for FY 2021 – 2022</b>			<b>\$1,204,000</b>
<b>Plan Year: 2022 – 2023</b>			
2403		14TH AVENUE WATER LINE IMPROVEMENTS	\$1,966,000
2404		WASHINGTON STREET WATER LINE: 2ND AVENUE TO PACIFIC BLVD	\$993,000
<b>Total for FY 2022 – 2023</b>			<b>\$2,959,000</b>
<b>Plan Year: 2023 – 2024</b>			
2399		WAVERLY DRIVE WATER LINE: SANTIAM TO QUEEN AVENUE	\$923,000
2414		34TH AVENUE WATER LINE: 99E TO JACKSON STREET	\$3,377,000
<b>Total for FY 2023 – 2024</b>			<b>\$4,300,000</b>
<b>Grand Total for Water:</b>			<b>\$12,688,000</b>

**Water**

**Plan FY: 2019-2020 9TH AVENUE WATER LINE**

**CIP Project #: 2409**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$304,000**

This project will replace approximately 1,000 feet of deteriorated and undersized 4-inch water pipes with new 8-inch ductile iron water lines. The existing pipes are deteriorated, requiring frequent maintenance, and have exceeded their service life. Street improvements as shown in CIP 2408 in the Transportation section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term. Replacement of these water mains will reduce the amount of water loss from the system and the number of emergency responses required to fix leaks.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$304,000
Total:		\$304,000

**Plan FY: 2019-2020 ALBANY-MILLERSBURG RESERVOIR INFLUENT VALVE AND FLOW METER REPLACEMENT**

**CIP Project #: 2412**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Supply & Storage

**Department:** Public Works Department

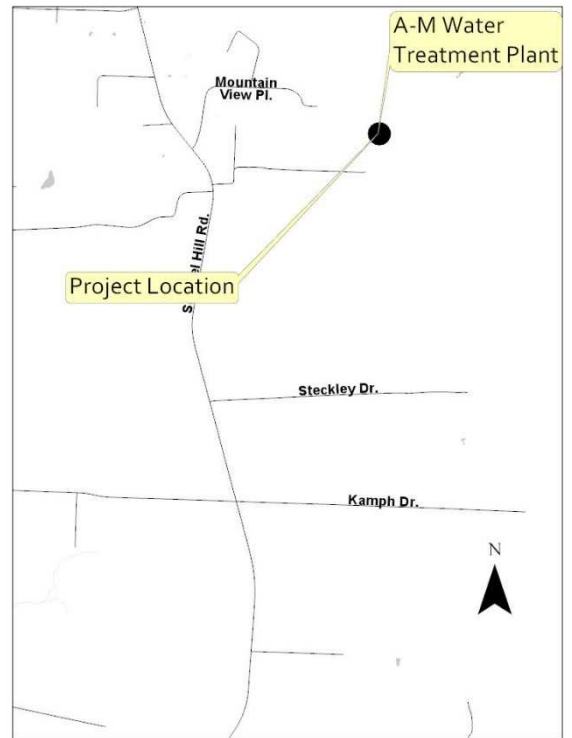

**Total Cost: \$150,000**

This project includes installation of a new flow meter and isolation valve on the influent line to the Albany-Millersburg reservoir. The current isolation valve is not functioning correctly and allows water to leak back into the water treatment plant. The reservoir will also be cleaned and inspected while offline.

Operating Budget Impact: This project will reduce maintenance costs and improve system reliability by completing improvements at the A-M Water Treatment Plant.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	CITY OF MILLERSBURG	\$75,000
615-50-2308	WATER RATES/OPERATING REVENUES	\$75,000
Total:		\$150,000

**Plan FY: 2019-2020 GIBSON HILL CORROSION REPAIRS**

**CIP Project #: 2413**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost:** \$770,000

Gibson Hill Road is currently under the jurisdiction of Benton County. Ownership will be transferred to the City of Albany upon completion of street improvements Benton County is planning to make during the summer of 2020. This project includes installation of cathodic improvements, including bolts and anodes, to the existing 24-inch water line and service crossings located underneath Gibson Hill Road. The water line improvements are being completed in advance of the planned street work.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term. Installation of cathodic protection will reduce the amount of water loss from the system and the number of emergency responses required to fix leaks.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$770,000
Total:		\$770,000

**Plan FY: 2019-2020 PARK TERRACE WATER LINE IMPROVEMENTS**

**CIP Project #: 2424**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$210,000**

This project will replace approximately 630 feet of deteriorated 10-inch steel pipe with 8-inch ductile iron pipe, and abandon approximately 330 feet of 10-inch pipe located along back lot lines.

Operating Budget Impact: This project will reduce maintenance costs over the long term. Replacement of these water mains will reduce the amount of water loss from the system and the number of emergency responses required to fix leaks.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$210,000
Total:		\$210,000

**Plan FY: 2019-2020 VINE STREET WATER TREATMENT PLANT CLEARWELL IMPROVEMENTS**

**CIP Project #: 2425**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Miscellaneous - Water

**Department:** Public Works Department

**Total Cost: \$800,000**

The clearwell is a concrete structure located underneath the small filters at the Vine Street Water Treatment Plant. A recent evaluation identified structural concerns and several leaks. An attempt to stop the leaks with injected sealant was unsuccessful and it was determined that the leaks extended through the concrete wall. This project includes work to address leaks to assure water quality is maintained and a complete structural repair of the clearwell.

**Operating Budget Impact:** This project will reduce maintenance costs and improve system reliability by completing improvements at the Vine Street Water Treatment Plant.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$800,000
Total:		\$800,000

**Plan FY: 2020-2021 24TH AVENUE WATER LINE: HILL STREET TO GEARY STREET**

**CIP Project #: 2003**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$801,000**

This project will replace approximately 400 linear feet of 6-inch asbestos cement water line with a new 8-inch ductile iron water line and 1,950 linear feet of 10-inch asbestos cement water line with a new 12-inch ductile iron water line. The existing water lines are near the end of their life and will be replaced in advance of street maintenance work. Installation of these new larger water lines will also improve available fire flows in the area. Street improvements as shown in CIP 2226 in the Transportation section of the CIP will be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$801,000
Total:		\$801,000

**Plan FY: 2020-2021 DAVIDSON STREET WATER LINE: 14TH AVENUE TO 16TH AVENUE**

**CIP Project #: 2301**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$245,000**

This project will replace approximately 800 linear feet of 8-inch asbestos cement water line with new 8-inch ductile iron water line. The existing water lines are near the end of their service life and are in need of replacement. Street improvements as shown in CIP 2228 in the Transportation section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$245,000
Total:		\$245,000

**Plan FY: 2020-2021 QUEEN AVENUE WATER LINE: 99E TO MARION STREET**

**CIP Project #: 2401**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$945,000**

This project will replace approximately 2,800 feet of 12-inch asbestos cement water lines with new 12-inch ductile iron water lines. These water lines are being replaced ahead of planned street improvements as shown in CIP 2383 in the Transportation section of the CIP.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$945,000
Total:		\$945,000

**Plan FY: 2021-2022    JEFFERSON STREET WATER LINE REPLACEMENT**

**CIP Project #: 2188**

**Master Plan:**

**Plan Element:**

**Category:**        Water

**Classification:**    Water Mains

**Department:**    Public Works Department

**Total Cost:**        \$358,000

This project will replace approximately 550 linear feet of 2-inch steel pipe and 425 linear feet of 4-inch steel pipe with approximately 975 feet of 8-inch ductile iron pipe. This project will improve pressure, water quality, and fire flows in the area.

Operating Budget Impact: This project will reduce maintenance costs over the long term. Replacement of these water mains will reduce the amount of water loss from the system and the number of emergency responses required to fix leaks.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$358,000
Total:		\$358,000

**Plan FY: 2021-2022 QUEEN AVENUE WATER LINE: 99E TO CITY LIMITS**

**CIP Project #: 2400**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$846,000**

This project will replace approximately 2,300 feet of 10-inch asbestos cement water lines with new 12-inch ductile iron water lines. These water lines are being replaced ahead of planned street improvements as shown in CIP 2382 in the Transportation section of the CIP.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$846,000
Total:		\$846,000

**Plan FY: 2022-2023 14TH AVENUE WATER LINE IMPROVEMENTS**

**CIP Project #: 2403**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**SDC**

**Total Cost: \$1,966,000**

This project will replace approximately 1,000 feet of 12-inch asbestos cement water lines with new 12-inch ductile iron water lines and approximately 1,600 feet of 8-inch ductile iron water line with new 30-inch ductile iron water line. Replacement with the large diameter water main is recommended in the Water Facility Plan to support the future completion of the Central Albany Transmission Project. These water lines are being replaced ahead of planned street improvements as shown in CIP 2385 in the Transportation section of the CIP. Sewer improvements as shown in CIP 2397 in the Wastewater section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2300	SDC-IMPROVEMENT-WATER	\$699,000
615-50-2308	WATER RATES/OPERATING REVENUES	\$1,267,000
Total:		\$1,966,000

**Plan FY: 2022-2023 WASHINGTON STREET WATER LINE: 2ND AVENUE TO PACIFIC BLVD**

**CIP Project #: 2404**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$993,000**

This project will replace approximately 2,900 feet of deteriorated and undersized 2-, 4-, and 6-inch steel water pipes with 8-inch ductile iron water lines. The existing pipes are deteriorated, requiring frequent maintenance, and have exceeded their service life. Street improvements as shown in CIP 2387 in the Transportation section of the CIP, curb ramps and sidewalk improvements as shown in CIP 2172 in the Accessibility section of the CIP, and sewer improvements as shown in CIP 2396 in the Wastewater section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term. Replacement of these water mains will reduce the amount of water loss from the system and the number of emergency responses required to fix leaks.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$993,000
Total:		\$993,000

**Plan FY: 2023-2024 WAVERLY DRIVE WATER LINE: SANTIAM TO QUEEN AVENUE**

**CIP Project #: 2399**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost:** \$923,000

This project will replace approximately 2,500 feet of 12-inch asbestos cement water lines with new 12-inch ductile iron water lines. These water lines are being replaced ahead of planned street improvements as shown in CIP 2381 in the Transportation section of the CIP. Sewer improvements as shown in CIP 2392 in the Wastewater section of the CIP will also be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$923,000
Total:		\$923,000

**Plan FY: 2023-2024 34TH AVENUE WATER LINE: 99E TO JACKSON STREET**

**CIP Project #: 2414**

**Master Plan:**

**Plan Element:**

**Category:** Water

**Classification:** Water Mains

**Department:** Public Works Department

**Total Cost: \$3,377,000**

This project will replace approximately 4,200 feet of 16-inch asbestos cement water lines with new 24-inch ductile iron water lines. The existing water line is near the end of its life and will be replaced in advance of street maintenance work. Street improvements as shown in CIP 2422 in the Transportation section of the CIP will be coordinated with this project.

**Operating Budget Impact:** This project will reduce maintenance costs over the long term by avoiding costs associated with large scale pipe failures common to asbestos cement water mains that have exceeded their service life.

**Funding Sources For This Project:**

<u>Activity</u>	<u>Funding Source</u>	<u>Projected Amount</u>
615-50-2308	WATER RATES/OPERATING REVENUES	\$3,377,000
Total:		\$3,377,000

## Unfunded Projects

The following projects have been identified as needed repairs and/or improvements to the City’s infrastructure. In most cases, these projects are the result of a master plan process, which attempts to systematically look at the needs for public infrastructure over the next 10 to 20 years. These projects are considered “unfunded” because either a source of funding has not been made available, or they will not be implemented within the five-year window this plan covers.

### Miscellaneous - Water

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
2320		SANTIAM-ALBANY CANAL BANK REPAIR: 6TH AVENUE TO 12TH AVENUE	\$1,832,000
2337		SANTIAM-ALBANY CANAL BANK REPAIR: 4TH AVENUE TO 5TH AVENUE	\$450,000
2342		SANTIAM-ALBANY CANAL BANK REPAIR: 5TH AVENUE TO 6TH AVENUE	\$477,000
<b>Total for Unfunded Miscellaneous - Water:</b>			<b>\$2,759,000</b>

### New Construction - Water

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
1311		MARION STREET & 41ST AVENUE TO COLLEGE PARK DRIVE	\$305,000
1640		CENTRAL ALBANY TRANSMISSION PROJECT	\$6,144,000
1641		DEVELOPMENT DRIVEN TRANSMISSION/DISTRIBUTION PROJECTS	\$5,709,000
1866		THREE LAKES ROAD WATER LINE EXTENSION (21ST AVE TO 2,500 FEET SOUTH)	\$712,000
<b>Total for Unfunded New Construction - Water:</b>			<b>\$12,870,000</b>

### Water Mains

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
1587		6TH AVENUE, ELM TO MAPLE AND WALNUT STREET, 6TH TO 7TH	\$245,000
1596		LINCOLN STREET WATER LINE: 12TH AVENUE TO 15TH AVENUE	\$485,000
2402		ANNUAL WATER DISTRIBUTION REPLACEMENT PROJECTS (\$/YR)	\$2,320,000
<b>Total for Unfunded Water Mains:</b>			<b>\$3,050,000</b>

### Water Supply & Storage

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
1300	1	KNOX BUTTE RESERVOIR PROJECT, PHASE 1	\$8,413,000
1300	2	KNOX BUTTE RESERVOIR PROJECT, PHASE 2	\$4,891,000
1634		INCREASE LEVEL 2 PUMP STATION CAPACITY	\$14,000
1636	1	VINE STREET WTP IMPROVEMENTS, PHASE 1	\$1,374,000
1636	2	VINE STREET WTP IMPROVEMENTS, PHASE 2	\$6,311,000
1639	1	ELLINGSON ROAD RESERVOIR PROJECT	\$6,027,000
1639	2	ELLINGSON ROAD RESERVOIR PROJECT	\$4,730,000
1644		JOINT WATER PROJECT, PHASE 2	\$5,450,000
1675	11	SANTIAM-ALBANY CANAL IMPROVEMENTS	\$250,000
1675	12	SANTIAM-ALBANY CANAL IMPROVEMENTS	\$250,000
1675	13	SANTIAM-ALBANY CANAL IMPROVEMENTS	\$303,000

**Water**

<u>CIP #</u>	<u>Phase</u>	<u>Title</u>	<u>Projected Total</u>
1749	2	MAPLE STREET RESERVOIR IMPROVEMENTS	\$284,000
1749	3	NORTH ALBANY DISTRIBUTION PROJECTS	\$28,000
2336		CANAL DREDGING – VINE STREET WTP TO 22ND AVENUE	\$485,000
<b>Total for Unfunded Water Supply &amp; Storage:</b>			<b>\$38,810,000</b>

**Grand Total for Unfunded Water: \$57,489,000**

# CIP 2417

## 2021 COLLECTION SYSTEM REHABILITATION PROJECTS

**SCHEDULE OF CAPITAL EQUIPMENT**  
**Biennium 2019-2021**

**Department:**

Program Name (Program Number)	Capital Description	Budget Amount	Fund Total
<b>Public Works Department:</b>			
Grants: FEMA Projects (203-40801)	Purchase flood protection equipment for AM WRF	\$45,000	<u>\$45,000</u>
Grants: Homeland Security (203-40802)	Purchase two emergency drinking water filtration trailers	\$57,000	<u>\$57,000</u>
Airport (211-40005)	VASI replacement	\$50,000	<u>\$50,000</u>
Transit (213-40100)	2 new ATS 40-foot buses for service expansion	\$880,000	<u>\$880,000</u>
Linn-Benton Loop (213-40105)	2 new Loop 40-foot buses for Loop enhancement project.	\$880,000	<u>\$880,000</u>
Paratransit (213-40110)	Replace vehicle 820-12. Installation of tablets for 7 vehicles	\$50,000 26,600	<u>\$76,600</u>
Wastewater Treatment Plant (601-40310)	Additional capacity for the CCTV server Install backup HVAC system for SRF server room Replace outdated MOLEX modules at the WRF Add cooling system to WRF Blower MCC room Replace DO probes and controllers on VLR's Replace Ultra Sonic Level sensors at WRF with radar units Replace power monitors in the WRF MCC room	\$3,000 3,300 12,600 20,000 20,000 34,000 39,600	<u>\$132,500</u>
TWG Wetlands (601-40315)	Install flow control gates for TWG influent structure	\$10,000	<u>\$10,000</u>
Wastewater Collections (601-40325)	Additional capacity for the CCTV server Install backup HVAC system for SRF server room New network switches for lift stations Controls upgrade for the Columbus Street lift station Backup tractor for Cues CCTV van North Albany lift station pump rebuild Replace Maple Street and Bowman Park FLODAR units with laser flows	\$3,000 3,300 7,600 10,000 13,000 15,000 28,000	<u>\$79,900</u>
Sewer Equipment Replacement (601-40375)	Replace vehicle 722-99	\$67,500	<u>\$67,500</u>

**SCHEDULE OF CAPITAL EQUIPMENT**  
**Biennium 2019-2021**

**Public Works Department (continued):**

Sewer Equipment Replacement (601-40375)	Replace vehicle 722-99	\$67,500	<u>\$67,500</u>
Albany-Millersburg WTP (615-40410)	Replace outdated power monitors in AM Water Plant MCC room	\$20,000	
	Replace radar level sensors and AM Water Plant	24,000	
	Purchase AB Control Logix controller for AM Water Plant	36,000	
	Purchase new valves and actuators for AM Water Plant.	50,000	<u>\$130,000</u>
Vine Street WTP (615-40415)	Rebuild #3 transfer pump at Vine Street Water Plant.	\$15,000	<u>\$15,000</u>
Water Distribution (615-40420)	Rebuild one pump at 34th Street Pump Station	\$10,000	
	Purchase magnetic flow meter for Wildwood reservoir.	15,000	<u>\$25,000</u>
Water Canal Maintenance (615-40425)	Replace EIM valve actuators at Albany gates canal structure	\$25,000	
	Replace three FLODAR units with laser flows	36,000	<u>\$61,000</u>
Water Equipment Replacement (615-40480)	Replace vehicle 981-06	\$31,500	
	Replace vehicles 908-01 and 912-01.	125,000	<u>\$156,500</u>
<b>Total Public Works Department</b>			<b><u>\$2,666,000</u></b>

**SUMMARY OF CAPITAL REQUIREMENTS AND CAPITAL RESERVES - FISCAL YEAR 2019-21**

The City evaluates its service delivery systems according to established efficiency and effectiveness criteria to determine whether a service should be provided with staff or by contract. It is the policy of the City to make every effort to construct public improvements at the least cost to the citizens of Albany. The following summary lists projects included in the 2019-21 budget. The projects may also be included in the City's five-year Capital Improvements Program (CIP) for 2019-2023.

BE IT FURTHER RESOLVED that the Albany City Council hereby imposes the taxes provided for in the adopted budget at a permanent rate of \$6.3984 per one thousand of assessed value, a local option rate of \$1.15 per one thousand of assessed value, bonded debt service in the amount of \$2,415,000, plus an adjustment for annexations, and that these taxes are hereby levied upon all taxable property within said districts as of 1 a.m., July 1, 2019 and July 1, 2020, as noted below.

The following allocations and categorizations, subject to the limits of SECTION IIIB, Article XI, of the Oregon Constitution, make the aggregate levy.

	Subject to the General Government Limitation		Excluded from the Limitation	
	FY 2019-2020	FY 2020-2021	FY 2019-2020	FY 2020-2021
Gross tax levy	\$6.3984 per \$1,000 of Assessed Value	\$6.3984 per \$1,000 of Assessed Value		
Public Safety Levy	\$1.15 per \$1,000 of Assessed Value	\$1.15 per \$1,000 of Assessed Value		
Debt Service			\$ 1,190,000	\$ 1,225,000
Linn/Benton Sewer Certification*			\$ 136,000	\$ 140,000

\* This is subject to change, depending on customer payments and delinquent accounts.

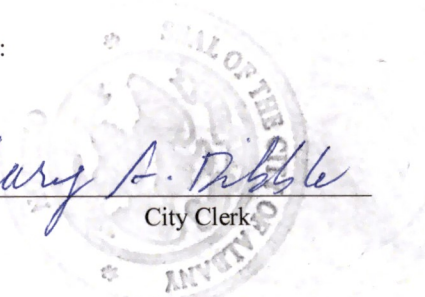

Passed by the Council: June 12, 2019

Approved by the Mayor: June 12, 2019

Effective Date: June 12, 2019

  
Mayor

ATTEST:

  
Mary A. Dibble  
City Clerk

**CITY OF ALBANY  
NOTICE OF BUDGET HEARING**

The City of Albany will hold a PUBLIC HEARING on Wednesday, June 12, 2019, immediately following the Albany Revitalization Agency (ARA) meeting that begins at 7:15 p.m. in the City Hall Council Chambers, 333 Broadalbin Street SW, Albany, for the purpose of discussing the budget for the biennium beginning July 1, 2019, as approved by the City of Albany Budget Committee on May 14, 2019. The public is invited to present any written or oral testimony at this time. Written testimony may be addressed to the Finance Director's Office, 333 Broadalbin SW, Albany, OR 97321.

A copy of the Approved Budget document may be inspected or obtained during regular business hours at City Hall, 333 Broadalbin Street SW, Albany.

A notice of the City of Albany Budget Committee Hearing is posted on the City's website at [www.cityofalbany.net](http://www.cityofalbany.net).

A summary of the budget is presented below. The budget includes \$625,000 from State Revenue Sharing in the first year and \$650,500 in the second. The budget was prepared on a basis of accounting consistent with the basis of accounting used the preceding year. Major changes, if any, and their effect on the budget are explained below.

\* FTE shown in BN 2019-21 represents the maximum FTE approved for the biennium.

Prominent Changes

This is the first year of the City's biennial budget. Budgeted amounts represent two years of expenditures.

Statement of Indebtedness (Debt Service)

The City has a General Obligation Bond rating of "AA3" from Moody's Investors Service and a rate of "AA-" from Standard & Poors. The ratings reflect the City's growing tax base, stable financial position, and modest debt burden.

As of July 1, 2019, the City will have the following debt issues outstanding:

Total Debt Outstanding

General Obligation	\$16,355,000
Water Revenue	22,515,000
Limited Tax Pension Obligation	4,769,604
Revenue Obligations	<u>175,000</u>
<b>TOTAL</b>	<b>\$43,814,604</b>

**Other Debt:**

State Revolving Fund	
(SRF) Loan	\$41,736,200
2010 Wetlands	564,107
2011 SRF ARRA Loan	<u>1,250,000</u>
<b>TOTAL</b>	<b>\$43,550,307</b>

**CITY OF ALBANY  
NOTICE OF BUDGET HEARING**

Oregon Revised Statutes Chapter 287 provides a debt limit for General Obligation Bonds of three percent of the true cash value (TCV) of all taxable property within the City's boundaries. As of June 30, 2019, the City's net General Obligation bonded debt will be well below the estimated limit of \$119 million.

Summary of Property Tax Levies

The Budget Committee approved the following:

Subject to the General Government Limitation for each year of the biennium	
Gross tax levy	\$6.3984/\$1,000 of Assessed Value
Public Safety Levy	\$1.15/\$1,000 of Assessed Value

Excluded from the Limitation	
Debt Service	\$1,190,000 for FY 2019-20
Debt Service	\$1,225,000 for FY 2020-21

The estimated assessed valuation for Fiscal Year 2019-20 is \$4,185,613,897, and \$4,233,009,453 for Fiscal Year 2020-21.

If you have any questions about the meeting or need more information, please contact Jeanna Yeager, City of Albany Finance Director, at (541) 917-7521.

This notice is given in accordance with provisions of the Oregon Revised Statutes, Chapter 294.438.

Jeanna Yeager  
Finance Director

<b>Total FTE</b>	<b>428.868</b>	<b>430.185</b>	<b>428.400</b>

FTE shown in BN 2019-21 represents the maximum FTE approved for the biennium.

Prominent Changes

This is the first year of the City's biennial budget. Budgeted amounts represent two years of expenditures.

Statement of Indebtedness (Debt Service)

The City has a General Obligation Bond rating of "AA3" from Moody's Investors Service and a rating of "AA-" from Standard & Poors. The ratings reflect the City's growing tax base, stable financial position, and modest debt burden.

As of July 1, 2019, the City will have the following debt issues outstanding:

Total Debt Outstanding

limited Tax Pension Obligation	4,769,604
Revenue Obligations	175,000
<b>OTAL</b>	<b>\$43,814,604</b>
Other Debt:	
State Revolving Fund	
(SRF) Loan	\$41,736,200
010 Wetlands	564,107
011 SRF ARRA Loan	1,250,000
<b>OTAL</b>	<b>\$43,550,307</b>

Oregon Revised Statutes Chapter 287 provides a debt limit for General Obligation Bonds of three percent of the true cash value (TCV) of all taxable property within the City's boundaries. As of June 30, 2019, the City's net General Obligation bonded debt will be well below the estimated limit of \$119 million.

Summary of Property Tax Levies

The Budget Committee approved the following:

Subject to the General Government Limitation for each year of the biennium	
Gross tax levy	\$6.3984/\$1,000 of Assessed Value
Public Safety Levy	\$1.15/\$1,000 of Assessed Value

Excluded from the Limitation

Debt Service	\$1,190,000 for FY 2019-20
Debt Service	\$1,225,000 for FY 2020-21

The estimated assessed valuation for Fiscal Year 2019-20 is \$4,185,613,897, and \$4,233,009,453 for Fiscal Year 2020-21.

If you have any questions about the meeting or need more information, please contact Jeanna Yeager, City of Albany Finance Director, at (541)730-2078.

This notice is given in accordance with provisions of the Oregon Revised Statutes, Chapter 294.438.

NOTICE OF CITY OF ALBANY BUDGET COMMITTEE MEETING

Notice is hereby given that the City of Albany Budget Committee will meet on May 7, 9 and 14, 2019 at 6:30 p.m. and if necessary May 21, 2019, immediately following the Albany Revitalization Agency (ARA) Budget Committee meeting beginning at 6:30 p.m. in the Albany City Hall Council Chambers, 333 Broadalbin SW, Albany.

The purpose of the first meeting is to receive the budget message and review the Biennium 2019-2021 proposed budget. This is a public meeting where deliberation of the Budget Committee will take place.

Any person may appear at the first meeting to ask questions or comment on the Budget document. Written testimony may be addressed to the Finance Director's Office, 333 Broadalbin SW, Albany, OR 97321.

The Proposed Budget will be available on the City's website at <http://www.cityofalbanynet/departments/finance> on May 1, 2019, or a copy may be inspected at Albany City Hall between the hours of 8:00 a.m. and 5:00 p.m.

If you have questions about the meetings or need more information, please contact Jeanna Yeager, City of Albany Finance Director, at [jeanna.yeager@cityofalbanynet](mailto:jeanna.yeager@cityofalbanynet) or (541) 917-7521.

This notice is given in accordance with provisions of the Oregon Revised Statutes 294.426 and is posted on the City's website at [www.cityofalbanynet](http://www.cityofalbanynet).

(FIRST NOTICE)

NOTICE OF PUBLIC HEARING

The Albany Budget Committee will hold a public hearing on May 7, 2019 at 6:30 p.m. in the City Council Chambers at City Hall, to consider public comments on the City's possible uses of state shared revenues, as part of the proposed budget for the Biennium 2019-2021 discussion.

This is the first of two required public comment opportunities. The second opportunity will be held before the City Council on June 12, 2019.

Persons may submit written comments prior to the hearing to Finance Director Jeanna Yeager, PO Box 490, Albany, OR 97321, or they may speak at the Budget Committee meeting. Comments will not be accepted after the public hearing.

This notice is given in accordance with provisions of Oregon Revised Statutes, Chapter 221.770.

Dated this 30th day of April 2019.

**Account** - A separate financial reporting unit for budgeting, management, or accounting purposes. All budgetary transactions, whether revenue or expenditure, are recorded in accounts.

**Accounting Standards** - The Generally Accepted Accounting Principles (GAAP) promulgated by the Governmental Accounting Standards Board (GASB), which guides the recording and reporting of financial information by state and local governments. The standards establish such guidelines as when transactions are recognized, the types and purpose of funds, and the content and organization of the annual financial report.

**Accrual Basis of Accounting** - A method of accounting in which revenues are recorded when measurable and earned, and expenses are recognized when obligations are incurred.

**Activity** - A departmental effort that contributes to the accomplishment of a specific identified program strategy or action.

**Ad Valorem Taxes** - Commonly referred to as property taxes; a property tax as a percentage of the value of taxable property; a tax based on the assessed value of the taxable property; a tax levied on both real and personal property according to the property's valuation and the tax rate.

**Adopted Budget** - The final budget appropriations approved by the City Council, which become the budget of the City.

**AFSCME** - American Federation of State, County, and Municipal Employees. One of the union organizations representing bargaining employees of the City of Albany.

**AMEDC** - Albany/Millersburg Economic Development Corporation. A non-profit organization the City contracts with to provide economic development coordination.

**Annexation** - The incorporation of land into an existing city with a resulting change in the boundaries of that city.

**Appropriation** - Legal authorization granted by the governing body to make expenditures and to incur obligations for specific purposes.

**Approved Budget** - The budget recommended by the Budget Committee for adoption by the City Council. The Council has limited authority to modify the budget. In no case may the City Council increase the tax levy approved by the Budget Committee, nor may the appropriation of any fund be increased more than 10 percent above that approved by the Budget Committee.

**Assessed Value** - The value set by the County Assessor on real and personal taxable property as a basis for levying taxes.

**Assessment** - An amount levied against a property for improvements specifically benefiting that property.

**Balanced Budget** - A balanced budget means the total resources, including transfers in, less total expenditures, including transfers out, net to zero.

**Ballot Measure 5** - A 1.5 percent property tax measure passed by Oregon voters on November 6, 1990, limiting the consolidated tax rate for non-educational local governments to \$10 per \$1,000 of the assessed value. Effective date was July 1, 1991.

**Ballot Measure 47** - A statewide property tax limitation measure approved by voters in November 1996. The measure rolled back taxes to individual properties by either the amount paid in 1995 less 10 percent or the amount paid in 1994, whichever was less. It limited future tax increases to not more than 3 percent per year. It placed limits on the kinds of purchases that can be made with general obligation bonds. It imposed a double majority (50 percent turnout and 50 percent approval) requirement to approve new bonds or property tax levies (this portion of the measure was removed through voter approval in May 2010).

**Ballot Measure 50** - A statewide property tax limitation measure proposed by the Oregon Legislature and approved by voters on May 20, 1997. The measure was prompted by confusion over the meaning and language contained in Measure 47. It keeps most of the tax reduction intent of Measure 47, but attempts to make the system simpler and avoid legal challenges of the meaning of Measure 47.

**Bancroft** - (also referred to as Bancroft Bonding Act). Oregon law (ORS 223.205) which allows property owners to make installment payments on assessments to specific property benefited by a City improvement. Property owners make scheduled payments to the City until assessment has been paid in full.

**Basis of Accounting** – The method employed in the recording and reporting of transactions. Three bases are commonly recognized: the cash basis, the modified accrual basis, and the accrual basis.

**Beginning Fund Balance** - The unexpended amount in a fund at fiscal year end, which is carried over into the next fiscal year.

**Bond** - A written promise to pay a specific sum of money, called the face value or principal amount, at a specific date or dates in the future, called the maturity dates(s), together with periodic interest at a specified rate. The difference between a note and a bond is that the latter runs for a longer period of time and requires greater legal formality.

**Bond Refinancing** - The payoff and re-issuance of bonds to obtain better interest rates and/or bond conditions.

**Budget** - A plan of financial operation embodying an estimate of expenditures for a given purpose and/or period (typically a fiscal year) and the proposed means of financing the estimated expenditures and revenues. The budget is the financial plan for the City's allocation of resources to provide services and accomplish the City's objectives.

**Budget Calendar** - The schedule of key dates, or events, which a government follows in the preparation and adoption of the budget.

**Budget Committee** - A committee required by Oregon Local Budget Law (ORS 294.305) which must recommend a budget and approve the maximum tax levy.

**Budget Manual** - A set of documents published in preparation for the budget year outlining the City's budget policies, procedures, forms, and calendar.

**Budget Message** - Written explanation of the budget and the City's financial plan and priorities presented to the Budget Committee by the City Manager, which is a requirement of Local Budget Law, ORS 294.

**Budget Officer** - The person designated by the Governing Body to be responsible for the preparation of the budget and meeting legal deadlines. The designation is required by Oregon Local Budget Law (ORS 294.305). The Finance Director is the designated Budget Officer for the City of Albany.

**Budget Phases** - The following are the major phases of the budget process:

*Requested* The requested appropriation for an activity as submitted to the City Manager.

*Proposed* The City Manager's recommended budget to the Budget Committee and City Council.

*Approved* The budget as approved by the Budget Committee and subsequently reviewed and certified by the City Council.

*Adopted* The budget as passed by ordinance by the City Council.

**CAFR** (Comprehensive Annual Financial Report) - Prepared at the close of each fiscal year to show the actual audited condition of the City's funds and serve as the official public record of the City's financial status and activities.

**Capital Assets** - Non-consumable assets of significant value (\$5,000 or more) and having a useful life of more than one year. Capital assets are also called **fixed assets**.

**Capital Equipment** - Operating equipment with unit costs of more than \$5,000 and a useful life of more than one year.

**Capital Improvements** - Expenditures related to acquisition, construction, expansion, or rehabilitation for improving an element of the government's physical plant and/or infrastructure.

**Capital Improvement Program (CIP)** - A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project, identifying the expected beginning and ending dates for each project, the amount to be expended in each year, and the method of financing those expenditures.

**Capital Outlays** - Expenditures for the acquisition of capital assets.

**Capital Projects** - Projects which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

**Capital Reserve** - An account used to segregate a portion of the government's equity to be used for future capital program expenditures. The amount of capital reserve is roughly equal to the government's annual equipment depreciation and an amount identified as being needed for future capital acquisition.

**CARA** - Central Albany Revitalization Area. An urban renewal district in downtown Albany.

**Cash Basis of Accounting** - The system of accounting under which revenues are accounted for only when received, and expenditures are accounted for only when paid.

**Charter** - Oregon law allows Municipal Corporations, upon a vote of the people, to establish a charter government. Commonly referred to as Home Rule, it allows a local government more flexibility in organization and legal authority. The City of Albany's original Charter was adopted in 1891.

**City Council** - The governing body, consisting of the Mayor and six other elected persons, which sets policies and procedures for the functioning of the municipal government of the City of Albany.

**City Match** - The expenditure of City resources as the necessary condition for the award of a grant.

**Compression (Tax Limitation)** - The Oregon Constitution sets limits on the amount of property taxes that can be collected from each property tax account. These limits are often called the "Measure 5 limits." To figure these limits, taxes are divided into categories described in the constitution. The categories are: education and general government. If taxes in either category

exceed the limit for that property, the taxes are reduced or "compressed" until the limit is reached. Local option taxes are compressed first. If the local option tax is compressed to zero, and the limit still hasn't been reached, the other taxes in the category are proportionally reduced.

**Contingency** - A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for. Formal Council action is required for transfers from Contingency to an expenditure appropriation.

**Contract** - An agreement between the City and an individual, legal, or political entity, agreeing to provide certain things. If the City is to provide a service(s) for reimbursement, the department providing the service must indicate the appropriation necessary and identify the source and amount of funds to be received in its budget request.

**COP (Certificate of Participation)** - Provides long-term financing through a lease, installment sale agreement, or loan agreement.

**Depreciation** - The decrease in the value of an asset due to use or becoming out of date. The depreciation of general fixed assets is calculated using the straight-line method, which calculates annual expense by dividing the historical cost by the number of years of useful life.

**Debt Service** - Annual principal and interest payments that the local government owes on money it has borrowed.

**Debt Service Fund** - One or more funds established to account for expenditures used to repay the principal and interest on debt.

**Defeasement** - Relieving the City of a particular liability (such as a specific bond series) by refunding the liability through an escrow account. Legally defeased liabilities do not need to be appropriated each year as the escrow account is removed from the control of the City.

**Development-related Fees** - Those fees and charges generated by building, development, and growth in a community. Included are building and street permit fees, development review fees, zoning, platting, and subdivision fees.

**Disbursement** - Payment for goods or services that have been delivered and invoiced.

**Distinguished Budget Presentation Awards Program** - A voluntary awards program administered by the Government Finance Officers Association of America and Canada to encourage governments to prepare effective and exceptional budget documents. Receiving this award is the highest form of recognition in governmental budgeting. Budgets are evaluated for effectiveness as a policy document, a financial plan, an operations guide, and a communication device.

**Encumbrances** - Obligations in the form of purchase orders, contracts, or salary commitments which are chargeable to an appropriation and for which a part of the appropriation is reserved. Obligations cease to be encumbrances when paid.

**Enterprise Fund** - A separate fund used to account for services supported primarily by service charges; examples are water and sewer funds.

**Entitlement Program** - A program in which funding is allocated according to eligibility criteria; all persons or governments that meet the criteria specified in law receive the benefit.

**Equipment Replacement Reserves** - Reserves designated for the purchase of new vehicles or operating equipment as existing equipment becomes obsolete or unusable.

**Equipment Replacement Schedule** - A schedule of annual purchases to replace major equipment and vehicles that have met or exceeded their useful life to the City.

**Expenditure** - For accounts that are kept on the *accrual basis*, the total charge incurred, whether paid or unpaid, including provision for retirement of unreported debt as a liability of a fund from which retained, and capital outlay. The modified accrual basis shows decreases in net financial resources and may include encumbrances.

For accounts kept on the *cash basis*, the term covers only actual disbursement and the drawing of the check or warrant for these purposes, but not encumbrances, except that deferred employee compensation shall be included as a personal service expenditure where an approved deferred employee compensation plan is in effect for a municipal corporation.

**Fiduciary Funds** –

*Agency Funds* - Account for resources where the governmental unit acts solely as an agent in collecting and dispersing monies such as federal payroll monies. No fund balance is maintained and no appropriations are necessitated. These funds are accounted for on a modified accrual basis.

*Internal Service Funds* - Account for goods and/or services provided to other funds or departments within the organization. Internal charges, set to cover costs of the goods or services, provide the revenue for these funds.

*Trust Funds* - Account for resources where the governmental unit acts as a trustee either formally or informally for restricted fund users. Trust funds may be expendable (and thus subscribe to a modified accrual basis of accounting) for a specific project or service. Non-expendable trusts focus on the ongoing retention of earnings and subscribe to an accrual basis of accounting.

**Fiscal Year (FY)** - ORS 294.311(17) “Fiscal year” means for municipal corporations with the power to impose ad valorem property taxes, the fiscal year commencing on July 1 and closing on June 30, and for all other municipal corporations, an accounting period of 12 months ending on the last day of any month. This fiscal year is referred to using both calendar years. For example, a fiscal year beginning July 1, 2008, and ending June 30, 2009, would be called Fiscal Year 2008-09, or FY 08-09.

**Fixed Assets** (also see **Capital Assets**) - Non-consumable assets of a tangible nature (such as buildings, furniture, and other equipment) that have a useful life greater than one year and cost more than \$5,000.

**Franchise Fees** - Fees charged to utilities for the use of public right-of-way.

**FTE** - Full-Time Equivalent position. A part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

**Fund** - A budgetary and fiscal accounting mechanism for designating a sum of money or other resources set aside for providing services and achieving objectives in accordance with state and local laws, regulations, or other limitations. Each fund constitutes an independent budgetary, fiscal, and accounting entity.

**Fund Balance** - The excess of the assets of a fund over its liabilities.

**Fund Transfer** - A movement of resources as an expense in one fund to revenue in another fund. Transfers result in artificial inflation of the total budget, but provide a clearer picture of the true origins of revenue and expense.

*Interfund transfers* are appropriations that are transferred from one fund to another. Transfers must be made through formal adoption of a resolution by the City Council. Oregon Budget Law has several restrictions dealing with transfers; e.g., an appropriation may not be transferred from a Special Revenue Fund to the General Fund.

**GAAP (Generally Accepted Accounting Principles)** - Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

**GEMS** – City of Albany dance group, “young jewels.”

**General Fund** - The City’s major operating fund that includes all services authorized by the Council and the Charter not specifically provided for in other funds. The major source of revenue for this fund is usually property taxes. There are no restrictions as to the purposes for which the revenues in this fund can be used.

**General Obligation Bond (G. O. Bond)** - A government pledge of full faith and credit to the repayment of the bonds issued by the government. The term is also used to refer to bonds that are to be repaid from taxes and other general revenues.

**Goal** - A statement of direction, purpose, or intent based on the needs of the community, generally to be completed within a specified time period.

**Governmental Funds** - These funds subscribe to the modified accrual basis of accounting and include the following types of funds:

*General Fund* - see previous definition.

*Special Revenue Funds* - Resources received are limited to a specifically defined use; e.g., the Street Fund.

*Debt Service Funds* - Funds used for paying principal and interest of debt on non-enterprise funds.

*Capital Project Funds* - Resources are used for purchase or construction of long-term fixed assets.

*Permanent Funds* - Resources reported are legally restricted to the extent that only earnings, and not principal, may be used for the benefit of the government or its citizenry.

*Special Assessment Funds* - Resources are received from specific beneficiaries of a particular service or projects expended from these funds. Note: City of Albany does not have a Special Assessment Fund.

*Internal Services Funds* – Funds used to account for the financing of goods and/or services provided to various City Departments on a cost-reimbursement basis.

*Agency Fund* – Fund used to account for assets held by a government as an agent for individuals, private organizations, other governments, and/or other funds.

**Grant** - A donation or contribution of assets (usually cash) by an organization or governmental unit to another organization or governmental unit. Grants are generally made for specific purposes.

**Infrastructure** - The physical assets of a government (e.g., streets, water facilities, sewer facilities, public buildings, and parks).

**Interfund Transfers** - The movement of monies between funds of the same government entity.

**Intergovernmental Revenue** - Funds received

from federal, state, and local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

**Internal Service Charges** - Charges to user departments for services provided internally by the City (e.g., data processing).

**Levy** - The amount of ad valorem tax certified to the County Assessor by a local government for the support of governmental activities. The tax amount is spread (or levied) over the assessed value of property in that district.

**Liabilities** - Debt or other legal obligations arising out of transactions in the past that must be liquidated, renewed, or refunded at some future date. Also included are items that involve probable future sacrifices of economic benefits, arising from present obligations of a municipal corporation to transfer assets or provide services to other entities in the future as a result of past transactions or events. The term does not include encumbrances.

**LID (Local Improvement District)** - The property that is to be assessed for the cost or part of the cost of a local improvement and the property on which the local improvement is located.

**Line Item** - Five-digit numerical classification of revenues and expenditures.

**Local Budget Law** - Oregon Revised Statutes, Chapter 294, prescribes budgeting practices for municipalities within Oregon.

**Millage** - Taxation stated as one tenth of a cent per dollar of valuation; as \$.001 used in calculations. A **mill** is the property tax rate that is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of assessed property value.

**Modified Accrual Basis of Accounting** - The accrual basis of accounting adapted to the governmental fund types under which revenues and other financial sources (bond proceeds) are recognized when they become susceptible to accrual; that is, when they become both measurable and available to finance expenditures of the current period.

**Municipal Code** - A system of rules compiled and

arranged by a municipal corporation, adopted, and used to regulate the conduct of its inhabitants and government.

**Municipal Corporation** - Any county, city, port, school district, union high school district, community college district, or any other public or quasi-public corporation operated by a separate board or commission.

**Net Budget** - The legally adopted budget less all interfund transfers and interdepartmental charges.

**OAR** - Oregon Administrative Rules, rules of various state agencies and programs operation.

**Operating Expenses** - Costs for personnel, materials, and equipment required for a department to function.

**Operating Revenue** - Funds that government receives as income to pay for ongoing operations including taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

**Ordinance** - A formal legislative enactment by the governing board of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, an ordinance has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or City Charter will specify or imply which legislative actions must be made by ordinance and which may be made by resolution.

**ORS** - Oregon Revised Statutes, laws of the State of Oregon.

**Part-time Position** - A position that has no full-time position authority. A part-time position will fit into one of the following categories:

*Part-time, Regular* - A position budgeted for less than 40 hours per week. The position is eligible for prorated City-paid benefits of the normal amount paid to full-time City employees, if the employee works more than 20 hours per week.

*Part-time, Temporary* - A position budgeted for

up to 1,040 hours per year. The position is not eligible for benefits.

*Intermittent* - A position budgeted for up to 520 hours per year. The position is not eligible for benefits.

**Performance Measure** - Data collected to determine how effective or efficient a program is in achieving its objectives.

*Effectiveness Measure* - A qualitative and/or quantitative measure of the extent to which the performance of a series of related tasks achieves a desired result or objective: the ratio of actual to planned accomplishment of a specific objective.

*Efficiency Measure* - The extent to which the process utilized by an organization to produce goods and/or services minimizes the use of resources. The ratio of a unit of goods and/or services produced to the amount of resources required to produce it.

*Input Measure* - Measures the volume of resources, both monetary and non-monetary, used in delivering a program or service.

*Output Measure* - Measures the quantity or volume of products and services provided.

**PERS (Public Employees Retirement System)** - A State of Oregon-defined benefit pension plan to which both employees and employer contribute.

**Plat** - The map, drawing, or chart on which the subdivider's plan of subdivision or partition is presented and which he/she submits for approval and intends in final form to record.

**Pooled Investments (Sweep Investments)** - Liquid assets of various funds and sub-funds pooled together and invested to get the maximum investment earnings potential. Earnings go to each of the funds contributing to the pool on an approved basis.

**Property Tax Levy** - The tax levy combining the general operating levy and the debt service levy imposed by the City.

**Program Budget** - A budget that allocates money to the functions or activities of a government

rather than to specific items of cost or to specific departments.

**Proposed Budget** - A draft of the budget document to be submitted to and reviewed by the Budget Committee and City Council. This begins the formal phase of budget deliberations by the Budget Committee.

**Purchase Order** - A document issued to authorize a vendor or vendors to deliver specified merchandise or render a specified service for a stated estimated price. Outstanding purchase orders are encumbrances.

**Reserve Fund** - A fund established to accumulate revenues to use for a specific purpose in the future.

**Resolution** - An action of the governing body which requires less legal formality and has a lower legal status than an ordinance. Ordinarily, the statutes or City Charter will specify or imply those legislative actions that must be made by ordinance and those which may be made by resolution.

**Resources and Requirements** - In budgeting, resources turn into revenues when the money is received. Requirements turn into expenditures when the money is spent. Requirements define what is needed to perform the functions of the City (fire, police, library, sewer, water, etc.)

**Revenues** - The gross receipts and receivables that a governmental unit receives, such as: tax payments, licenses, fees for specific services, receipts from other governments, fines, forfeitures, grants, shared revenues, and interest income. Excluded from revenues are appropriations, allotments, and return of principal from investment of surplus funds.

**Revenue Bonds** - Bonds issued pledging future revenues, usually water, sewer, or storm drainage charges, to make debt service payments.

**Risk Management** - An organized attempt to protect a government's assets against accidental loss in the most economical manner by identifying loss exposure, evaluating the risk, and treating the loss through risk control and financing.

**SDCs (System Development Charges)** - Charges levied on new construction to help pay for

additional expenses created by growth, or to compensate for already existing capacity in key facilities and systems which support the new development.

**Sinking Fund Reserves** - A collection of restricted assets that will be used to meet future debt service requirements.

**Special Assessment** - A compulsory levy made by a local government against certain properties to defray part or all of the costs of a specific improvement or service which is presumed to be of general benefit to the public and of special benefit to such properties.

**Special Revenue Fund** - A fund properly authorized and used to finance particular activities from the receipts of specific taxes or other revenues.

**Supplemental Budget** - A budget process used to increase appropriation authority made in the Adopted Budget.

**Tax Levy** - Total amount of dollars raised in property taxes imposed by the City.

**Tax Rate** - The amount of property tax to be paid for each \$1,000 of a property's assessed value. The tax rate is determined by dividing the assessed value of a district by the total tax levy approved for the district. The result is an amount, in dollars and cents, to be levied against each \$1,000 of taxable property value. (See **Ballot Measures 5, 49, and 50**).

**Transfer** - Amounts distributed from one fund to finance activities in another fund. Shown as an expenditure in the originating fund and a revenue in the receiving fund.

**Transient Occupancy/Room Tax** - A tax placed on lodging facilities for the occupancy of a room.

**Trust Fund** - A fund used to account for fiscal activities of assets held in trust by a local government.

**Unappropriated Fund Balance** - An amount set aside in the budget to be used as a cash carryover to the next year's budget. It provides the local

government with cash until tax money is received from the county treasurer in November. This amount cannot be transferred by resolution or used through a supplemental budget.

**User Charges** - The payment of a fee for direct receipt of a public service by the one that benefits from the service.

**AAMPO** – Albany Area Metropolitan Planning Organization

**ACP** – Albany Community Pool

**ACWA** – Association of Clean Water Agencies

**ADA** – Albany Downtown Association

**ADA** – Americans with Disabilities Act

**ADC** – Albany Development Code

**AFSCME** – American Federation of State, County, and Municipal Employees

**AMBAC** – American Municipal Bonds Assurance Corporation

**AMC** – Albany Municipal Code

**AMEDC** – Albany Millersburg Economic Development Corporation

**AM WRF** – Albany-Millersburg Water Reclamation Facility

**APAK** – Albany Police & Kids

**APWA** – American Public Works Association

**APD** – Albany Police Department
