

Sawling, Albany, Oregon

And ordinance to a certain and determining the probable cost of constructing a lateral sewer which the Council of the City of Albany, Oregon, has determined by Resolution No. 17, adopted by the Council on the 28th day of April, 1915, and approved by the Mayor on the 28th day of April, 1915, beginning at the man hole in Ferry Street back sewer where same connects with the 11th Street and running thence easterly along said 11th Street parallel with and sixteen feet from the south line thereof, 152 feet to the intersection with the center line of the alley through block "A" in addition; thence southerly along the center line of said alley to the extension thereof 250 feet to a point in the street or road running westerly and northwesterly and 8 feet from the northwesterly side thereof; thence northwesterly along said street or road, parallel with and eight feet from the northwesterly side thereof, 30 feet, and being a total distance of 432 feet; to ascertain, assess, determine and declare the proportionate share of such probable cost of such improvement that is assessed upon each lot or part thereof, a dividend to said improvement; and to direct the Recorder of said City to enter a statement of such assessment in the City Book of Certificates as provided in the Charter of said City.

Whereas, the City Engineer in pursuance of the directions of the Council of the City of Albany in the plans, specifications and estimates for the construction of the above described lateral sewer, and filed said plans, specifications and estimates in the office of the Recorder of the City of Albany on the 28th day of April, 1915; and

Whereas, the Council on the 28th day of April, 1915, by Resolution No. 17, duly adopted by said Council, determined and resolved that it deemed it expedient and that said Council proposed to construct the above described lateral sewer; and

Whereas, in and by said Resolution No. 17, adopted as aforesaid by the Council, the Recorder of said City was enjoined and directed by said Council to give notice of said proposed sewer improvement as provided by the Charter of said City of Albany; and

Whereas, the Recorder in pursuance of said order and direction of the Council of said City of Albany did duly give notice of said proposed improvement in the manner provided by the Charter of said City; and

Whereas, the said Council in and by said Resolution No. 17 ascertained and determined the total probable cost of making said improvement to be paid in the amount of real property adjacent to said improvement as mentioned in said Resolution No. 17 to be the sum of \$2200.00, and the total probable cost of making said improvement to be the sum of \$4000.00.

Therefore

The People of the City of Albany do Ordain As Follows:

Section 1. That a six inch lateral sewer shall be laid beginning at the manhole in Ferry Street trunk sewer where same connects with Twelfth Street and running thence westerly along said Twelfth Street parallel with and sixteen feet from the south side thereof 102 feet to the intersection with the center line of the alley through Block "H" Central Addition; thence eastward along the center line of said alley and the extension thereof 250 feet to a point in the street or road thence running southwesterly and northeasterly and 8 feet from the northeasterly side thereof, thence southwesterly along said street or road, parallel with and eight feet from the northwesterly side thereof 30 feet, and making a total distance of 432 feet, in accordance with said plans and specifications of said improvement filed by the City Engineer with the Recorder of the City of Albany on the 28th day of April, 1915.

Section 2.
