

That heretofore the council did deem it expedient and necessary to construct a lateral sewer which is to run from the southerly most extension of the lateral on Lafayette Street in the City of Albany, Oregon and running thence southerly to the Sunrise School which is on the property of School Board No. 5, Linn County, Oregon;

That the firm of Cornell, Howland, Hayes & Merryfield, competent engineers, was asked to prepare plans and specifications for the appropriate improvement together with estimate of the work to be done and the cost thereof, together with plans, specifications and estimates which shall be kept on file in the office of the Recorder of the City of Albany, Oregon;

The plans, specifications and estimates having been found satisfactory as submitted and the council deemed such improvement proper and necessary,

IT IS THEREFORE RESOLVED that the plans and specifications and estimates are approved and that the council does hereby declare its purpose and intention to make such improvement by constructing a lateral sewer in the City of Albany, Oregon beginning at the southerly extension of the existing lateral of Lafayette Street in the City of Albany, Oregon and extending southerly to serve Sunrise School which is located on the property of School District No. 5, Linn County, Oregon, a distance of approximately 1,000 feet, in accordance with the plans, specifications and estimates.
