No. 335

BE IT RESOLVED that the City Engineer or appropriate consulting engineers, under the supervision of the acting City Manager, be directed to prepare plans, estimates and specifications for a sewer system, including main sewers, lateral sewers, and connecting sewers, both storm and sanitary, for that portion of Hazelwood Addition now within the city limits of the City of Albany.

Unanimously adopted by the Council this 24th day of August, 1955.

Councilman
