The committee further recommends that the S.P. & S. Railroad Company be directed to improve the traveled surface of Water Street in the railroad track area from Main St. to Madison St.

The committee also wishes to recommend that when Water St. is improved from Madison St. to Lyon St. that the definition of Type A railroad crossings be specified for the installation of the paving adjacent to the tracks.

The committee further recommends that the specifications for Type A railroad crossings be applied to all of the tracks on Water St. between Ferry St. and Lyon St. and that the necessary reconstruction be required to comply with such specifications.

BE IT FURTHER RESOLVED that notice of this Resolution be forwarded by the City Recorder, pursuant to Section 3 of Ordinance No. 2854.

DATED this 9th day of September, 1959.

 Mayor
