STATE OF OREGON
ENVIRONMENTAL QUALITY COMMISSION

In the Matter of An Annexation)
of Certain Territory to the)
City of Albany, Oregon,)
Pursuant to the Provisions) CERTIFICATE
of ORS 222.850 to 222.915)
Due to Conditions Causing a)
Danger to Public Health)

The Environmental Quality Commission of the State of Oregon on August 10, 1980, received revised preliminary plans and specifications together with a time schedule for the implementation of a plan to install sanitary sewers in certain territory commonly known and referred to as the Draperville-Century Drive Area adjacent to the corporate limits of the City of Albany, Oregon .

Pursuant to the Provisions of ORS 222.898, the Environmental Quality Commission reviewed and hereby approves said plans and specifications and the time schedule, copies of which are contained in Exhibit "A" attached hereto and made a part hereof and does hereby certify its approval to the City that it considers the sanitary sewers adequate to remove or alleviate the conditions causing a danger to public health existing within the area adjacent to the City of Albany as aforesaid; to wit: Inadequate installations for the disposal and treatment of sewage.

Dated this 21st day of November, 1980

Chairman
Environmental Quality Commission
