

RESOLUTION NO. 3063

A RESOLUTION WAIVING THE COMPETITIVE BIDDING REQUIREMENTS FOR THE PURCHASE OF A SMALL DIAMETER SEWER INSPECTION SYSTEM.

THE CITY OF ALBANY FINDS AS FOLLOWS:

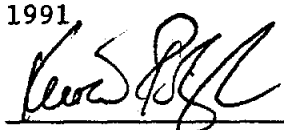

1. The small diameter sewer inspection system must be compatible and interchangeable with existing equipment, thus allowing the small diameter sewer inspection system to serve as a backup unit when necessary and to allow the interchange of component parts. The existing equipment was manufactured by RST Technical Services.

2. RST Technical Services quotes a price of \$7,545 for a compatible and interchangeable small diameter sewer inspection system. Other systems are priced from \$11,500 to \$25,000 and are not compatible with existing equipment.

NOW, THEREFORE, be it resolved that the Albany City Council, acting as the Contract Review Board, authorizes the execution of a contract without competitive bidding as provided for by the provisions of Section 2.64.060 of the Albany Municipal Code, and

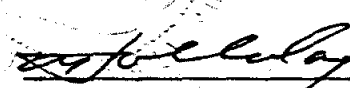

BE IT FURTHER RESOLVED that the contract for the purchase of a small diameter sewer inspection system be awarded to RST Technical Services.

Dated this 22nd day of May, 1991.

MAYOR

ATTEST:

City Recorder
