

RESOLUTION NO. 3068

A RESOLUTION AUTHORIZING APPLICATION FOR OREGON SEWER ASSESSMENT DEFERRAL LOAN PROGRAM - "SEWER SAFETY NET".

WHEREAS, a portion of the North Albany area has been identified by the Department of Environmental Quality as having one of the most severe health hazards in the state due to inadequate sewer systems; and

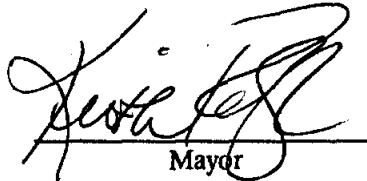

WHEREAS, the City of Albany has the opportunity to apply for the Oregon Sewer Assessment Deferral Loan Program known as the "Sewer Safety Net".

WHEREAS, this program allows the City to apply for a low-interest loan and in turn provide low-cost loans to lower income homeowners to defer payment of all or part of the sewer assessments.

WHEREAS, participation in the program will potentially provide additional financial assistance opportunities for sewer assessments for lower income households.

NOW, THEREFORE, BE IT RESOLVED by the Albany City Council that an application be submitted to the Oregon Department of Environmental Quality and Community Development Department be the authorized contact.

DATED this 12th day of June, 1991.
