

RESOLUTION NO. 3313

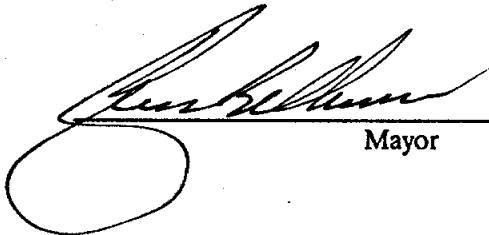

**A RESOLUTION DECLARING AN EMERGENCY AND WAIVING THE COMPETITIVE BIDDING REQUIREMENTS FOR REPLACEMENT OF DOWNTOWN LIBRARY HEATING SYSTEM.**

THE CITY OF ALBANY CITY COUNCIL HEREBY FINDS AS FOLLOWS:

1. The Downtown Library heating system is failing and requires replacement.
2. Temporary repairs have been made in the last two years, but a system replacement is needed at the earliest possible date to prevent temporary closures of the library.
3. Time requirements inherent in normal public bidding procedures would delay contract execution and completion of permanent repairs. Public interest would be best served by waiving standard competitive bidding procedures on this project and allowing direct price quotes and contract execution.

NOW, THEREFORE, be it resolved that the Albany City Council, acting as the Contract Review Board, hereby declares an emergency and authorizes the execution of a contract without competitive bidding as provided for in the provisions of Section 2.64.060 of the Albany Municipal Code.
