

RESOLUTION 3531

**A RESOLUTION TO WAIVE COMPETITIVE BIDDING ON THE REPAIR OF AN EMERGENCY GENERATOR FOR THE WASTEWATER COLLECTION SYSTEM.**

WHEREAS, Albany Municipal Code exempts contracts from competitive bids when there is only one seller or price of a product of the quality available within a reasonable purchase area; and

WHEREAS, the Oregon Revised Statutes waive competitive bidding on finding that:

- a) It is unlikely that such exemption will encourage favoritism in the awarding of public contracts or substantially diminish competition for public contracts; and
- b) The awarding of public contracts pursuant to the exemption will result in substantial cost savings to the public contracting agency; and

WHEREAS, the repair of this emergency generator-engine set is necessary to provide power to sewage pump stations in the event of extended power outage; and

WHEREAS, the manufacturer of the existing engine is best qualified and able to make immediate conversions compatible with the engine; and

WHEREAS, the accomplishment of this work is urgent.

NOW THEREFORE, BE IT RESOLVE THAT the City Council adopts the findings and waives the requirement for competitive bidding in this instance for the repair of the engine-generator set.

DATED this 28th day of June 1995.
