

A RESOLUTION ESTABLISHING FEES AND CHARGES FOR THE PURCHASE, INSTALLATION AND ESTABLISHMENT OF STREET TREES WITHING THE PUBLIC RIGHT OF WAY OR PUBLIC LANDS MAINTAINED BY THE CITY WITHIN OR ABUTTING THE SPECIFIED DEVELOPMENT.

WHEREAS, the City of Albany, Oregon, has duly adopted Resolution 5450, establishing fees and charges for street trees; and

WHEREAS, on June 27, 2007, Ordinance 5673 modified ADC Article 12, authorizing the City Forester to establish a fee for purchase, installation, and establishment of street trees within the public right-of-way or public lands maintained by the City within or abutting a specified development; and

WHEREAS, the current fair market value to purchase, plant and establish required street trees is \$250.00; and

WHEREAS, this fee shall be deposited into the City's Urban Forestry Program Fees Fund.

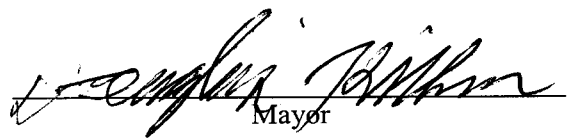

NOW, THEREFORE BE IT RESOLVED by the Albany City Council that a fee of \$250 per tree be established for purchase, installation, and establishment of street trees within the public right-of-way or public lands maintained by the City within or abutting the specified development; and

BE IT FURTHER RESOLVED that the City Forester be designated to manage the planting and the creation of contracts for planting, and establishing the street trees in the specified development; and

BE IT FURTHER RESOLVED that the following appropriation transfers relating to the 2007-2008 City of Albany budget are hereby authorized and approved.
