

RESOLUTION NO. 6192

A RESOLUTION APPROVING AN EXEMPTION FROM THE COMPETITIVE BIDDING PROCESS FOR THE PURCHASE OF BANKING SERVICES, MERCHANT CARD PROCESSING, AND CUSTODY SERVICES THROUGH AN EXISTING CONTRACT WITH LANE COUNTY, OREGON; TO ISSUE A NOTICE OF INTENT TO AWARD A CONTRACT WITH US BANK; AND AUTHORIZING THE FINANCE DIRECTOR TO ENTER INTO A CONTRACT OF APPROXIMATELY \$295,000 FOR BANKING SERVICES.

WHEREAS, Lane County, Oregon conducted a formal solicitation process and a request for proposals (RFP) for the procurement of banking services and merchant card processing, Lane County's RFP LCP 2009-04, and;

WHEREAS, the contract and solicitation documents included permissive cooperative language allowing other purchasing contracting agencies to use the terms and pricing of the contract pursuant to ORS Chapter 279A.215; and

WHEREAS, banking services are priced on a flat rate, per item, and per transaction basis as listed on the Fee Schedule, Attachment A, and are generally priced more competitively for larger volume agencies with greater amounts of cash on deposit; and

WHEREAS, five responsive proposals were received by Lane County from qualified depositories listed with the Oregon State Treasury and evaluated using criteria from the proposal response, cost submittal, and reference checks; and

WHEREAS, the City of Albany's current contract for banking services and merchant card processing services with Wells Fargo bank was for five years, with an extension, and will expire June 30, 2013; and

WHEREAS, using a competitively bid permissive cooperative contract method would not limit competition or show favoritism and would be in the best interest of the City allowing both time and cost savings and a transition of banking services in a timely manner; and

WHEREAS, the Finance Director is prepared to issue a Notice of Intent to Award for the procurement of banking services, merchant card processing, and custody services for a term of five years with an option to extend the contract and advertise the Notice for seven days prior to award of contract; and

WHEREAS, if the City does not receive any formal protests to the Notice of Intent to Award, the Finance Director may award the procurement of general banking services, merchant card processing, and custody services to US Bank.

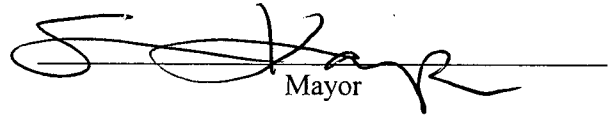

NOW, THEREFORE, BE IT RESOLVED that the Albany City Council authorizes an exemption from the competitive bidding process for the procurement of general banking services, merchant card processing, and custody services to US Bank through a cooperative contract established by Lane County, Oregon; and

BE IT FURTHER RESOLVED that the Albany City Council authorizes the Finance Director to issue a Notice of Intent to Award Contract to US Bank; and

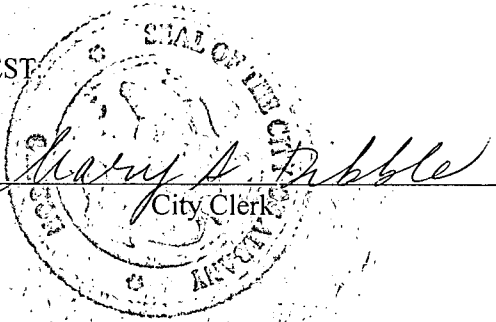

BE IT FURTHER RESOLVED that the Albany City Council authorizes the Finance Director to enter into a contract of approximately \$295,000 with US Bank to procure general banking services, merchant card processing, and custody services subject to no formal protests during the seven-day Notice of Intent to Award period.

BE IT FURTHER RESOLVED that this resolution shall take effect on February 13, 2013.

DATED AND EFFECTIVE THIS 13TH DAY OF FEBRUARY 2013.
