WHEREAS, SARTA's contract with Gillig LLC allows other public entities to use the terms and conditions of their contract, pursuant to ORS Chapter 279A.220, interstate cooperative procurements, and OAR 137-046-04000 through 480; and

WHEREAS, as a condition of SARTA's cooperative contract, the City made a written request on November 20, 2013, to SARTA to extend the assignability of the contract to ATS; and

WHEREAS, if the City does not receive any formal protests to the Notice of Intent to Award, the Public Works Director may award the purchase of one low-floor bus to Gillig LLC.
