

A RESOLUTION OF THE ALBANY CITY COUNCIL, ACTING AS THE LOCAL CONTRACT REVIEW BOARD, TO WAIVE COMPETITIVE BIDDING AND AWARD A SPECIAL PROCUREMENT CONTRACT FOR THE CONTINUED OPERATION OF A PHOTO RED LIGHT ENFORCEMENT PROGRAM TO REDFLEX TRAFFIC SYSTEMS, INC.

WHEREAS, Albany Municipal Code 2.66.060 (11), Oregon Revised Statutes 279B.085 and OAR 137-047-0285 allow the City Council, acting as the Local Contract Review Board, to authorize the use of the Special Procurement process for the selection of goods and services contractors for a special purpose; and

WHEREAS, such authorization must be based on written findings submitted by the department seeking the exemption that describes the selected special procurement method to be used and the circumstances that support the use of the special procurement as set forth below; and

WHEREAS, the Queen Avenue and Geary Street intersection currently has a Redflex Traffic Systems, Inc., Photo Red Light Enforcement System installed; and

WHEREAS, continued use of the current photo red light enforcement system provides efficiencies and promotes compatibility with existing equipment for the additional installation of future approaches and promotes the public's best interest; and

WHEREAS, Redflex Traffic Systems, Inc., is the supplier and operator of the photo red light enforcement system and equipment installed at Queen Avenue and Geary Street, and awarding a contract to Redflex is unlikely to encourage favoritism or diminish competition for public contracts; and

WHEREAS, the continued use of existing services and equipment will prevent the City from incurring additional costs if the City were to solicit a new photo red light enforcement system through a Request for Proposals (RFP) process resulting in cost and time savings.

NOW, THEREFORE, BE IT RESOLVED BY THE ALBANY CITY COUNCIL, ACTING AS THE LOCAL CONTRACT REVIEW BOARD:

SECTION 1. Adopts the following findings:

1. The City requires a special procurement for the continued use of the existing photo red light enforcement program and related equipment at the Queen Avenue and Geary Street intersection, and up to seven additional approaches, in order to maintain consistency, uniformity, and efficiency in operations.
2. Redflex Traffic Systems, Inc., is the sole supplier of the existing equipment and awarding a contract to Redflex would not diminish competition or encourage favoritism.

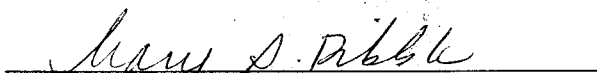

SECTION 2. The Police Chief is hereby directed to negotiate and award a contract for the continued operation of the photo red light enforcement system and related equipment to Redflex Traffic Systems, Inc., after the City has given public notice for seven days of its intent to award a contract per Oregon Administrative Rules (OAR) 137-047-0285.

DATED AND EFFECTIVE THIS 27TH DAY OF APRIL 2016.

Mayor
