

A RESOLUTION ACCEPTING A GRANT FROM THE OREGON TRANSPORTATION AND GROWTH MANAGEMENT (TGM) PROGRAM TO ASSIST WITH DEVELOPMENT OF AN INTEGRATED LAND USE AND TRANSPORTATION PLAN FOR EAST ALBANY.

WHEREAS, the TGM Grant Program, operated by the Oregon Departments of Transportation and Land Conservation and Development, provides funds to help local governments develop integrated land use and transportation plans; and

WHEREAS, the City Council adopted Resolution 6798 that authorized city staff to apply for a planning grant of \$250,000 to develop a refinement plan for east Albany that integrates land use, transportation, protection of significant cultural and natural resources, and economic development; and

WHEREAS, the State of Oregon notified the City that the East Albany Plan was selected for grant funding; and

WHEREAS, the grant will enable TGM and Oregon Department of Transportation staff to hire a consultant to provide technical expertise and support in developing the plan; and

WHEREAS, the Grant requires a twelve percent match (approximately \$30,000), which will be provided through staff time from wages and salaries from 10015001-510010 for fiscal year 2020.

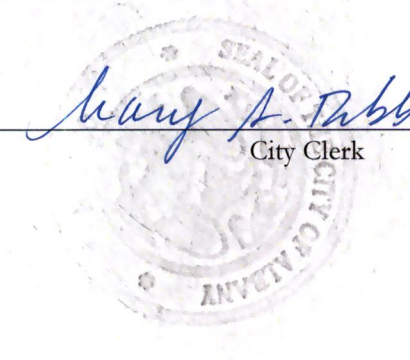

NOW, THEREFORE, BE IT RESOLVED by the Albany City Council that the Public Works Engineering and Community Development Director is authorized to accept the grant award of approximately \$250,000 and authorized to execute an Intergovernmental Agreement with Oregon TGM for developing an East Albany Plan.

DATED AND EFFECTIVE THIS 11TH DAY OF SEPTEMBER 2019.
