CLASSIFIED BUSINESS DIRECTORY

A Buyers' and Sellers' Guide

A List of Linn County Business Firms and Professional People

This section of the Directory classifies the business and professional people of Linn County, under the headings (arranged alphabetically) of the goods or services they have to offer. Associations, schools, buildings, and other groups are listed in this section as well.

The more progressive firms have placed advertisements in this section, making it a valuable guide to purchase or sale of all types of goods and services.

This is the only directory which lists business firms in all three of the larger cities—Albany, Lebanon, and Sweet Home—in a conveniently grouped form. While the list of business firms is not guaranteed to be absolutely complete, the majority of the business firms in the whole of Linn county are listed—whether they are advertisers or not.

Users of this Classified Buyers' and Sellers' Guide will find shopping faster and easier.
