How to use your Vision Care Program

This vision care benefit rider allows you to choose any licensed ophthalmologist, optician and optometrist. However for eye exams, members can expect to pay more out of their pocket by receiving services from out-of-network providers as expenses would be subject to Moda's maximum plan allowance. Hardware received from an in-network provider, are reimbursed at 100% of the provider's contracted fee. Hardware received from an out-of-network provider, covered benefits are reimbursed at the lesser of billed charges or up to the maximum of \$400.
