TO: Albany Public Library Board

FROM: Eric Ikenouye, Library Director

DATE: July 23, 2024

SUBJECT: Director's Report

Board Members,

This month, we have a policy update for your consideration. The Internet Access Policy has not been updated since 2011. The revisions clear up some outdated practices.

Summer Reading continues to run along very well. We have well over 3,000 registrants now. Supervising Librarian April Spisak will attend to talk about Summer Reading and other Youth Services.

Spanish Services Librarian Millie Wilson will attend to discuss her work at the library, including the many programs and partnerships she fosters.

Counselor Kopczynski is not running for reelection this fall, so he has decided to wait to fill any Citizen Advisory Group vacancies for which he is responsible. That means the Library Board will be short one member until after the start of the new year. This should not impact us too significantly. However, it will be of utmost importance that you let Elise know if you will be able to attend the upcoming meetings so that we can ensure there will be a quorum.

Also, save the date for the city's first Citizen Advisory Group (CAG) Appreciation Event Thursday, September 26, 2024, from 5:30 – 7:30 p.m. at the Riverfront Community Center.

Thank you for your time and service,

Eric
